LIVESTOCK TAMPERING AND/OR MISREPRESENTATION

TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership, custody and any other irregularity in showing will be considered fraud and deception. To maintain a high degree of confidence and integrity in the livestock shows, the agricultural society reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor's assistants who fitted the animal involved.

Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial tailheads, switches, polls, hair and heels, as well as any attempt to change the conformation and degree of firmness, by administration of fluids or air internally or externally in a liquid, solid, or gaseous state. Transparent grooming materials only may be used.

**THE USE OF CLENBUTEROL AND OTHER
UNAPPROVED DRUGS IS PROHIBITED.**

All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be barred from exhibiting or showing at this fair and will forfeit all premiums, prize money and awards won in any junior fair and/or open class divisions.

SHOULD FRAUD OR DECEPTION, AND PROOF, AS DETERMINED BY THE AGRICULTURAL SOCIETY, BE DISCOVERED AFTER THE ANIMALS HAVE BEEN SHOWN AND PRIOR TO THE SALE, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

SHOULD VIOLATION BE DISCOVERED AFTER THE SALE, all sale money shall be returned to the buyer and the animal, carcass or carcass value shall be returned to the exhibitor. All placings in show will stand. No animals will move up. Any carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete.

IF THE CARCASS IS CONDEMNED at the packing plant for any reason, it shall be grounds for disqualification in the on-foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

RULE VIOLATIONS

In the question of a rule violation, the following due process will be used:

The exhibitor and/or parties involved will be questioned by Fair officials. If it is felt a violation has occurred, Fair officials will make recommendations to the designated committee of the agricultural society which is appointed to that particular department. After the committee hears the allegations and/or evidence, they will decide if the case should be brought before the full Board of Directors.

In the decision of allegations being brought before the Board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence.

Upon hearing the case, the Fair Board will make a ruling.

When satisfactory evidence has been obtained by the Fair Board that any of the livestock rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future agricultural fairs. The minimum number of years for disbarment is three (3) years before the right to a review. In case any premium shall have been awarded to animals shown in violation of this rule, the Fair Board will require the exhibitor to refund *all* premiums, trophies, awards, ribbons and sale money under each violation. Unless fraud and/or deception are involved, all championship placings stand.

ROOSTER CROWING CONTEST

Open to Poultry Exhibitors at CANFIELD FAIR — LABOR DAY, 2023

What is a Rooster Crowing Contest?

It's a contest to determine how many times a rooster can crow during a 30-minute period.

How are the birds made to crow?

They are not MADE to crow. They crow of their own volition...Experience has shown that a rooster crows most in his home surroundings, so it is best to cage him several days before the contest and move him about in strange surroundings. It is also best to keep the cage covered or dark and to take off the wraps just before the contest starts. This fools him into thinking it is morning.

SOUND INTERESTING? YES, INDEED!

Plan Now to Enter or Attend the Contest!

2023 Year of the Rabbit Sculpture

Celebrate the Chinese New Year of the Rabbit with a freestanding sculpture. Sculpture must be structurally sound and easy to move, maximum size 5 feet in all directions. Youth, adult, professional; group, class or family allowed if entered under one name. Enter the Rabbit hole and have fun!

Miniatures in Art

*Youth, Amateurs & Professionals may enter. **LIMIT 2**, please.*

Miniature paintings and sculpture are fine art on a small scale. As a guideline, the small-scale definition is that a subject should be no larger than 1/6th of actual size (human head is approximately 9" so a painted head should be no larger than 1½"). An important test for the miniature piece is how well its minute detail withstands scrutiny under magnification. Please follow hanging requirements.

Textile Tapestry

An art quilt stitched and layered textile incorporating any material and employing any technique. Explore the many options of felting, weaving, embroidery, quilting, or needlework using non-traditional, creative techniques. The tapestry must be "wall ready" to hang. Maximum size is 20" x 20" or 400 sq. inches. Original design only.

The Fine Arts and Photography entry form is a separate form available online. The form MUST be submitted online, hand delivered or postmarked by August 1st. For more information, call 330-533-4107.
