2. If a protest is filed by 4-H / FFA members, open class exhibitor(s), or other individual(s); the following procedure will be followed. A "Protest Form" must be completed in writing and can be obtained at the Boulder County Fair, Livestock Show & Rodeo (BCF) Manager's Office. Judging will not be interrupted by a protest and judging procedures will not be interrupted for protest investigation. Once the championship judging begins, no protest will be accepted. The fee(s) imposed the protest;
3. In the event an individual is not satisfied with the protest ruling by the protest committee, the exhibitor may appeal the protest resolution to the Protest Appeals Committee. 4. In addition to the fee(s) imposed for the process, an individual protesting that the use of illegal drugs were administered to an animal and ask for testing be administered will stand the cost of the testing if no residuals are identified. Often such tests can cost over \$1,000.00 for each substance chemical checked. JUNIOR EXHIBITOR LIVESTOCK AND ANIMAL DIVISION RULES

“Livestock” – refers to the following species; beef, dairy, goat, poultry, rabbit, cavy, sheep, and swine.

ANIMAL TREATMENT

1. The Boulder County Fair, (BCF) is organized and operated exclusively for educational purposes, and sponsors, produces and presents exhibitions of livestock, livestock products and the like for children, adults, and the public. These exhibitions educate the livestock industry, participants of the BCF, general public in better breeding, feeding and care of livestock. BCF arranges for the judging and presentation of premiums and prizes, and the like, in continuation of such exhibitions and/or shows.
2. COLORADO REVISED STATUTES: All exhibitors further agree to abide by all the rules of the Colorado Revised Statutes in regard to livestock shows, exhibitions, and sales. In particular, Section 18-9-207 as it refers to the tampering, drugging, and misrepresentation of animals.
3. The Boulder County Fair and 4-H program adheres to the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics. Each Livestock exhibitor indicates by turning in entries that they have read the code and will abide by these guidelines.

IAFE NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE National Code of Show Ring Ethics”, fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- a. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
- b. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- c. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- d. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the

animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- e. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- f. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- g. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- h. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- i. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- j. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an

animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

- k. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

4. The superintendent of each department and the official animal rights spokesperson for the fair, if in agreement, have the authority to disqualify exhibitors for inhumane treatment of animals at the Boulder County Fair, Livestock Show & Rodeo (BCF).

5. Inhumane Treatment of Animals. Abuse of animal(s) in any form will not be allowed. No electric prods will be allowed to be used on any animal at any time. Any violation of this rule will result in immediate disqualification with no recourse.

Prohibited Substance and/or Unethical Fitting defined as: The injection of internal or external administration of any product or material, whether gas, solid, or liquid, to an animal for the purpose of enhancing or transforming the true conformation, configuration, color, breed, condition or age or by making the animal appear more sound than otherwise would appear; the administration, use or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes, tissue manipulation, removal, surgical attachment or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair or hair substitutes, cloth or fiber for the purpose of deception. Any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of bovine, sheep, or swine carcasses or for deception. Violation of this rule will result in disqualification with no recourse and be subject to other sanctions; and the use of artificial tail head, tail fin, poll, use of hair or hair-like substance, cloth or fiber, ineligible age, illegal substitution of animal(s), violates these rules and will result in immediate disqualification with no recourse. Every participant in consideration of their entry being accepted by BCF specifically represents that no animal entered therein by the participant is misrepresented in any way, except for trimming feet or blocking of hair. Every participant agrees to submit the entry for any inspection deemed appropriate by BCF, and further specifically agrees that the conclusion reached by BCF as to whether such animal(s) is in violation of prohibited substance and/or unethical fitting practice shall be final and conclusive without recourse against BCF. Every participant, by entering the animals for exhibition, thereby releases BCF from all claims or demands whatsoever arising from any cause or happening in connection with the inspection of any such animal(s) or any ruling or action taken by reason of the conclusion by BCF under terms of this rule.

7. Consequences for Alteration of Conformation and Structure by Prohibited Substance or Unethical Fitting. In the event any such animal(s) is declared to be in violation of prohibited

substance or unethical fitting as aforesaid, BCF may disqualify and impose such penalties in addition to those other penalties prescribed by law.

- a. Permanently bar such animal(s) from competition at the BCF;
 - b. May bar the participant from entering such animal(s), the participant's family representative or agents or any or all of them from any further participation in the BCF;

 - d. Release to the media such actions;
 - e. In the event any award(s), banner(s), premium(s), prize(s), ribbon(s), and/or trophy(s) shall have been awarded by BCF Sponsor(s) to animal(s) exhibited in violation of these rules, the participant of such animal(s) will, upon demand of BCF, immediately return to BCF all award(s), banner(s), premium(s), prize(s), ribbon(s) and/or trophy(s) awarded to such disqualified animal(s);
 - f. Participant will be liable to BCF and shall indemnify and hold BCF harmless from all damages, including but not limited to all expenses and costs for blood, tissue, urine, hide and/or carcass sampling and testing. If any participant interferes in any way with the judges or shows disrespect to them, or to the show, the BCF may withhold from such participant any premium monies that may have been awarded or take any other steps deemed desirable.
9. Prohibited Substance, Drug Testing, Sabotage, Tampering, Inhumane Treatment. BCF reserves the right to question the alteration of any animal's physical or physiological structure. As a condition of participation in the BCF, participant agrees to submit to BCF, at their discretion, any animal so entered for immediate testing. Test(s) may include, but not be limited to blood, tissue and urine. Participant(s) further agree that the conclusions reached by BCF shall be final, without recourse against BCF.
10. Lesions, Fungus, and Disease. Any animal that exhibits visible signs of dermatitis, lesions, and/or fungus (ringworm), will immediately be removed from BCF grounds.

FITTING AND GROOMING OF ANIMALS

1. Junior Livestock entries must be cared for by the Junior Exhibitors of this show. Junior exhibitors are expected to have prepared their own project animal for exhibition. Junior exhibitors may receive mentoring and assistance, providing they are in attendance and participating at all times when assistance is given.
2. Exhibitor Statement: "The superintendents ask for your cooperation in minimizing the use of adult assistance in preparing animals for show at the fair. We understand the younger exhibitors will probably need some assistance. Helping an exhibitor in such a way that he/she is learning the techniques of properly preparing an exhibit is an important part of the total project experience. When an adult lends this assistance to the process, then it becomes a contest among adults, and we have lost the teaching and learning aspect of junior exhibits. Since this is a Junior Show, the goal of the superintendents is to direct the fair in such a way that it is a positive learning experience for our young exhibitors."

3. Boulder County requires that only Boulder County 4-H or St. Vrain Valley and Boulder Valley FFA members enrolled in the Boulder County 4-H & FFA programs can help each other. In addition their own immediate parents, stepparents, brothers, sisters or half-brothers or half-sisters, or legal guardian, living under the same roof, may assist the Boulder County 4-H or FFA youth with fitting, caring for and/or handling junior livestock that is deemed necessary by the head superintendent of that species. Superintendents have the responsibility to determine that said help and/or assistance is educational/demonstrational and youth is present if and when the adult is assisting with the livestock exhibit.
4. The species superintendent has the right to disqualify a junior exhibitor for infraction and abuse of this rule. Any exception/modification to this rule must be approved by the species superintendent ahead of time.
5. Should multiple exhibit and/or multiple specie conflicts occur, prohibiting the Junior Exhibitor from being present for a period of time, it is the responsibility of the Junior Exhibitor to notify the 4-H Staff or the Superintendent of the conflict, prior to the occurrence.
6. Failure to follow fitting rules may result in ineligibility to show or sale livestock at the Boulder County Fair.
7. Warnings. Under Colorado Law, it is a crime to sabotage or tamper with, administer growth stimulation drug(s) to substitute unauthorized animal(s) for exhibition livestock, pursuant to Section 18-9-207, Colorado Revised Statutes. Penalties include up to eighteen (18) months in prison or a fine up to one hundred thousand (\$100,000.00) dollars and the name and photograph of any convicted person(s) to be made available for publication in newspapers and trade journals. Under Colorado Law, a llama professional is not liable for an injury to or the death of a participant in llama activities resulting from the inherent risks of llama activities, pursuant to Section 13-21-119, Colorado Horse Statutes.
8. If drug or other chemical residues are found in tissue of carcasses of animals sold through sale or sales connected with the Boulder County Fair, said show and the Boulder County Fair Junior Market Livestock Sale Committee will not be liable or responsible for condition of carcass or sale price of animal. Exhibitor forfeits all rights to the sale price.
9. The Boulder County Fair and Boulder County Quality Animal Program endorse and support the USDA Wholesome Meat Act, the Meat Quality Assurance Program and insist exhibitors are in compliance. Exhibitors of all market animals (beef, dairy, goats, poultry, rabbits, sheep, swine) must certify their compliance with manufacturer's pre-market withdrawal periods specified for any and all medications, drugs, pesticides, or feed additives administered. The use of any non-approved chemical or improper use of approved chemicals is strictly prohibited.
10. **A completed and signed Certificate of Statement of Disclosure (USDA Wholesome Meat Act form) will be required at the time of weigh-in at the Fair.** The certificate must be signed by a parent, junior exhibitor and the Boulder County 4-H/ St Vrain Valley FFA leader and must be turned in to the Superintendent at the time of weigh-in. No junior market animal will be allowed to show without this certification form properly filled out and signed. If drug or other chemical residues are found in tissue or carcasses of animals at time of or following slaughter, or if there is any evidence of tampering, the exhibitor forfeits all rights to the sale price.
11. **If a carcass is condemned for any reason, including illicit drug use and/or non-compliance of drug withdrawal times, the exhibitor will receive no payment.** The Boulder County Fair also endorses and supports the use of sound management practices in the care and feeding of all

project animals. All exhibitors of Dairy, Dairy Goat, Sheep, Beef, Swine, Poultry, Cavy, and Rabbit project animals must submit a "Certification and Statement of Disclosure" form at time of weigh in. A complete copy of the "Wholesome Meat Animal Assurance" program is available from the Extension Office.

FEED AND CARE:

1. All Junior exhibitors in whose name the entered animal is owned, and entry accepted and acknowledged, are responsible for the custody, care and feeding of their animal(s).
2. Exhibitors must furnish their own feed, feeding equipment, and bedding and must care for their own animals and exhibits. Water hoses will not be furnished at the wash racks. Exhibitors are asked to bring their own hoses.
3. Stalls and alleyways must be kept clean at all times. Stalls and pens must be cleaned each day and all refuse matter disposed of properly – as directed by one of the Livestock Team members.
4. Exhibitors must feed, water and bed, and otherwise care for the entries during the Fair. Exhibitors are expected to help keep exhibit areas, grooming areas, and barn perimeters clean and attractive. All animals and other exhibits should be kept clean and in a presentable condition at all times. The Head Superintendent for each Livestock Department and the 4-H Livestock Extension Agent reserve the right to feed and water neglected animals. Any animal found in neglect of feed, water, and/or care may be dismissed from the grounds and the exhibitor may be scratched in all entered classes with all premiums and awards forfeited.
5. Failure to observe feed and care rules may result in forfeiting premium money, immediate dismissal from the Fair, and may result in ineligibility to show the following year.
6. Barn A & B pen areas will be closed daily, to the public and exhibitors, from 9:30 p.m. to 6:00 a.m. Barn A building will also be closed from 9 p.m. to 7:30 a.m. This is being done for the safety, and welfare of the livestock, and exhibitors while at the fair.

HEALTH REGULATIONS:

1. All animals to show or exhibit must be present at their appropriate animal health inspection times (if provided by that department) before being allowed into barns or stalls/pens. See individual departments for Animal Health Inspection time. **There is no charge for animal health inspections.**
2. Any livestock originating from a premise under quarantine for any disease will be barred from entry.
3. All exhibitors who have entered any of the Jr. Livestock shows agree to submit their animal for exam and/or testing that is deemed appropriate by the Boulder County Fair officials, Extension Agents, or State Animal Health Officials.
4. Random exams, testing, and sampling may be done at any time, providing it does not interfere with a livestock show for that particular animal in which the exhibitor has made entry. Owners will be informed prior to any exams, tests, or sampling that is done.
5. Veterinarians will inspect Junior Livestock entries at animal health inspections and monitor the general health of animals daily during the fair for visible signs of infection or contagious diseases. Entries found to be showing signs of an infectious or contagious disease may not be allowed to show and may be sent home. The Fair Veterinarian's decision will be final. If an animal presents signs of illness after the judging has been completed, the premiums will still be paid and awarded.
6. The superintendent in charge has the right to call for the services of a veterinarian in the

treatment of a sick animal if the exhibitor is not available. **Any veterinary fees are the responsibility of the exhibitor.**

7. Only a licensed practicing veterinarian, with a livestock superintendent or owner/exhibitor present, may administer antibiotics and or sulfonamides to any animal, including tubing an animal for bloating, while it is on the fairgrounds property.
8. Veterinarian Needs: The exhibitor should contact their own veterinarian should the need arise.

 - d. Failure to complete this requirement will exclude the project member from showing and/or selling at the Boulder County Fair.

2. Record Books - All members who exhibit animal projects (dog, horse, and livestock) at the Boulder County Fair or State or National Shows (Ex: Colorado State Fair, National Western Stock Show) must turn in a completed record book for that species in order to be eligible to exhibit that species in next year's fair. Completed 4-H record books for each species and project exhibited must be submitted to the Boulder County Extension Office no later than the second Friday in September and completed FFA record books must be submitted to the FFA Advisor by the last Friday in September.

- a. Final 4-H record books will need to be in a prong-like record book cover. No three-ring binders. 4-H branded record book covers are available at the Extension Office while supplies last. Prong-like binders can be purchased at any office store as well.
 - b. If a member is ineligible to show a species in one organization (4-H or FFA), they are ineligible to show the species in another organization (4-H or FFA.)
3. Premise Identification - All entrants for livestock exhibited in 4-H/FFA breed or market competitions, including horses, shall provide a premises registration number. Rabbit, Cavy and dog entrants are excluded.

Premises ID is one component of the National Animal Identification System (NAIS). For NAIS's purposes, a premises is defined as a location or site where livestock and poultry are born, handled, housed, managed, marketed, processed, or exhibited. Premises ID is critical to rapid detection and evaluation of the scope of animal disease outbreaks and in improving emergency response efficiency. A Premises ID is not the same as a Scrapie ID (there is no ear tag associated with Premises ID). A Premises ID is always seven digits made up of both numbers and letters. If your 4-H project animal is housed/boarded somewhere other than your property, the Premises ID would need to be obtained from/through the landowner where your animals are housed. It is

simple and free to obtain a Premises ID. You can register online at

<https://www.colorado.gov/pacific/aganimals/traceability> or call 1-303-869-9130

4. Final decision for eligibility will be determined by the Boulder County 4-H Extension Agent and the St. Vrain Valley and Boulder Valley FFA Advisor.

ANIMAL ELIGIBILITY

1. Ownership - All livestock entries must be the property of the eligible exhibitor. Each exhibitor must have valid written evidence of his or her ownership indicating sole ownership prior to the species identification date, which shall include brand inspection, bill of sale, affidavit, registration certificate or other written proof satisfactory to the superintendent. All papers must be available for inspection. Ownership of the animals must be established before animal is nominated and tagged.
 - a. Ownership deadline for all species is April 30th with the exception of market beef, market goat, poultry, rabbit, market sheep and market swine, which must be owned by the species designated county market nomination (ID) date. Check with the Extension Office for nomination dates. When an animal is born after April 30, the mother must be owned by April 30th unless other department rules are designated.
 - b. Non-Market animals (Dairy Cattle, Breeding Beef, Dog, Horse, Llama/Alpaca, Dairy Goats, Breeding Goats, Utility Goats, Fiber Goats, Breeding Sheep, Cavy) entered in the Boulder County Fair must have been previously identified by the last Friday in April (April 30th) of the current year using the species Animal Identification Form and uploaded on 4-HOnline enrollment or through their FFA advisor. This form must be on file at the Boulder County Extension Office by the posted deadlines each year (last Friday in April). By submitting this form, the member is declaring they have ownership of the animal and are providing primary care of their project or is an official Lease-An-Animal 4-H project. (Excludes Rabbit, Poultry)
 - c. All animals will be listed and registered to a specific exhibitor. Siblings must specify ownership of specific animals. For example, steer 101 cannot be listed as John's steer and later transferred to his sister, Mary. No changes will be allowed in ownership after the nomination date.
 - d. Lease-An-Animal (LAA) participants, who have a valid, signed lease agreement accepted and filed in the Extension Office, are exempt from all ownership rules. All LAA entries must be leased, as designated on lease agreement, and shown by the eligible exhibitor.
 - e. Inspection - At any time during the project year, each exhibitor, including catch-a-calf participants, agrees to provide for inspection by the Fair Board, or its designated representative, his or her exhibits and evidence of ownership and location.
 - f. The act of entering an animal in the County Fair is the giving consent by the Junior Exhibitor for show management to obtain retinal images on any animal, at any time, and for any reason during Fair and Fair management may take action deemed appropriate based on the results of the retinal images.
2. Animal Death/Quarantine Hardship Rule - Hardship allowances for project animal death or quarantine are at the discretion of the Superintendent and must be cleared by the Extension Agent/FFA Advisor and may not be the same for every department. See Department Superintendent if animal death occurs.
 - a. Hardship is limited to showmanship classes only.

- b. Exhibitor must provide proof of death/quarantine and may only show another exhibitor's eligible project animal.
- 3. Animal Care and Housing Forms - All animal exhibitors (livestock, horse and dog) are required to fill out and turn in, with proper signatures, an Animal Care and Housing Form for all animal projects in which they are enrolled. If individuals keep their animals at their home, this information is completed in 4-H Online when you enroll. For those animals not kept at home, a hard copy form must be completed. **Forms are due to the Extension Office no later than the first Friday in May.** Failure to complete and comply with this requirement will exclude the project member from showing and/or selling at the Boulder County Fair.
- 4. Market Livestock Nomination - Each market animal must be identified by ear tag and retinal scan (beef, goat, sheep); ear tag, ear notches and hair sample (swine); leg band (poultry); or tattoo and hair sample (rabbit). Check with the Extension Office for nomination dates.
 - a. There are no make-up dates for market livestock nominations. Exhibitors may make arrangements for another family to bring your animals.
 - b. Animals missing ear tags will be retagged upon arrival at the Boulder County Fair. Other forms of identification on file (i.e. retinal scan, ear notches, hair DNA, sex, breed, etc.) will be used to verify the animal identity prior to exhibiting.
- 5. USDA Wholesome Meat Act - The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the Boulder County Fair as follows:
 - a. Animals must be in good health and carcasses free of drug or chemical residues.
 - b. Antibiotics and sulfonamides have required withdrawal periods.
 - c. Drug label directions for use and withdrawal periods must be followed.
 - d. If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned.
- 6. Participants in the Pee Wee showmanship in the different livestock departments are to utilize 4-H/FFA animals that are already on the grounds. No outside animals will be allowed.

ENTRIES

- 1. All entries close the date published under the General Exhibitor Rules. Appropriate on-line forms by this published deadline.
- 2. See the Department 100, Junior Horse show for entry deadlines and guidelines.
- 3. ~~No livestock will be permitted to return to stock trailers, trucks, or parking areas following check-in. Horses and dogs are excluded.~~
- 4. Stalls/pens may be assigned by the superintendent. Check with department superintendent for further information as we get closer to the show date. We will adjust procedures due to COVID allowances.
- 5. Substitutions - In the event a member's project animal dies or is injured, substitutions are allowed only with animals that were previously identified by the member during each species nomination/identification period.

EXHIBITING

- 1. All exhibitors, by making entry to the Boulder County Fair Junior Livestock shows, agree to abide by the Boulder County Fair General Rules, 4-H/FFA General Rules, the rules of each department(s) entered and the code of conduct of 4-H and FFA.

2. Exhibitors must also follow the Colorado 4-H Dress Code while exhibiting and representing 4-H with their projects. FFA members also must follow the Colorado 4-H Dress Code unless wearing official dress.
3. Animals not entered in regularly scheduled classes will not be permitted on the grounds.
4. Underweight/Overweight Animals - Overweight animals will be shown in Overweight classes. Underweight animals will be shown in underweight classes. Underweight and overweight animals are not eligible for Champion or Reserve Champion classes or for the Junior Livestock Sale but may be used in showmanship classes. See species department for weight limits and if overweight/underweight classes are available.
5. Class Calls - All exhibitors will be given three (3) calls prior to the start of each class. The class will commence when the ring steward signals the judge, and no additional exhibitors will be admitted. Failure to show animals when class is called will not justify a class recall.
6. Conflicting Classes - In the event that an exhibitor is needed in two different livestock show rings, the exhibitor must notify both superintendents to work out scheduling. Superintendents will try to adjust judging schedule to accommodate but will not hold the show for an exhibitor.
7. Control of Animal - Any livestock deemed uncontrollable by the superintendent will be excused from the show ring or the fairgrounds depending on the severity of the situation.
 - a. All exhibitors must control and show their own animal.
 - b. In the event an exhibitor has more than one animal in a class, another Boulder County 4-H or St. Vrain Valley/Boulder Valley FFA member may show it for them.
 - c. In the event, a younger Boulder County 4-H or St. Vrain Valley/Boulder Valley FFA member feels uncomfortable showing their animal they may have an older Boulder County 4-H or St. Vrain Valley/Boulder Valley FFA member assist them.
8. Combining/Splitting Classes - It is not the intention of the Boulder County Fair to create classes for each individual animal. A class should have at least three entries to make up a competitive class. When there are less than three entries in a class, the superintendent may allow individual entries to be judged or may combine classes at his/her discretion. Large classes may also be split into smaller classes.
9. Champion/Reserve Champion Selection - All animals that are breed, weight, age or class champions or reserve champions must return to show ring and be judged in the picking of the Grand and Reserve Grand Champion. Failure to do so results in all premium money and prizes being forfeited along with the right to sell any animal in the Junior Market Livestock Sale.
10. Awards & Premiums - Ribbons and premiums will be given to winners in each class as awarded. No awards will be made to an unworthy animal or other exhibit. If classes are not filled, placing will be made according to the merits of the entries as the judge sees it. Trophies may be awarded based on availability. The decisions of the judge shall be final.
11. Animal Disqualified - Should any animal awarded a cash prize be disqualified, the animals gaining the lower prize shall graduate up into the higher positions next in order above them, if, in the opinion of the judge, these animals are worthy of such prizes. If the Grand Champion or Reserve Grand Champion animal(s) are disqualified, no further advancement or replacement of animal(s) will be made. All award(s), banner(s), premium(s), prize(s), ribbon(s), and/or trophy(s) will be forfeit and returned.

12. Premiums - payouts will be awarded as follows unless stated otherwise in a specific department. Additional awards and premiums may be given as sponsorship and donations are available at time of judging.

This department is subject to all BCF General Rules, General Exhibitor Rules and all Junior Exhibitor Livestock and Animal Division Rules in addition to those listed for the department.

GENERAL RULES

With some form of virus-related restrictions expected to remain in place through the summer, the 2021 Boulder County 4-H Dog Show will again be modified to accommodate current Health Department requirements. These rules contemplate a **live 4-H Dog Show** with in-person judging, small group sizes and social distancing. **Contest requirements may be further modified in response to changes in Health Department guidance.** This year's show will again include a virtual **display board** option for members to complete the 4-H Dog Project exhibition requirement without face-to-face contact.

Please read these rules carefully since some classes and requirements have changed.

1. All exhibitors MUST comply with current Health Department requirements, including:
 - All exhibitors MUST wear a mask at ALL times.
 - All exhibitors MUST maintain social distancing of 6 or more feet at ALL times.
 - All exhibitors MUST wash or sanitize their hands and equipment after leaving the ring.
 - No sharing of equipment.
 - No crating of animals inside or outside the building.
 - **Group size may not exceed current Health Department requirements.**
 - **Health Department requirements may also limit spectators during the show**
2. The only training equipment allowed in the Obedience and Rally ring is a slip, chain, flat buckle or

clip collar without tags and a nylon or leather leash. No halties, gentle leaders, slip leads, harnesses or pinch collars are allowed. The same collars are allowed without tags in the Showmanship ring, but handlers may also use a, martingale or other show lead to exhibit their dog. No bait or treats are allowed in the Obedience or Rally rings. Bait may be used in the Showmanship ring at the discretion of the judge.

3. If a dog has failed an exercise, it will not ordinarily be re-judged unless the judge feels the dog's performance was prejudiced by peculiar and unusual conditions. In such a case, the judge may elect to re-judge the dog only on the portion of the exercise in which the unusual condition occurred.
4. Exhibitors MUST comply with the Colorado State 4-H Dress Code.
5. NO dogs are allowed beyond the immediate vicinity of the indoor arena unless returning to or from the car. Dogs are not allowed to enter other barns, or buildings on the fairgrounds.
6. Exhibitors are responsible for cleaning up after their dogs both inside and outside the arena.
7. Dogs must be on leash at all times except when performing off leash exercises in the show ring.
8. In addition to the BCF General Rules, General Exhibitor Rules and all Junior Exhibitor Livestock and Animal Division Rules, exhibitors must also comply with the policies adopted by the Boulder County Dog Advisory Committee including the rules regarding Shared Family Dogs and Borrowed Dogs, as posted on the Boulder County 4-H Dog Project web page.

ELIGIBILITY RULES

1. Only exhibitors enrolled in the 4-H Dog Project are eligible to enter classes under Department 400.
2. Each 4-H exhibitor must provide an up-to-date printed record book at check in.
3. Exhibitors must own their project dog individually or in partnership with immediate family members or guardians during the complete duration of the project.
4. Exhibitors may only exhibit one dog in Showmanship **but may enter separate dogs in Rally and Obedience. An exhibitor may enter more than one dog in Obedience and Rally classes,** and may enter more than one dog in the same class for Obedience and Rally if they meet County qualifications. If an exhibitor has two dogs in the same Obedience class, they must choose one dog for the group sits and downs. The other dog must be handled by a currently enrolled 4-H dog project member for the group sits and downs.
5. The progress the dog has made and the number of years the handler has been in the dog project determines the correct class to enter. The Beginner Novice Obedience A class is open to first-year dog project members only, and the Beginner Novice B class is only open to second year dog project members with the same dog and youth team that showed the previous year. Experienced handlers who are working with a new or different dog than previous years should enter the Beginner Novice Class. First year handlers working with an experienced dog should also enter the Beginner Novice C class. Youth entered in Beginner Novice A or C-1 who receive a qualifying score at County Fair will move to Beginner Novice B or C-2 the following year. In all other Obedience and Rally classes, the A classes are open to first year exhibitors only. **The B classes are for exhibitors in their second year or higher** who have not yet received a qualifying score in that level. Experienced handlers starting a new dog in Rally should enter the Novice B class.

6. For 2021 ONLY -- Due to COVID, exhibitors will have the option to repeat the Obedience and Rally classes they showed in for 2020. Exhibitors who were in their first year of dog training in 2020 may remain as first year exhibitors for 2021 OR may choose to move up to the next highest class. Exhibitors who age up in 2021 will be required to enter the appropriate age 4-H Showmanship class. Exhibitors who placed in the top 5 in Intermediate or Senior Open Showmanship at the 2020 State Fair Dog Trials must move to the Advanced Showmanship class for 2021, and exhibitors who won Intermediate or Senior Showmanship Grand or Reserve Grand Champion at the 2020 State Fair Dog Trials must move to the Master Showman class for 2021.

DOG ELIGIBILITY RULES

1. Only dogs with a 4-H Dog ID completed in 4-H Online by the last Friday in April (April 30th) are eligible to enter classes under Department 400. Dogs who do not have a completed Dog ID in 4-H Online by May 1st will NOT be allowed to compete at County or State Fair.
2. Vaccines MUST be kept current in 4-H Online throughout the year in order to exhibit at County or State Fair. Upon request, proof of current rabies, distemper and parvovirus vaccination must be presented upon check-in. Rabies tag number must be on the entry form under the Registration Tag category. Rabies vaccines must be administered by a licensed veterinarian. Titers will be accepted in accordance with the State 4-H Dog Contest Rules.
3. A dog with an AKC title or a title from another national dog association is disqualified from entering the same class for which that title was awarded or any lower class, except if that title was won less than four months before the State Fair Dog Trials, and then the dog is eligible for entry in the same class. The exceptions to this titling rule are Grad Novice, Open, Grad Open, and Utility Obedience; and Rally Advanced/Excellent and Masters Rally. Rule 1 above, takes precedence over this rule.
4. Beginning in 2021, dogs that qualify at State Fair in Beginner Novice A or C-1 WILL be eligible to compete in the Beginner Novice B or C-2 class at any subsequent State Fair.
5. No bitch in heat will be allowed to compete in any dog class. A Boulder County Fair Livestock Show & Rodeo veterinarian's decision on doubtful cases will be accepted as final.
6. Dog show officials can and will dismiss any entrant or their family from the show for any mistreatment of dogs entered in the show. If a question should arise as to what constitutes mistreatment, 4-H Staff and/or officials will meet to discuss appropriate action in each case. Dismissal from the show will result in the forfeiture of any awards.

STATE FAIR DOG TRAILS

1. Virus conditions may affect the Colorado State Fair 4-H Dog Contest and could require limitations on group/class size and building occupancy, limits on member and dog entries, and limitations on spectators. Refer to the Colorado State Fair 4-H Dog Contest Requirements for contest rules.
2. After earning a qualifying score in competition at the Boulder County Fair, the exhibitor may be eligible to show at State Fair. Qualifying scores are 170 and above in Obedience and Showmanship and 70 and above in Rally. The top four qualifying scores in each class will have the first opportunity to show at State Fair. The next highest qualifying scores will be considered for any remaining spots. If there are still spots available in a class, qualifying scores from 4-H fun

matches or other dog shows may be considered for state fair participation at the discretion of the Superintendent. Exhibitors must provide proof of qualifying score to the project leader or superintendent prior to County Fair.

3. Once scores are made available, eligible exhibitors must notify the Dog Superintendent of their decision to participate in State Fair, and which classes they will be entering.
4. If offered in 2021, the Team Rally competition at State Fair will be limited to 8 entries plus one alternate from Boulder County. The 8 exhibitors with the highest qualifying scores in the Intermediate or higher Rally classes will be eligible to participate in the State Fair Team Rally competition. The exhibitor with the 9th highest score will serve as an alternate team member.

CLASSES

Due to COVID, two judging options will be offered this year for members to complete their 4-H exhibition requirement. The first option will include a **VIRTUAL Exhibition** class requiring a display board demonstration of knowledge about dogs and dog showmanship. No video entries will be required for this virtual class and Virtual Exhibition entries are not eligible for State Fair competition. The Virtual Exhibition class is a great option for exhibitors whose dogs are not quite ready for ring competition or members who do not feel safe participating in a face-to-face event.

The second option includes the regular **IN-PERSON Competition** classes for Rally, Obedience and Showmanship. Members who participate in In-Person judging may be eligible to participate in State Fair.

In the event the In-Person County Fair Dog Show is cancelled due to virus concerns, video entries for Rally, Obedience and Showmanship may be considered for project completion and State Fair eligibility. **Under this circumstance, additional information will be provided regarding filming requirements, entry uploads and entry deadlines.**

1. All exhibitors participating in the 4-H Dog Contest are required to submit a reasonably complete Dog Record Book at check-in for the Dog Contest. **Judges may use exhibitor's 4-H Dog Project Record Books as a tie breaker in any class.**
2. The number of judging rings and number of class exhibitors will be determined by Health Department restrictions.
3. All 4-H Obedience and Rally classes will be patterned after the latest AKC guidelines whenever possible, except that dog registry with AKC is not required Please see the AKC website for details www.AKC.org. Some exercises and rules have been adapted from AKC to better serve the youth of this program.
4. Judges will determine tie breakers for **any virtual classes, , based on overall completeness of the submission and the written answers to selected questions.**

COMPETITION CLASSES:

OBEDIENCE CLASSES

Obedience exercises are patterned after the AKC guidelines wherever possible and are explained in the Dog Resource Handbook. You can also visit www.AKC.org for detailed explanations of the exercises. Some classes and exercises have been modified from AKC guidelines to better serve our 4-H youth. A qualifying score in Obedience will be 170 out of the possible 200 points. In all Obedience classes, ten points will be deducted for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear. Scoresheets can be viewed on the Colorado 4-H website <http://co4h.colostate.edu/program-areas/state-fair-information/contest-scoresheets/>

The Puppy Class is offered at County Fair but will no longer be offered at State Fair.

BEGINNER NOVICE DIVISION

CLASS #1: Puppies/Pre-Beginner Novice Class

This class is for puppies OR older dogs that are not ready for regular obedience classes. The purpose of this class is to introduce obedience commands to a new dog without the stress of perfection seen in regular obedience classes. This class will allow the dog to participate in shows in a positive manner,

thus setting the dog up for a lifetime of enjoyment in the show ring. Dog and handler teams are evaluated more on the handler's skill in training their dog and dealing with the animal's mistakes rather than on the skill of the animal when performing the exercises.

Food, treats or toys ARE allowed in the puppy ring. Double commands will also be allowed.

This is a NO SCORE class. The score sheet will consist of Excellent, Good or Needs Improvement.

After one year of showing in the Puppy Obedience Class: If the handler was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the handler was in their 2nd year or higher of obedience training, the team moves to the Beginner Novice C-1 class.

The dog and handler team in the Puppy class will be judged on the following:

1. Loose Lead Walking – Dog does not need to be in perfect heel position but should not be pulling the handler. The dog should be watching the handler and should be on the handler's left side. Handler should be able to get the dog's attention.

2. Sit for Exam – In this exercise the puppy is commanded to a Sit position. The judge will approach the dog and examine it. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.

3. Recall – The handler will command the puppy to stay in a Sit position and will step in front of the dog. When the judge says "Call your dog," the handler will proceed to walk backward no more than six feet while calling the dog. The dog should get up and follow the handler in a happy manner. After the six foot distance has been reached, the handler will command the dog to sit.

4. Down Stay - The handler will put the dog in a Down position. When the judge says "Leave your dog," the handler will command the dog to Stay. The handler will walk to the end of the lead, pause, and then immediately walk around behind the dog and back to the heel position.

5. Serpentine Walking – The expectations are the same as for loose lead walking, with the addition of three "posts" as a distraction.

Explanation of Pre-Graduate Novice A & B Exercises

Moving Stand and Examination: This exercise is performed off leash. The judge will give the command “forward,” at which time the handler will heel forward with his/her dog. After the handler has proceeded forward about ten feet, the judge will give the command “stand your dog.” Without pausing, the handler will command and/or signal the dog to stand and the handler will continue forward about 10 to 12 feet and turn and face the dog. The judge will approach the dog from the front, give a novice exam and give the command “return to your dog.” The handler will return to his/her dog by going around and behind and back to heel position.

Moving Drop on Recall: The principal feature of this exercise is that the dog heels and executes a prompt response to the handler’s command and/or signal to down and remain in the down position until called or signaled to come on command. Orders for the exercise are “Forward,” “Down your dog,” “Call your dog” and “Finish.” The handler will stand with the dog sitting in the heel position at a point designated by the judge, who will then ask, “Are you ready?” and order “Forward.” The handler may command or signal his/her dog to heel and will walk briskly and naturally. After he/she has gone about 15 feet, the judge will order “Down your dog.” Without pausing, the handler will command and/or signal the dog to down. The handler will continue forward to the end of the ring, turn around and stand in a natural manner facing the dog. On the judge’s orders or signals, the handler will command or signal the dog to come and immediately sit in front of the handler until the command to “Finish” is given by the judge.

Recall Over Broad Jump: The principal feature of this exercise is that the dog stays until directed to jump, clears the jump on a single command or signal, and immediately returns to sit in front of the handler. Orders are “Leave your dog,” “Call your dog” and “Finish.” The handler will stand with his/her dog sitting in the heel position at least eight feet from the jump, facing the lowest end of the lowest hurdle. When the judge orders “Leave your dog,” the handler will give the command and/or signal to stay, go at least eight feet beyond the highest edge of the last hurdle, turn, and face the dog

as in the Novice recall. On the judge's order, the handler will give the command or signal to jump. The dog must clear the entire distance of the broad jump without touching it and, without any further command or signal, immediately sit in front of the handler until the command to "Finish" is given by the judge.

Graduate Novice A is open to experienced handlers in their first year of Graduate Novice dog training. VETERANS DIVISION – Obedience Classes Only

The Veterans Obedience Division is an optional Division for any dog 7 years old or over who may no longer be able to jump the standard regulation height due to age, injury, joint issues, comfort, etc.

Any dog 7 years or older may be entered in the Veterans Division. It is the choice of the handler, the handler's parent, and the handler's trainer and veterinarian whether to exhibit a dog in a Veteran class. Veteran dogs will compete at the obedience level the handler chooses, from Novice up through Utility. All exercises are the same as for regular obedience classes except for the jump height.

Veterans Division dogs will be allowed to jump $\frac{1}{2}$ of their regulation jump height. They are required to perform all other exercises as in the regular class; jump height will be the only difference from the regular class. Once a Veteran dog can no longer jump at least $\frac{1}{2}$ their regulation jump height they must be moved to a class that does not require jumping. A Veteran dog may change Obedience classes in either direction each year as their health determines. If a dog is entered as a Veteran during a project year, they may go back to regular Obedience classes the following year; however, they must go back to the level they would have been competing at before they moved to Veterans.

The Veterans classes and scoring adjustments are listed below:

Class 14: Novice Veterans: Judge's score

- Class 15: Pre-Grad Novice Veterans:** Judge's score plus 3 points
Class 16: Grad Novice Veterans: Judge's score plus 6 points
Class 17: Open Veterans: Judge's score plus 9 points
Class 18: Grad Open Veterans: Judge's score plus 12 points
Class 19: Utility Veterans: Judge's score plus 15 points

Dogs entered in the Veterans Division are not eligible to compete for the Overall Obedience or Grand Champion awards at County Fair. Veteran dogs will jump 1/2 the required height for their class. Refer to the chart below for the standard High or Bar Jump heights.

Obedience Jump Information

There are 3 types of jumps that may be used in Obedience classes: the Bar Jump, the High Jump and the Broad Jump. All dogs in regular (non Veterans) Obedience classes must jump their regulation height and width.

For the Broad Jump: The Broad Jump will cover a distance equal to twice the standard height of the High or Bar Jump setting for each dog. Veteran dogs will jump 1/2 the required width for their class and must use the correct number of boards for the width being jumped:

- *Four boards are used for widths of 48-72 inches
- *Three boards are used for widths of 28-44 inches
- *Two boards are used for widths of 16-24 inches
- *One board is used for for a width of 8 inches.

SHOWMANSHIP CLASSES

Dogs under 6 months of age are not eligible to compete in Showmanship classes at County or State Fair.

Placement in Showmanship classes is based on the experience level of the handler and not the dog.

A written test will be given to each exhibitor entered in a Showmanship class. The exhibitor is responsible for taking the test at the designated time. If the exhibitor does not take the test within the designated time, they will receive zero points for that portion of their showmanship score.

In the ring, the judge will ask each exhibitor two questions about their dog’s anatomy or breed/breed group. Scores for these questions will be included in the point total for “Breed Presentation” on the Showmanship scoresheet.

A qualifying score in Showmanship will be 170 points out of the possible 200 points. Class size will be determined by Health Department restrictions in place at the time of the show. During the Showmanship class each area of judging will be evaluated throughout the entire class. The score will reflect the handler’s ability to perform these items throughout the class and not just at one time. For example: the dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The “set-up” score will reflect all of these times when the dog is stacked.

Some exercises and rules may have been adapted from AKC to better serve the exhibitors of this program. **A qualifying score in Rally is 70 out of the 100 possible points. Due to COVID, exhibitors will have the option to repeat the Rally classes they**

1. Prior to the start of each class, a 10 to 15 minute walk through (without dogs) is allowed for the handlers to familiarize themselves with the course pattern. Only during this time, handlers may ask the judge to clarify or answer any questions about the Rally signs or the Rally course.
2. The only training equipment allowed in the Rally ring is a slip, chain, flat buckle or clip collar without tags and a nylon or leather leash. No halties, gentle leaders, slip leads, harnesses or pinch collars are allowed.

4. Unlimited communication from the handler to the dog is encouraged. Multiple commands and/or signals using one or both arms are allowed. Arms and hands do not need to be maintained in any particular position at any time. The handler may not touch the dog or make any physical corrections any time. Exhibitors in the Excellent and higher Rally levels may not pat their legs or clap their hands to encourage their dog. Loud or harsh commands or intimidating signals will be penalized.
5. There should be a sense of teamwork between the handler and the dog.
6. Times will be recorded, but not posted. Times may only be used to break ties.
7. **Handlers may enter more than one dog in the same Rally class.**
7. In all Rally classes a non-qualifying (NQ) score will be administered for the following: strong correcting, disciplining, fouling the ring, excessive barking, consistently tight lead, knocking over a jump, or a sign not attempted by a handler.
8. Scoresheets can be viewed on the Colorado 4-H website <http://co4h.colostate.edu/program-areas/state-fair-information/contest-score-sheets/>
9. There are no Rally classes for Veteran dogs. All dogs must be able to jump required heights and perform the required items.

Credit is given for grooming and not for the breed or individual excellence of the animals. Exhibitors must show their own animals. Showmanship birds do not need to be top ranked show birds but must be registered in their appropriate breed class.

In case of a tie, the tie breaker will be based on the score sheet. 1) Highest score on Knowledge wins. If it is still a tie, then it goes to the next category 2) Showing Birds. And continues through 3) Appearance of Bird then into 4) Attitude and Appearance of Show Person. If still a tie the **Superintendent will determine method of tie breaker at this point.**
