One-way livestock drop-off will take place on the west side of The Monument with entrance at the stoplight on North 5th Street.

Security staff will direct trailers to the drop off location.

Unload as quickly as possible and park your vehicle in the approved lots. Do not park and leave your vehicle next to the building. Security staff will have it towed.

Parking

Parking for trailers is available in lots E1 and E2, east of The Monument.

Overflow parking is available in Lots E4 and E5. No parking will be allowed north of the Holiday Inn in Lot E3. Failure to remove trailers or follow these parking guidelines may result in vehicles and/or trailers being towed at your expense.

If you get here early and need to get animals off your trailer before the barns open, there is room at the Central States Fairgrounds.
