And make your own rules. The Canfield Fair will supply a collection of 10 fat quarter rolls of fabric. These 10 colorful pieces are a 1/4 yard of fabric approximately 18x21. Use some amount of each color of the fabric, your creativity and any other supplies with any technique to make an entry. The packaging gives you a website and instructions to complete this project. **DO NOT** follow those instructions. Create a ONE OF A KIND entry. To pick up one box/package of the 10 available, bring your entry form and entry fee to the Fair Administration Building (#20) starting **June 1** from 9:00-4:00 Monday - Friday. **Entrants must be 16 or over.**

**WE NOW PRONOUNCE YOU CREATIVE AND TALENTED**

We are gathered here today to witness your creativity. Take that wedding dress out of the box in the attic (or purchase one) and make something out of it. Remember that special day each time you look at the item that you created from the most important dress of your life.

**FIDGET, ACTIVITY, BUSY, DISTRACTION**

Fidget, Activity, Busy, Distraction... No matter what you call these aprons... They work! Construct a durable, machine washable full apron with tightly secured "activities" to help Alzheimer's, dementia or head trauma patients perform fine motor skills, familiar actions with motor/sensory stimulation. You can search the internet for ideas, but here are some things to think about ... dressing skills, multiple textures/surfaces, tactile stimulation, and color. When you receive your entry tag in the mail, please indicate on the back whether this is for donation to a local organization (exhibitor keeps the ribbon/prize money) or for a loved one to be returned to the exhibitor at the end of the fair. These entries will be judged and then donated (signature is required at bottom of entry form.)

362. Fidget, Activity, Busy, Distraction

**175 YEARS OF QUILTED MEMORIES**

Exhibitors are asked to create a fair or fall themed 10 x 10 quilt square with a 1/2 inch seam allowance in mind. The squares will be displayed and judged with winners receiving ribbons and premiums at this fair, but ALL squares become the property of the Canfield Fair (signature is required at bottom of entry form.) Our plan is to make and raffle a quilt using the squares from the 175<sup>th</sup> Canfield Fair. Monies raised from the sale of the quilt(s) will benefit the Arts and Crafts department and the new Event Center/Home of the Junior Fair.

**This contest is open to Juniors 12 years old and under.**

This recipe was a favorite of Irene's to make with her grandchildren, with whom she loved to share her kitchen and baking wisdom.

1½ teaspoons baking soda  
4 cups flour  
2 teaspoons baking powder  
1 teaspoon vanilla  
Pinch of salt  
24 unwrapped Hershey Kisses

Blend all ingredients, except Hershey Kisses, together in order until the cookie base is soft and can be rolled into a ball.

Roll cookie balls in sugar and place on cookie sheets.

The recipe **MUST** be followed exactly as printed, with no alterations or changes permitted. Entries will be displayed on plates provided by the fair. An entry is four (4) rolls.

**794. Cloverleaf No-Knead Dinner Rolls**

- 9 cups flour
- 1 cup sugar
- 4 cups of milk
- 1 cup vegetable oil
- 1 teaspoon baking powder
- 1 teaspoon baking soda
- 2 Tablespoons salt
- 2 packages active dry yeast

*"The smell of good bread baking, like the sound of lightly flowing water, is indescribable in its evocation of innocence and delight." – M.F.K. Fischer*

**Make the dough:** Begin by pouring 4 cups of milk into a stock pot or Dutch oven. Add one cup of sugar and one cup vegetable oil. Stir to combine. Turn burner to medium to medium low and scald the mixture. Before the mixture boils, turn off heat. Allow the mixture to cool to warm or lukewarm (a good temperature is between 90-110). Add 4 cups of flour and sprinkle in two packages (4 and ½ teaspoons) of active dry yeast. Stir together to get the yeast into a completely combined warm moistness. Add another 4 cups of flour. Stir together and allow to sit covered with a towel or lid for 1 hour. After an hour the dough should have doubled in size – add 1 cup of flour, one heaping teaspoon of baking powder, one scant teaspoon of baking soda, and two Tablespoons of salt. Stir together until combined.

**Make the rolls:** Butter one or two muffin pans. To form the rolls, pinch off a walnut sized piece of dough, roll the dough into a ball, repeat and tuck three balls of dough into each buttered muffin cup. Continue until pan is full. Cover and allow the rolls to rise 1-2 hours.

**Bake the rolls:** 400 degrees or until golden brown for 17-20 minutes.

Makes 24 rolls.
