

November 24, 2020

FOR IMMEDIATE RELEASE

2020 NEW YEAR'S EVE BUCK & BALL HAS BEEN CANCELLED

GILLETTE, WY, NOVEMBER 24, 2020- As we all know, 2020 has been crazy to say the least, very unpredictable with hardships that we have all endured. Our industry and community are resilient and an innovative breed! Our western lifestyle roots and perseverance through many hardships have only prepared us all for this moment in time.

It is with much regret, but the 19th Annual Kissack Water & Oil New Year's Eve Buck & Ball along with CINCH has been cancelled for 2020. Our team has worked very hard and waited as long as we could, but with the new health orders issued by the WY State Health Officer that will take effect today, November 24th, it states they will reduce the size of indoor and outdoor gatherings.

With this, it has limited us to produce the top-notch show that our sponsors and community come to expect. We are resilient and we will prevail! 2021 Buck & Ball will be double the fun!

For further information please contact, Tif Robertson, Event Coordinator, T-N-T Events, at robertson1116@gmail.com.
