**WE WELCOME YOU TO HELP US BUILD THE NEW BREMER COUNTY FAIRGROUNDS!**

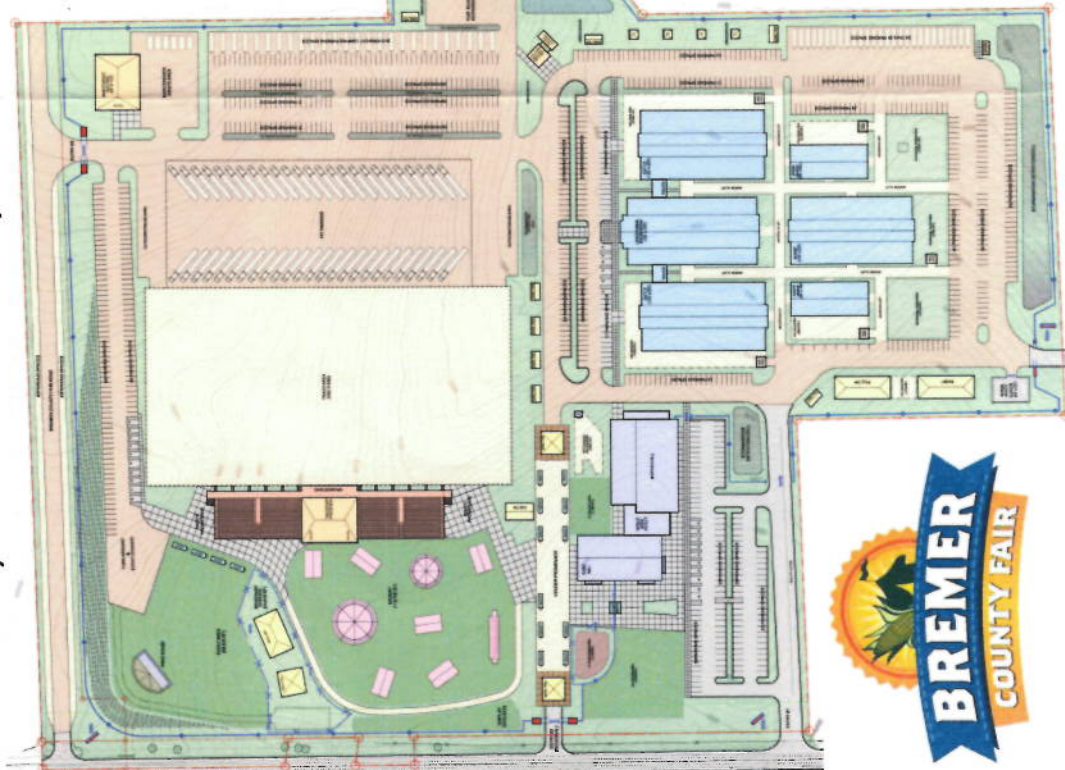

We are creating a new home for the popular and historic Bremer County Fair. Our new home will be located along Highway 3 on the East end of Waverly.

The 50 acre site has been purchased and paid for using earlier donations and funds. We now begin our campaign to build our infrastructure and new facilities.

The new fairgrounds will enhance educational and entertainment events, promote safety and accessibility for all, provide adequate parking, spur economic growth in our community and serve as the Bremer County Fair for the next 100+ years.

Since 1856, Bremer County 4-H and FFA youth, families, and visitors have enjoyed the educational entertainment opportunities of the Bremer County Fair
