Extremely high quality individual off the top of our replacement pen, and off a 1st calf heifer who will enter the donor program next spring. Extra volume, width, and dimension from every angle, with that added length and extension in her front 1/3. She glides around the pen and commands your attention. This female will work in a multitude of breeding scenarios.

This year we chose to bring a PB bred heifer!! She is AI bred to the proven PB Simmental bull Perseverance. Dilly is a great moderate framed, clean fronted, sound PB Simmental with a pedigree to hold it's own. Super addition to any herd!

CALVING EASE DELUXE! Perseverance is the go to for Simmental calving ease and this son should carry that tradition on with a 65# birthweight out of a first calf heifer. We love this pedigree so much we would like to retain in herd semen interest.

SIMMENTAL
