

STOP THE RODEO BAN

It's happening in Los Angeles NOW and it's just a matter of time before it happens in your area!

It is time to act to preserve rodeos and many other events that are part of our western heritage. The Los Angeles City Council is pushing an ordinance forward to ban rodeos in Los Angeles. The language is broad and will reach into other areas that impact the western way of life and other events that include livestock.

The most important thing you can do is to submit respectful comments in support of rodeo and other western sports events directly to the City Council.
