"175 Years and Still Crowing"

2020 was a year no one has ever experienced in our lifetime due to Covid-19. There have been a lot of loved ones lost through this dreadful pandemic and many lives changed forever. Now with the vaccine in place and cases going in the right direction, we plan on having the biggest and best fair ever for the 175th anniversary. Unfortunately the 174th fair had to be reduced to a Junior Fair only event which turned out to be very successful thanks to all the advisors, volunteers, parents and youth. Also special thanks to all the buyers who supported the Junior Fair auction.

It is amazing to me how far agriculture has come in the last 175 years. At that time a large majority of our ancestors were farmers. Today less than 2% of the population is farming. Therefore it is very important to continue to educate our community in the ways of agriculture. From the horse drawn equipment which can be seen in our antique equipment display to the state of the art equipment you can view in machinery row.

As far back as I can remember, our fair has been considered one of the best county fairs in the State. The fair board has strived to make it better by building a new Junior Fair Event Center. This Junior Fair Event Center was a joint effort by the Fair Board and the surrounding community which generously provided donations to this project.

The Canfield Fair Board would like to welcome back all the volunteers, exhibitors, concessionaires and faithful fairgoers to the 175th Canfield Fair. Our theme this year is "175 Years and Still Crowing". Please return to our Fair and "Crow" with us as we celebrate 175 years of bringing the very best to you!

LIVESTOCK TAMPERING AND/OR MISREPRESENTATION

TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership, custody and any other irregularity in showing will be considered fraud and deception. To maintain a high degree of confidence and integrity in the livestock shows, the agricultural society reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor's assistants who fitted the animal involved.

Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial tailheads, switches, polls, hair and heels, as well as any attempt to change the conformation and degree of firmness, by administration of fluids or air internally or externally in a liquid, solid, or gaseous state. Transparent grooming materials only may be used.

THE USE OF CLENBUTEROL AND OTHER UNAPPROVED DRUGS IS PROHIBITED.

All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be barred from exhibiting or showing at this fair and will forfeit all premiums, prize money and awards won in any junior fair and/or open class divisions.

SHOULD FRAUD OR DECEPTION, AND PROOF, AS DETERMINED BY THE AGRICULTURAL SOCIETY, BE DISCOVERED AFTER THE ANIMALS HAVE BEEN SHOWN AND PRIOR TO THE SALE, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

SHOULD VIOLATION BE DISCOVERED AFTER THE SALE, all sale money shall be returned to the buyer and the animal, carcass or carcass value shall be returned to the exhibitor. All placings in show will stand. No animals will move up. Any carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete.

IF THE CARCASS IS CONDEMNED at the packing plant for any reason, it shall be grounds for disqualification in the on-foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

RULE VIOLATIONS

In the question of a rule violation, the following due process will be used: The exhibitor and/or parties involved will be questioned by Fair officials. If it is felt a violation has occurred, Fair officials will make recommendations to the designated committee of the agricultural society which is appointed to that particular department. After the committee hears the allegations and/or evidence, they will decide if the case should be brought before the full Board of Directors.

In the decision of allegations being brought before the Board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence.

Upon hearing the case, the Fair Board will make a ruling.

When satisfactory evidence has been obtained by the Fair Board that any of the livestock rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future agricultural fairs. The minimum number of years for disbarment is three (3) years before the right to a review. In case any premium shall have been awarded to animals shown in violation of this rule, the Fair Board will require the exhibitor to refund *all* premiums, trophies, awards, ribbons and sale money under each violation. Unless fraud and/or deception are involved, all championship placings stand.

ROOSTER CROWING CONTEST

Open to Poultry Exhibitors at CANFIELD FAIR — LABOR DAY, 2020

What is a Rooster Crowing Contest?

It's a contest to determine how many times a rooster can crow during a 30 minute period.

How are the birds made to crow?

They are not MADE to crow. They crow of their own volition...Experience has shown that a rooster crows most in his home surroundings, so it is best to cage him several days before the contest and move him about in strange surroundings. It is also best to keep the cage covered or dark and to take off the wraps just before the contest starts. This fools him into thinking it is morning.

SOUND INTERESTING? YES, INDEED!

Plan Now to Enter or Attend the Contest!

TWO CLASSES

Class 1 — Under 16 years of age. Class 2 — 16 years and over.

AWARDS FOR EACH CLASS

HAVE A GREAT YEAR AT THE FAIR!!

This page is dedicated to all those whose lives were changed by the COVID-19 pandemic. Front line workers kept us safe at a risk to their own lives. Essential workers kept our country running as we dealt with the daily changes. Businesses and families adapted to make home an office and a school. Political leaders and scientists made decisions to protect us and advance our understanding. Those who had more gave to those who had less. We all shared the grief as people – family and friends – became statistics during the growing cases. We grieved the loss of people, the loss of normalcy, and the loss of traditions. Future generations will learn about our determination and resilience in history classes. We have lived it, felt loss during it, and learned from it.

Thank you
