Please read before publishing your local 2026 fair brochure/website

Special Notice

The following policy was established by the Directors of the Association of Connecticut Fairs:

Any member fair wishing to participate in the State Adult Baking and Apple Pie contests must clearly identify in their local fair brochure/website who is responsible for paying for the winning contestant's dinner at the Fair Association's Fall Meeting. This policy also applies to the Junior Baking Contest and a guardian.

Submitting Winners

A form has been provided in the Ribbon Packet for submitting the winners of the Adult Baking, Junior Baking and Two-Crusted Apple Pie Contest winners. A pre-addressed envelope is also included. Please apply postage before placing in the mail.
The Winners Form (PDF) is available at the website for the Baking Contests.
Please complete all the information on the form. By providing the number of entries for each of the contests we can see how we are doing with the baking contest recipes.
