

## Canada Games Park Beginner Pickleball

Due to popular demand Canada Games Park's community program "Beginner Pickleball" will continue throughout the months of May and June on select dates.

Please note these dates are subject to change, as the building may need to cancel the facility programming for maintenance, holidays, tournaments, or special events. We will do our best to post this information ahead of time online and in-person at the facility.

## Schedule:

Date	Time	Registration Link
