Heather Dee's dam was an embryo purchase from the Green Valley Dispersal Sale. Dee Dee 101Y was a NWSS and NJHS winner and mated with GVC Ditto was a knockout. Heather's sire is KKKG Road Warrior, an I-80 son we campaigned successfully in 2016/2017. Showed 8 times at state and national shows being named Champion or Reserve 6 times. Definitely a show winning pedigree to go along with her stylish looks.

Folks here is a Maine Angus bull that has a lot of things going for him. He has been a standout since birth and just kept getting better all summer. He is good sized and will sire calves that will weigh up at weaning. I also think he will sire great replacement heifers. Boys he is backed by a great Angus momma. Bid with confidence.

King George is one cool beef bull. He comes from our good Sim/Angus cow that has a good one every year. He blends length of spine, width and dimension into a smooth structurally correct package. And a 789 lb 205-day weight isn't bad either. Will be able to cover a lot of cows this summer.

When we decided to make our way to the BHSS, we decided we needed to bring a sale feature. Flatliner has been a farm favorite since birth. Super sound with a powerful hip and exceptional depth of body in a well balanced attractive package. He was Reserve Champion Maine-Anjou bull at 2019 Jr. Show. His dam never misses. We used him naturally our first calf heifers last summer and are anxiously awaiting his first calves. Buy with confidence.
