

INDEPENDENCE DAY CELEBRATION

Family Obstacle Course Competition Contest Rules/Information July 6, 2019

How it works:

One team will complete the obstacle course at a time. Once the air horn goes off, the first person in line will run the course. Once the first contestant begins station #6 (the wooden bridge) the next person in line will start. You will continue this pattern until everyone on your team has successfully made it past the finish line.

The time will continuously run until ALL team members have completed the course. The top 3 teams with the fastest completion time will win medals for the entire group! If you want to show off your patriotic side... we will be giving an award to the best team that we deem as most patriotic!

Good luck and may the fastest team win!
