Dear Friend,

This year, the Association of Connecticut Fairs will hold our annual Meeting, Banquet, and Trade Show to discuss common issues of the Fair industry as well as ideas for entertainment, education, and operational issues. The meeting will be held November 5th, 2022, at the Best Western Plus Hotel in North Haven, Connecticut.

Sponsorships are a critical component to our meeting's success as registration fees will not cover all our costs. Each of our member Fairs will be represented and all our members look forward to sharing valuable ideas on how to make our fairs even better! Speakers, workshop programs, vendors, and entertainment are included in our program.

Our offerings are on the next page. Please consider becoming a sponsor for our 2022 event. All sponsorship levels are equally important to us, and each offers a great opportunity for your business or organization to be spotlighted at our event.

Watch our website for our schedule and programming as it is finalized so you can see exactly what your sponsorship funds are going towards.

We look forward to hearing from you!

Sincerely,

Paul Burnham

Sponsorship Packages

Each option offers your organization a great opportunity to spotlight what you do in front of everyone who attends our event or views our print and digital marketing for the event. All packages will include your business name or logo on the event page on our website, in print materials for the event (Sponsorship information must be received before October 20th, 2022, in order to make the print deadline), and will proudly be displayed at the event.

Unless otherwise noted, all sponsorship opportunities are unique (there will only be *one* sponsor for our stage, for example.) Please return your form as early as possible so that you may secure your selected sponsorship.
