

2021 REGULATIONS FOR FAIR BOOTH SPACE

August 18-21, 2021

2021 Fair Theme: "Lettuce Turnip the Beet!"

COVID-19 ALERT

We are implementing additional sanitizing procedures, as well as spacing out our Exhibitor Booths the best we can in order to provide social distancing. We are recommending, but not requiring masks to be worn. We have sanitizing and hand-washing stations at each building, and will be encouraging any vulnerable populations not to come to Fair.

1. No sale or distribution of merchandise shall be permitted at the Bonner County Fair, including printed or written material, except for properly permitted fair booths with permission from the Fair Board. Absolutely NO distribution of material is allowed outside of your booth. Violation of this rule may result in revocation of booth space and removal from the Fairgrounds. Sale of merchandise requires the booth tenant to pay a **commercial fee**. You are also required to file Idaho Sales Tax Declaration Form ST-124, available in the Fair Office. These forms need to be completed and filed at the Fair Office following the last day of fair. State tax is 6%, City Tax is 1%.
2. Requests for space can be made at the beginning of the year by calling the Fair Office at 208-263-8414. Applications will be mailed out in February to all of last year's exhibitors. Any empty booths or spaces will be assigned on a first-come, first-serve basis. **Requested spaces are NOT guaranteed and at the discretion of Fair Staff.*
3. A **SEPARATE rental fee check and refundable deposit check** must be included with the application and returned by July 20th to reserve space. Please write **Separate Checks payable to the Bonner County Fair**. You will be notified by letter concerning acceptance of application and allocation of space after August 3rd. If space is unavailable, you may be short listed in case of a late cancellation.
4. No refunds will be made. Those who have rent/deposit on hold in the case space becomes available will receive their refunds after the fair. If space is assigned and a display is not put up, rents are forfeited. When all objects have been removed from walls, floors and the booth has been swept, your deposit will be destroyed by the Fair Office. If

the booth has not been cleaned to Fair specs the check will be cashed. You may call the week after the Fair to verify the status of the deposit.

5. Those that are assigned space and put up a display are required to maintain the exhibit until 9:00 p.m. on Saturday of the fair. Failure to do so may eliminate your booth from priority consideration at future fairs.
