

2nd Annual Brazos Valley Fair & Rodeo Woodworking Competition – Picnic Table

Purpose of the Contest:

The purpose of this contest is to simulate real-world working conditions found on any construction job site where wood fabrication and safe working skills are required.

Team Composition:

Team will consist of four (4) High School students under the supervision of their AST (or designated school official).

When and Where:

Date: Saturday, October 12, 2024

Location: Brazos Valley Fair & Rodeo, (Expo Parking Lot) 5827 Leonard Rd, Bryan TX 77807

Schedule of Events:

7:00 a.m. – 7:45 a.m.	On-site team check-in and registration
8:00 a.m.	Safety Meeting for all contestants (individual and team) Immediately following safety Meeting all contests begin
8:30 a.m. – 8:45 a.m.	Team advisor meeting with team (15 minutes) Build-Off Construction begins (Total build time 5 hours) Teachers may coach students within this 15-minute time frame
12:00 p.m.	Working lunch included with registration
1:30 p.m.	Construction ends/Judging begins
2:30 p.m.	Awards

Registration:

- Registration will be through <https://www.brazosvalleyfair.com/events/2022/weld-off-competition> for Picnic Table build.
- Teams may pay online through the BVFR Portal or bring payment to contest and present at check-in time. Teams needing an invoice sent to school must let BVFR know this when entering.
- Build-Off Registration fee is \$175.00 per woodworking team entered.
- All BUILD-OFF entries must be made no later than September 21, 2024 at 5:00 p.m.
- All entries are final on September 21, 2024 at 5:01 p.m. and registration fees will not be refunded. If a team enters but cannot compete for any reason they may come to BVFR and pick up their wood and parts no later than October 25, 2024. After that date, the wood and parts become the property of the BVFR.

Build-Off Rules:

- Team will participate with up to four (4) members and may only visit with coach during the one time listed on schedule.
- Each team will construct a project in the allotted time.
- Each team will be provided with detailed plans, and all required parts. All material will be placed in the team's designated work area prior to the start time.
- All grinders must have safety guards in place. No Exceptions!
- No electricity will be provided to any team.
- All teams must attend the safety/contest meeting at 8:00 a.m. A parts list will be discussed at this meeting. All teams must verify the parts given to them at the beginning of the contest. Should a discrepancy occur with the parts, the team must notify contest officials by 9:00 a.m.
- Each advisor will have approximately 15 minutes to discuss or answer any questions their students may have during the allotted time. When the 15 minutes have concluded, students are on their own to communicate, troubleshoot, construct, and problem-solve. No teachers will be near the project during construction times except as noted in schedule.
- Safety will be constantly judged ALL DAY. Points will be deducted for unsafe acts. Teams will be notified of each unsafe act. If a team commits three noticeable safety violations, they will be disqualified by the judges.
- No structural changes will be allowed to projects. If time allows, accent pieces can be added.
- All construction will cease at 1:30 p.m. Judging will commence at 2:30 p.m.
- All projects become property of the team once the competition is completed. Please make sure you have a way to transport the project home.

Awards:

- Champion Team
 - \$1,000 Check awarded to school who entered the team.
 - Belt buckle awarded to each team member
 - Champion Banner
- Reserve Champion Team
 - Reserve Champion Banner
- Third Place Overall Team
 - Third Overall Banner

***Additional prizes (if any) will be listed on website.**

Grading Criteria:

Grading Criteria	Points Possible	Points Earned
Safe workmanship of all team members	30	
Frame is complete	10	
Correct weld placement	10	
Weld quality	15	
Correct placement of all materials	15	
Appropriate use of tools/equipment	10	
Work are clean of electrode stubs/cut off woodat 3:30 pm	10	
Total Points Earned	100	

Recommended Tools:

- Trailer to haul all tools
- A set of hand tools (pliers, wrenches, ratchet, socket set, Allen wrenches, etc.)
- Four way lug wrench
- Grinders with guards
- Portable band saw
- Cut-off saw
- E-7018, 1/8" dia. electrodes, 25 lbs. minimum (THESE WILL BE PROVIDED BUT TEAMS MAY ALSO BRING THEIR OWN)
- Jack stands, pipe saw horses, etc. for construction purposes
- Box level, 4 ft. minimum
- Torpedo level
- Center punch
- 32 oz. ball peen hammer
- Sledge hammer
- Miscellaneous pieces of angle/tubing/pipe for fabrication (12" – 24" in length)
- Tent to work under pending inclement weather or excessive heat
- Cold water for team members
- 2 fire extinguishers
- First-aid kit
- PPE for all team members
- Other tools as desired except for GMAW/FCAW/PAC machines
