PARKER MCCOLLUM JANUARY 2021

FACILITY HISTORY

Every year the Cadence Bank Center has the privilege to host more than 200 different events. Each function is special to us, and that versatility plays such a big role in how we operate. Our knowledgeable and courteous staff, with over 100 combined years of event planning, will help select the perfect facility to accommodate your function. Flexibility is what it's all about and our staff is capable of handling a variety of different exciting events.

With more than 455,000 square feet, our Cadence Bank Center staff is the largest of its kind in Central Texas. We offer a selection of rooms that can suit whatever event you might have in mind.

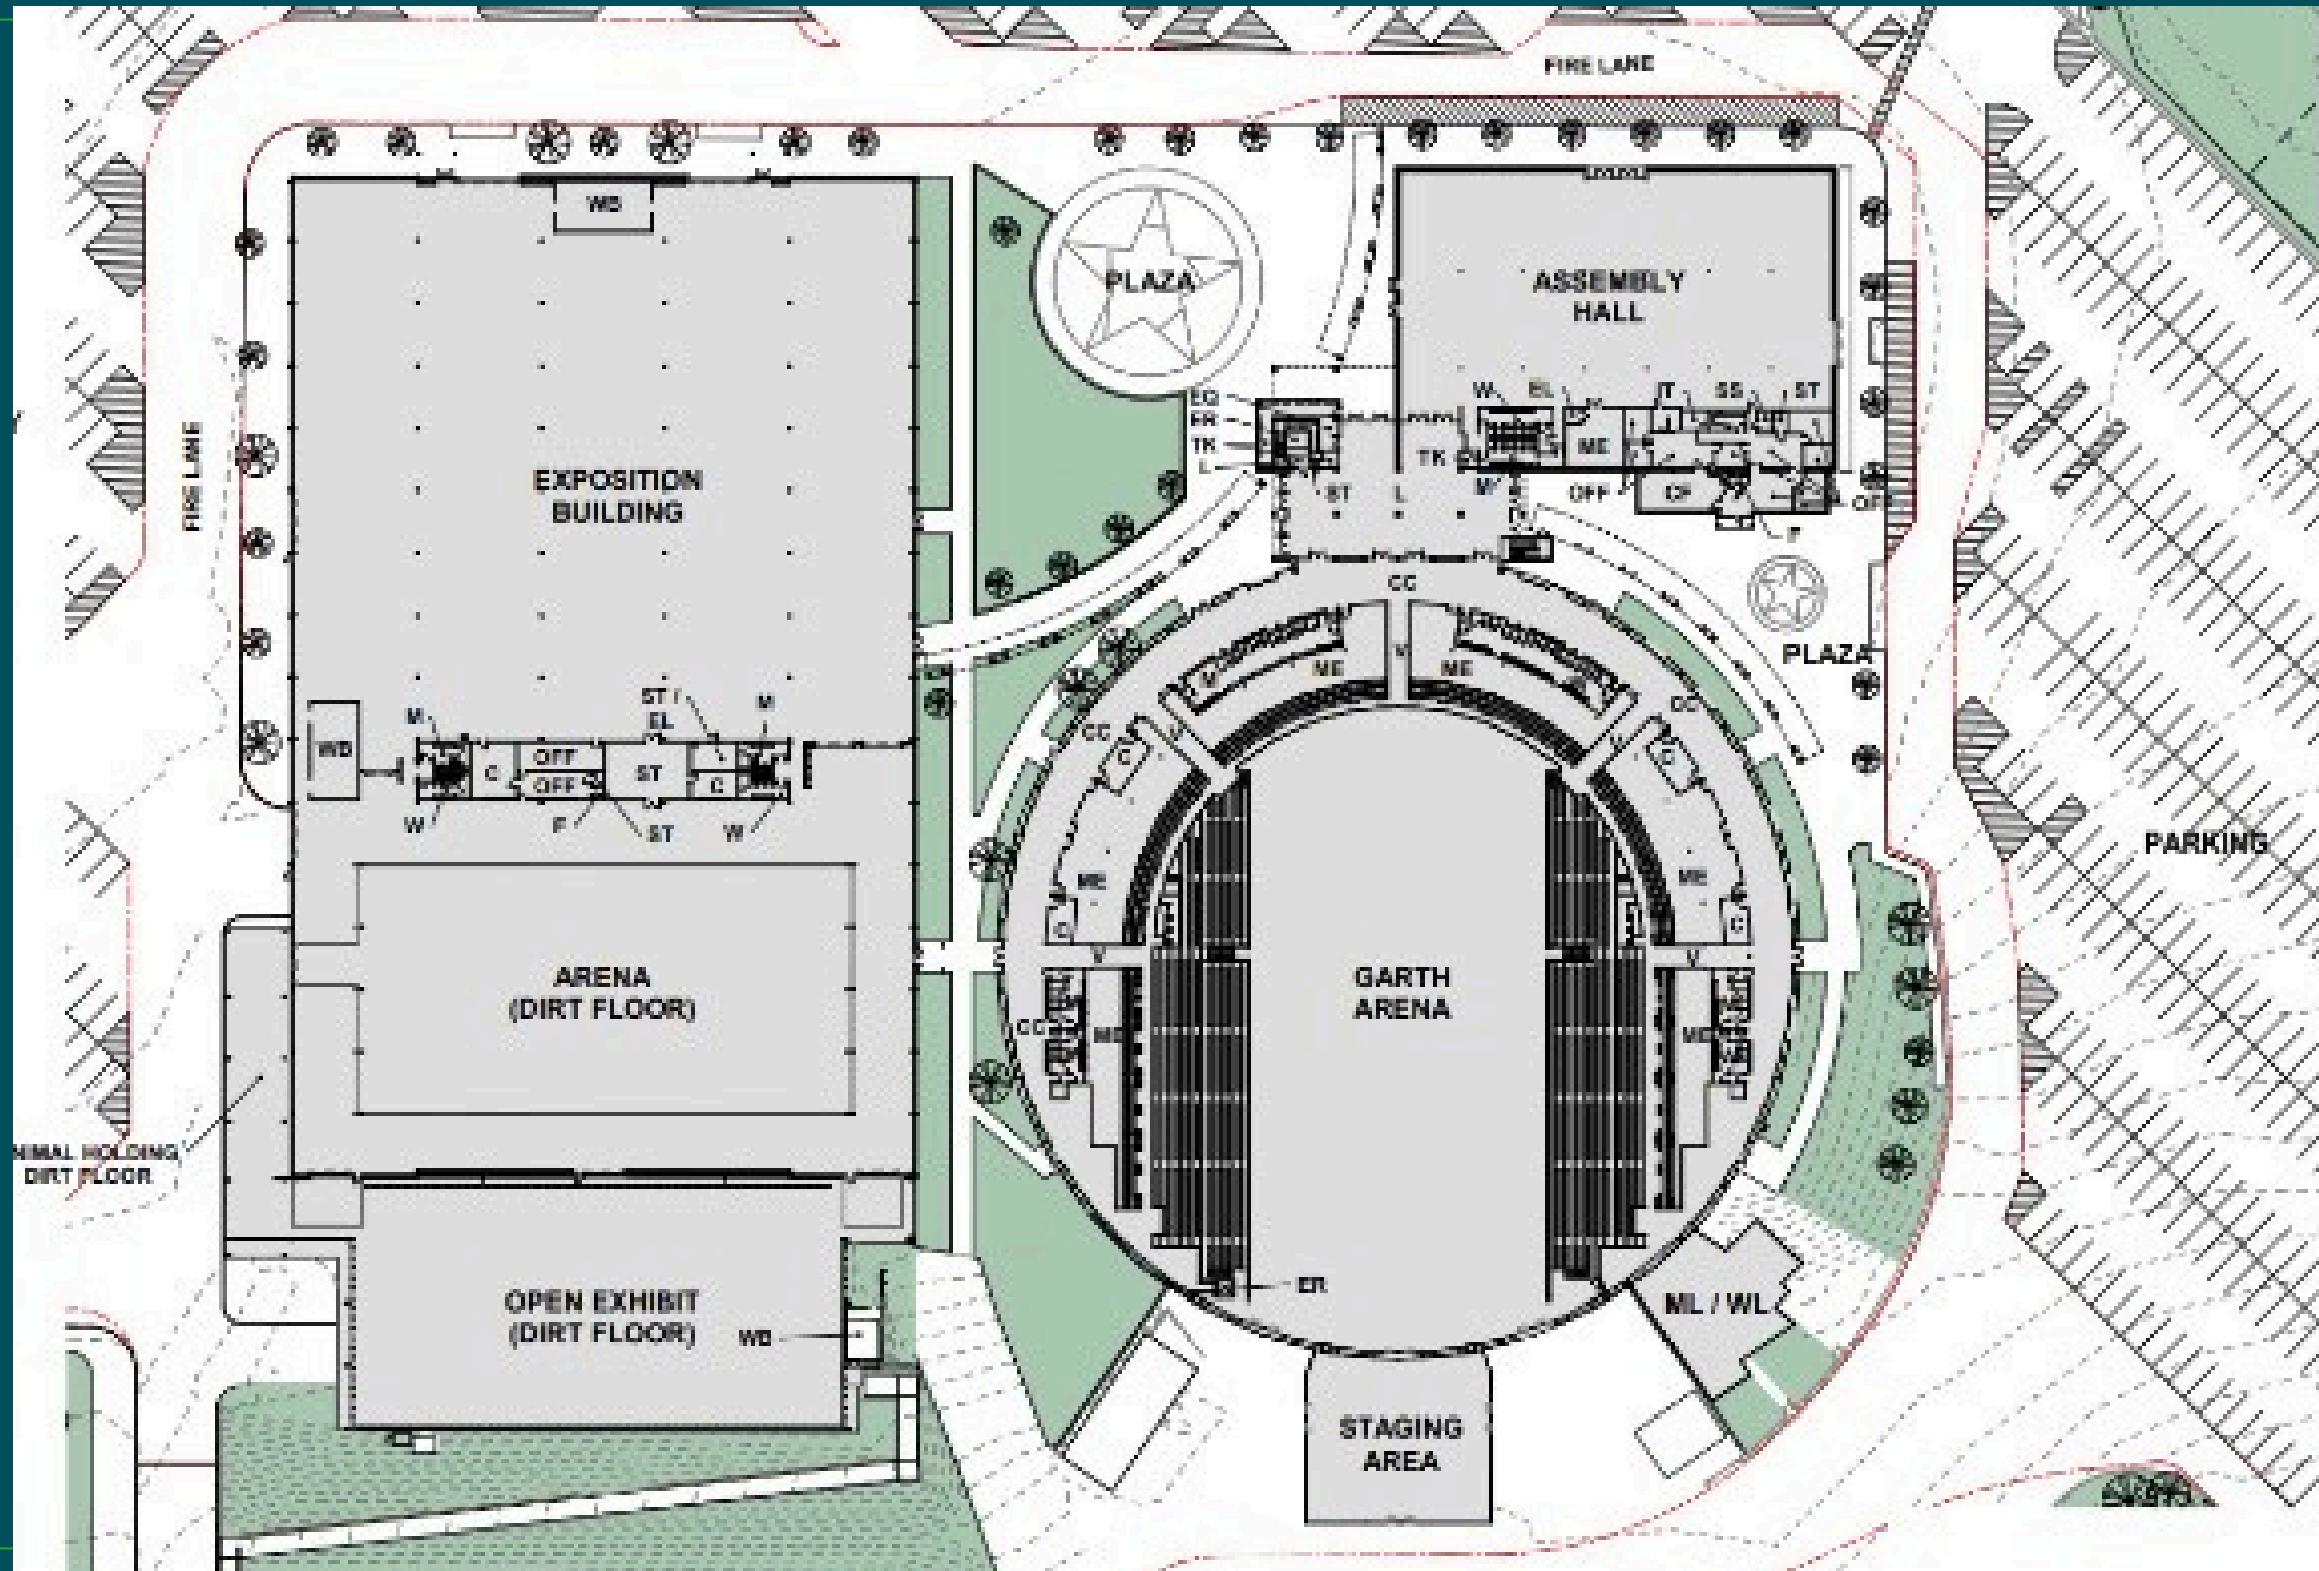

Whether you're in search of great music, championship rodeos, or exciting MotoSports action, the Cadence Bank Center, home of the Central Texas State Fair, is truly the center of it all. We offer a wide variety of events throughout the year that provide entertainment for the entire family. Should you need space to host your own good time, we've got plenty of that too. We offer a selection of rooms that can each be made available to suit whatever event you might have in mind.

Conveniently located on I-35 from virtually anywhere in Texas, will take you to Central Texas' best entertainment center.

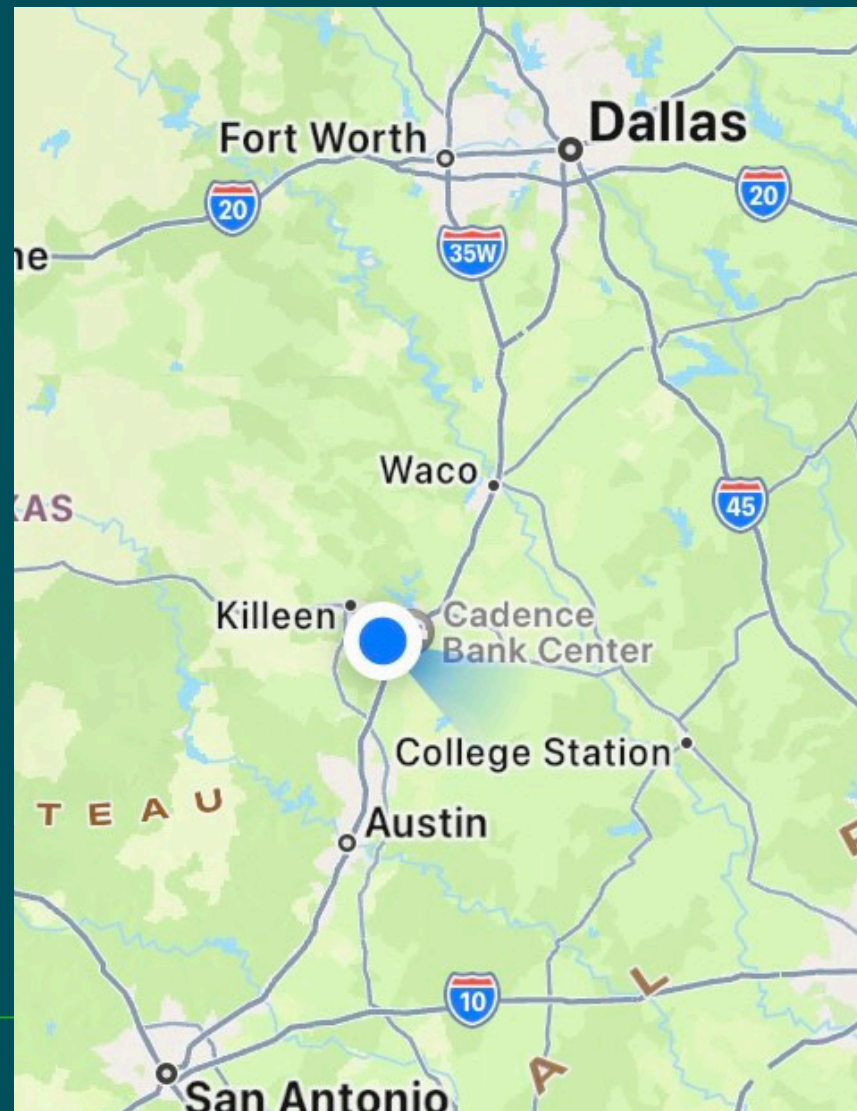

FOR KING & COUNTRY APRIL 2023

FACILITY LAYOUT MAP

FOREIGNER APRIL 2022

FIRE & LIFE SAFETY

Permits, Inspections and Approvals

- Permits are typically not required by the City of Belton for specific materials and/or effects. A fire inspection may be required for events.
- All events that will be placing objects or people in egress areas (i.e. lobby, displays, camera operators in aisles, stage thrusts) may need to get approval from the City of Belton Fire Dept. or Fire Safety before the event can take place.

Pyrotechnics

- See Event Coordinator for assistance. A demo may be required.

Open Flame Devices

- Open flames are not allowed in the City of Belton, unless approved by the Belton Fire Department.

Stand-By-Inspection

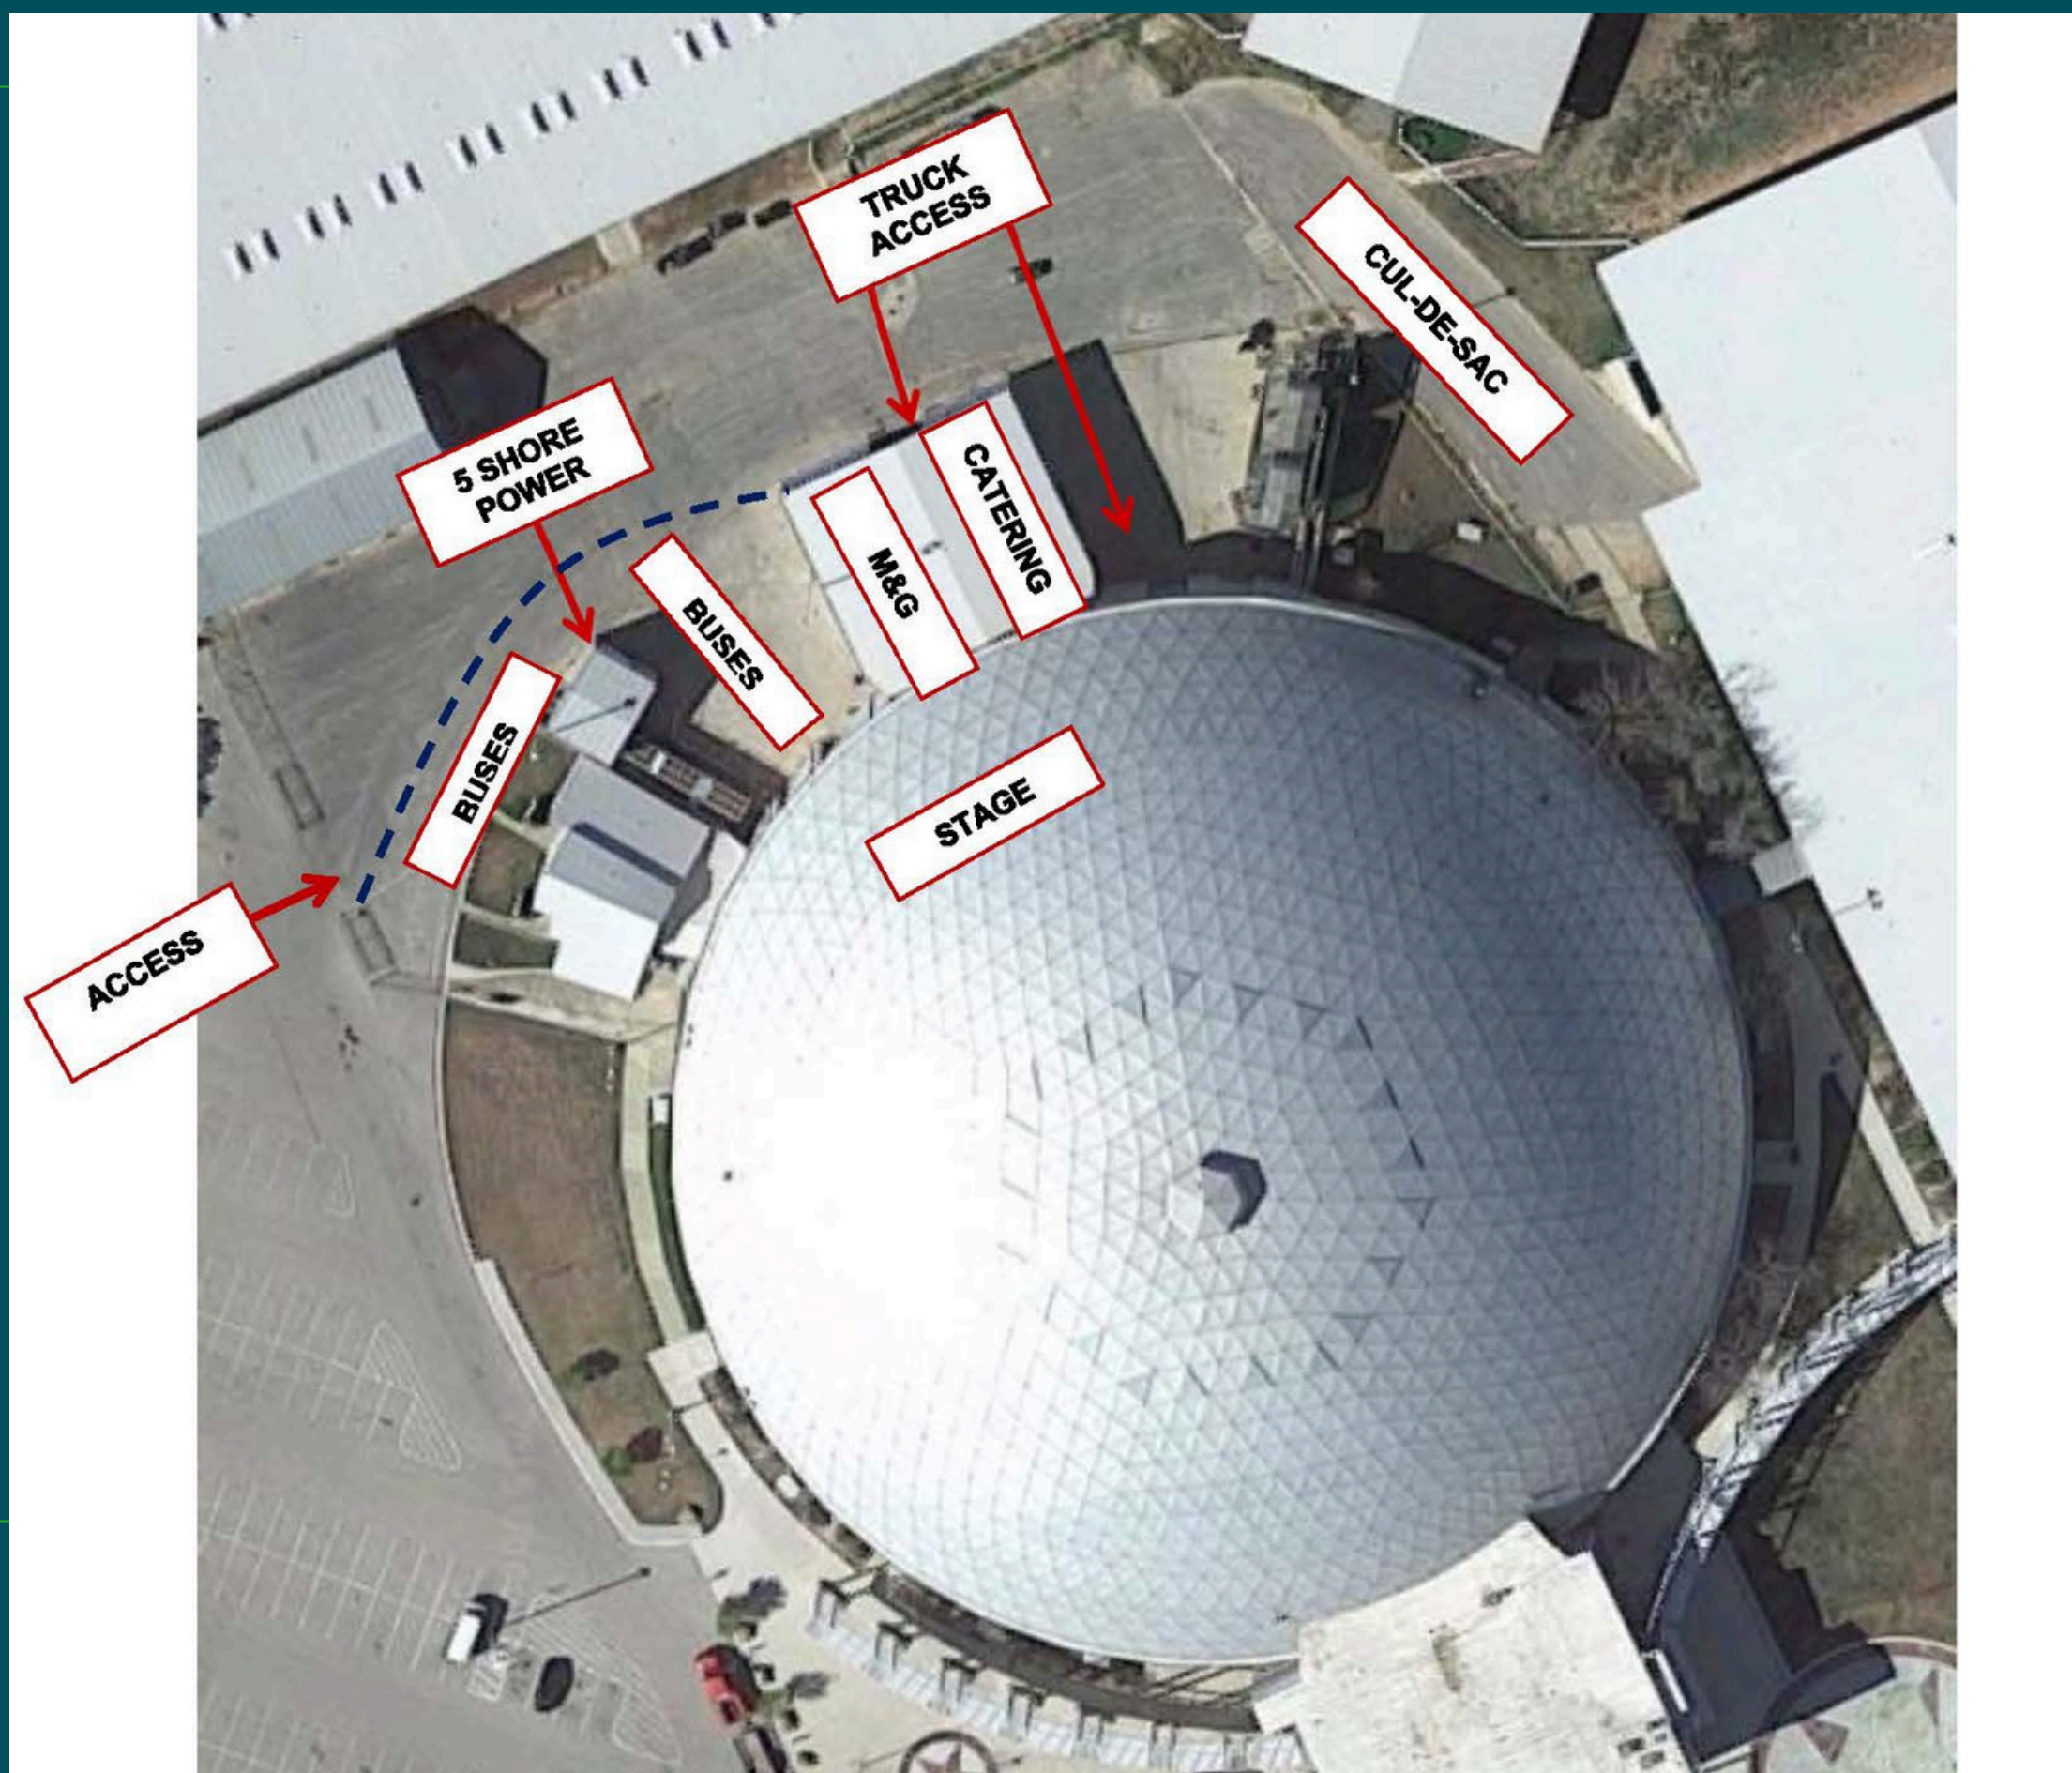

- A Fire inspection may be required for all public events.

Emergency Equipment

- Fire Sprinklers, smoke sensors, and fire extinguishers are located throughout the center.
