**11:30 Preview**

**12:00 Sale Begins**

---

**Auctioneer: Tom Frey, Centennial Livestock Auctions**

Sale held in the Fair Garden by the Outdoor Stage,  
near the flagpoles, south of the Exhibit Building

# Welcome!

The Product Sale includes items selected by judges during 4-H product interview judging.

Product will go to the highest bidder.  
4-H members receive 100% of the purchase price and add-ons.

---

## How to support exhibitors

Along with bidding on and purchasing products, buyers can support participants in the Product Sale by making additional gifts through add-ons.

**Add-ons: After each product is confirmed as sold by the auctioneer, raise your bid number to add-on to the exhibitor.**

**Add-ons can also be purchased before the sale begins, and up to 30 minutes after the sale concludes at the check-in table.**

---

**Thank you for your generous support of Boulder County youth.**

4-H equips young people with the experience they need to succeed as adults, including leadership, communication, business management, self-confidence, and problem-solving skills.

It strengthens values such as responsibility, dedication, hard work, and accountability.

## Chloe Hudgins

**4-H Club:** Niwot Nifties

**Cooking 301- Cinnamon Star Bread**

My name is Chloe Hudgins and I am 12 years old. This is my third year in 4H and my second year in Food and Nutrition. I love baking and learned everything from my mom. This year I chose to make cinnamon star bread. Not only is it fancy-looking, it is also incredibly delicious and fluffy! I hope you enjoy this delightful treat!

## Reese Duckworth

**4-H Club:** Niwot Nifties

**Best Photo- Insect (butterfly) on plant**

My name is Reese Duckworth, I have been an active member of 4-H for 5 years and I am currently the vice president of the Niwot Nifties 4-H club. As a 4-H member, I have had the opportunity to help the Niwot and Longmont community. Helping people in my community is something I take great pride in, and is one of the biggest reasons I am in 4-H.

In the past I have been successful in projects such as Food and Nutrition, Filmmaking, and Cake Decorating, and I have gone to state with every one of my fair entries. My project this year was something I hadn't done before in 4-H, Photography. I liked this project because it allowed me to get out of the house more to take photographs in nature. My fair entry this year is a photograph that I took while in Rocky Mountain National Park. When I took this photo, I was standing alongside a river and a small field of tall grass and wildflowers. As I was enjoying the view of the Rockies, I spotted a white butterfly flying around the wildflowers. I was able to capture this photograph as the Rocky Mountain Parnassian settled in place for just a moment. I like this photo because of the detail on the butterfly, and because of the contrast between the butterfly's bright white against the green grass in the background.

## Calla Flutcher

**4-H Club:** Rocky Mountain Snowbirds  
**Food Preservation- Pickles**

I think that 4H has been a really great experience for the 2 years that I have participated. My name is Calla Flutcher and I am currently 10 years old. I joined 4H because I think that you learn valuable lessons like how to raise animals and how to cook. One of the projects that I have been working on this year is water bath canning dill pickles. I wanted to learn how to pickle something, because I love vinegar and pickled veggies!

## Katelyn Hardesty

**4-H Club:** Goats & Galore  
**Basket of cheeses**

This is my third year showing dairy goats. My favorite thing about showing at county fair is getting to talk to the public and teach them about my goats and 4H in general. This year I made cheese from milk from my goats and entered it at fair. I love to work with my goats and enjoy the products they provide.

## London Maestas

**4-H Club:** Critters and Creations  
**Cooking 210- Banana Bread**

My name is London Maestas and I have been in the cooking project for 2 years. I like the cooking project because I enjoy cooking and like getting new experiences. I chose this year to bake Banana Bread for the 4H Product Sale because it is a family recipe and we love to have it on Sunday mornings. I thought I would share this with the community. I hope you enjoy it as much as I enjoyed baking it!

## Sean Beaverson

**4-H Club:** Living Education 4-H  
**Cake Decorating- Unit 1 Cake**

My name is Sean, I am 15 and this was my 1st year in 4H. I joined cake decorating to spend more time with my little sister and to keep delicious desserts around the house. I hope you enjoy this delicious cake inspired by my favorite place, the beaches of Northern Michigan. I paired it with everything you will need to go straight from the auction to the beach party! Plates, napkins, servingware, and a few toys to enjoy the sand!

## Elise Redding

**4-H Club:** 4x4 Dog Club

**Best Photo- Selfie cell phone of camera selfie**

My name is Elise Redding, I am 15, and this is my fourth year in 4H. I started 4H with the dog project, where I train and show my dogs, then I started doing the photography project as well. I have done photography in 4H for two years, but photography has always been something I experiment with practically wherever I go. I love just walking around my neighborhood and looking at everything, picturing how I would frame it and what angle would look best. Photography is something that allows me to capture a subject in the way that I see it, and share that with other people. I haven't sold any of my work before, but having the opportunity to be a part of this event is a great way to start.

## Shannon Ramey

**4-H Club:** Goats n' Galore

**One dozen eggs**

I am Shannon Ramey, and I have been raising chickens my whole life, and showing poultry at the fair for 6 years. My nickname at home is "the chicken whisperer." I just love birds! brought a pen of Rhode Island Red pullets this year, a breed that lay beautiful brown eggs. Thank you for supporting my poultry project.

## Maya Loughlin

**4-H Club:** Rocky Mountain Snowbirds  
**Cooking 101- Crinkle Cookies**

This is my second year in 4H but my first year doing a food and nutrition project. I chose this project because I love to cook. I have loved to cook ever since I was a little kid, when my mom and I used to bake cookies together. My goals were to learn how to separate an egg and how to make my own recipes. Being a 4H member means a lot to me, and I love my club, because of my leader Candie, our President Teagen, and because I get to do projects, make friends, and gain leadership skills.

## Hayden Duckworth

**4-H Club:** Niwot Nifties  
**Cooking 401- Focaccia Bread**

My name is Hayden Duckworth and I am the president of the Niwot Nifties 4H Club. I am an incoming junior at Silver Creek High School, a tennis athlete, a cellist, and a member of the Silver Creek Leadership Academy. I work for the Left Hand Valley Courier and have written articles about Niwot and Boulder County. I also work at the Innovation Center at Saint Vrain Valley Schools raising endangered frogs to be released into the wild. My goals for the future are to attend college and study biological or chemical engineering. I have been a member of 4-H for seven years now and this is my second year being an officer of my club. My free time often consists of cooking and baking for my family and friends. This is the reason why I thought Food and Nutrition would be a great project for me and why I've been doing it for 4 years now. The product that I am selling today is a grape rosemary focaccia with toasted sugar on top. The dough is a soft and chewy bread with sweet juicy grapes and fresh rosemary baked into the layers of dough. On top is the crunchy toasted sugar and more sprigs of rosemary.

*Isabel Bugno*

**4-H Club:** Living Education 4-H

**Cake Decorating- Unit 1 Cake**

My name is Isabel and I entered 4H this past year at the age of 10. I love baking and sweet treats make me happy. I baked this homemade chocolate cake with vanilla buttercream frosting. It is a fun polar bear swim and cookout theme. It is decorated with marshmallows, Swedish fish, pretzels, m&m's and candy eyes.

*Erik Simonson*

**4-H Club:** St. Vrain Super Swine

**Best Photo- Bird on Metal Rail**

Erik Simonson is a Junior at Longmont High School. He has participated in 4H the last four years. Photography has been a project for him every year. He has enjoyed taking pictures of nature, playing with light and exploring the functions of his camera.

*Savannah Maestas*

**4-H Club:** Critters and Creations

**Cooking 201- Scones**

My name is Savannah Maestas and I am 11 years old. I have been doing 4H for 3 years. I love doing the cooking project because I get to learn skills that I can use in everyday life and I get to spend time with my family members. The product I made this year is Savory Ham and Cheese Scones. I chose these scones because I have never made scones before and I wanted to try something new and unusual. They came out great and I hope you enjoy them!

# Product Sale Exhibitors

*Mackenzie Miller*

**4-H Club: Rinn Valley Livestock  
Cake Decorating- Unit 3 Cake**

I made a two-layer white cake. It is made with homemade buttercream frosting. The base layer is white, and the piping is done with purple and blue. This is my first year in 4H. I had a lot of fun decorating cakes this year. I have learned so much and can't wait until next year.

*Avan Richmond*

**4-H Club: Chutes 'n' Boots  
One dozen eggs**

My name is Avan Richmond and this is my 9th year in poultry. I have been doing chickens for 9 years and market turkeys for four. With my chickens I run an egg-laying business through local farmstands. Here I have a basket of goodies along with a dozen eggs from my pen of chickens.

*Sloane Ahrens*

**4-H Club: Fairview  
Cooking 101- Smores Bars**

My name is Sloane and I am in 4th grade. I made Smores cookies and bars because I like to go camping and toast marshmallows. They are made with graham cracker cookie dough, layered with marshmallow creme, sprinkled with chocolate chips and topped with more cookie dough and a dash of cinnamon. Yum!
