b) Run past end marker – Stop – Rollback left – Go to center of Track.
c) Lope large fast circle to the left on left lead.
d) Lope small slow circle to the left.
e) Jog small circle to the right.
f) Lope large fast circle to the right on right lead.
g) Change to left lead at turn.
h) Continue around end of Track and begin rundown – past center Stop - Back at least 10 feet.
i) Do a 360 turn either right or left.
j) Do a 360 turn in the opposite direction.

Hesitate to show completion of pattern.

Directly after the pattern, the contestant will center her horse on the track and face the grandstands, dismount her horse (do not take reins over head of horse) and then remount her horse. After remounting, the contestant will walk her horse to the NORTH end of the track to exhibit her presentation run. Creativity on the presentation run will be taken into consideration. Contestant will only be required to dismount/mount and make a presentation run on her own horse.
