The Black Hills Roundup will require a certificate of Liability Insurance if you are placed.

No vendor may sell, solicit, give away or distribute alcohol, food or drink without approval of the Black Hills Roundup. Violation of this clause will terminate this Vendor Agreement and is just cause for removal of the stand from the Roundup Grounds. Vendor fees are then non-refundable.

\*Approved Temporary Food Vendors must fill out the SD Department of Health Temporary Food Service Requirement Checklist and Application. Food Vendors are responsible directly to the SD Department of Health.\*
