BRED TO PERFORM

Leonard bulls are bred to add **extra profit** to your bottom line by siring calves with **superior performance** and **carcass traits**. We're proud over 80% of our bull go to repeat customers each year. Here's what they are saying...

"We've been buying bulls from Mark Leonard for over twenty years. Our calves in January averaged 819 lbs. on 330 head with excellent feed conversion. The top 98 steers weighed 940 lbs. Leonard bulls are efficient, perform well and their temperament is outstanding. We will definitely continue to buy Leonard bulls."

Trevor and Tina Gress - Gress Cattle, Denison, IA

"We've been buying bulls from Mark for over 20 years. Two years ago, we had a mixed load of steers and heifers born in February that weighted 1,480 lbs on May 6. They yielded 65% and with the added profit from great feed efficiency we couldn't be happier. We will be buying more bulls again this spring."

Darren and Rob Uhl - Battle Creek, IA

Available at private treaty are 100 coming two-year-old Limousin, Lim-Flex and Angus bulls. Many are half brothers. Call us and find out why Leonard bulls consistently sire calves that top the market.

We all know that it is getting more difficult to find those really good purebred red bulls. If that is what you are searching for, JBV Springsteen 101H can fill that bill. "The Boss" is a huge success in the entertainment industry, we feel that Springsteen can do the same in the beef industry. See him at vennerlimousin.com.
