

Moriah McQueen is excited to get the privilege of being one of your 2021 Boulder County Fair and Rodeo Ashley's Princesses. She is a sophomore in high-school and studies at Front Range Community College. While she is enjoying all the classes she is taking, she particularly loves learning about Psychology and Debate. She hopes one day to become an equine policy maker. Moriah is also a varsity member on the Berthoud Equestrian team. She loves learning to ride new horses every practice and has found riding for the team has made her a much better horsewoman. When not riding on the team, you can find Moriah with her horse, "Hershey." She has had Hershey since last October, and uses her to compete in the ranch riding and reining. She is looking forward to showing her at some of Boulder County's 4H shows once everything opens back up. Besides showing horses in Boulder County 4H, Moriah is also an active member of the Boulder County Horse Judging Team. She absolutely loves judging with the team and has learned so much along the way. She said her biggest lesson she has learned from judging is how to make a decision and defend it. In her free time, you can catch Moriah spending time with her friends and family, playing with her dog "Denzi," or cheering on the broncos despite how good or bad they are doing.

Ever since Moriah was a little girl, she knew that she was going to be involved with agriculture. She says it has taught her so many life lessons with many MANY more to come! It has given so much to not only her, but many others as well. By being a Princess, she would love to help educate the public on the agriculture industry and get them more involved. Additionally, Moriah is also honored to be able to represent Ashley and the legacy she left behind. She says, "It's not every day you get to represent such an outstanding individual." Her hope is that she can help spread the word about Ashley's story, promote the Ashley Doolittle Foundation, and attempt to give the public an insight of what an incredible human being Ashley was.
