# BRACKENRIDGE RECREATION COMPLEX

# 2022

# ADVENTURE DAYS

## June 15th: Fishing Frenzy

Kids will be able to enter a fishing derby challenging all who participate to see who will catch the biggest, smallest, or the most fish. Medals will be awarded to the winners!

## June 22nd: Diving into Turtles

This fun Adventure will be an introduction to easy and simple painting techniques that is the foundation of art. Children will learn about colors and how to use them while painting their own step-by-step wooden turtle hanger.

## June 29th: Tasty Treat Camp

Come discover all about the five food groups and what it means to "eat a rainbow"! Kids will learn knife safety while making fruit kabobs, they will make their own smoothie utilizing a smoothie bike, and take home some tasty treats!

## July 6th: World of Water

Take an Adventure through the wonderful world of water and discover our impact on it every day. Where does water come from and how do we protect this vital resource? Children will demonstrate the flow of water along with hands-on activities that show how to protect and conserve water each day. Every camper will take home their own water cycle terrarium and have fun conducting experiments showing how nature keeps our water clean and healthy!

## July 13th: Party in the Park

Don't Miss out on some summer fun at the last adventure day! What better way to celebrate the last Adventure of the summer than with a water day party, nerf gun wars, and an obstacle course competition. Students will need to bring their own nerf gun equipment and don't forget some clothes you can get wet in. Lunch will be provided before we say goodbye to the kids for another summer!

**\*All Adventure Days  
are ages 8 - 12!**
