

# Locally raised *beef, pork, lamb and goat*

Don't miss your opportunity to fill your freezer while supporting local 4-H and FFA youth.

In partnership with Innovative Foods, the Boulder County Junior Livestock Committee is offering butchered and wrapped beef, pork, lamb, goat and poultry raised by local youth and sold as part of the Livestock Sale on Sunday, August 13, 2023.

Because the Livestock Committee is part of the Boulder County Fair, a nonprofit organization, any price you pay over market price may be tax deductible. You will receive a detailed invoice for your tax records approximately August 15.

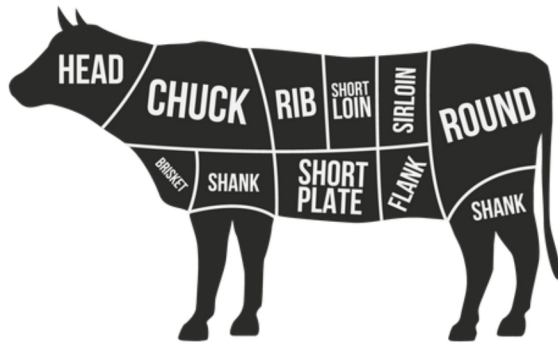

We anticipate meat being ready September 1 - 15.

**FARM**
