BUGS FLING

5/7/2012 BAY ROAN AQHA #5473712

WES & ASHLEY WELLS - ANSELMO, NE - (308) 764-7208

Bugs Fling aka FedEx is a once in a lifetime stallion. He has taken every challenge we have thrown at him with grace and a no-quit, give-it-all-he-has attitude. A fractured leg kept him from reaching his full potential in the barrel pen, but he has come back and is shining in the roping arena and is the go-to horse when you really need a dependable one on the ranch. One day or six months off, you can saddle him up and go to work. His foals are proving that he is giving them his great thick build and exceptional mind. They are smart, willing, gentle and want to please. Bugs Fling is paid into Future Fortunes, 5-State Breeders Futurity, Colorado Classic, Cowboy State, VGBRA and the Cornhusker Stallion Incentives with more added every year. Come visit our booth or call us at (308) 764-7208 to visit about your mare and goals for your future champion. We do cooled and live cover with a live foal guarantee, our Stock Show breeding fee special is \$900 for 2022!
