AGRICULTURAL EXHIBITS

1. All animals must be shown by the Jr. Fair member who owns them, unless physically impaired; otherwise, another Carroll County Jr. Fair exhibitor must show the animal.
2. All livestock exhibits must be in the Jr. Fair exhibitor's complete possession by the second Saturday in May for all animals, except: beef & dairy steers (fall tag-in) and dairy beef feeders (March 25). Market chickens, ducks, and turkeys must be ordered through the Jr. Fair Sale Committee, and the possession deadline will be the date of delivery of the chicks. Ownership and possession is lost if the animal has been consigned or sold through an auction or other type of transaction, even if the exhibitor "buys back" the animal. If the exhibitor houses the animal away from their home, their advisor should be informed of the whereabouts of the animal.
3. Jr. Fair families (immediate) may tag-in animals as "family" animals. Each family is limited to tagging in four animals per exhibitor, with two being for market and two being for carcass. Dairy beef feeder exhibitors are limited to two calves each. Market animals will be identified to the respective exhibitor at the county fair weigh-in.
4. Registered animals must be registered in the name of the Jr. Fair member, in partnership with a parent, or in the family or farm name.
5. Each exhibitor of livestock is responsible for the care and feeding of their animals and the upkeep of pens at all times. Failure to do so will result in forfeiture of all club premiums and awards.
6. All animals shall be fed, watered, and pens must be cleaned by 9:00 am and then maintained daily. Market poultry pens must be cleaned by 9:00 am the day after they are dismissed. Following the fair, pens must be cleaned by 12:00 noon on Monday, July 24. Club premiums and exhibitor awards will be forfeited if pens are not cleaned daily or after the fair.
7. To ensure that the common areas of the Jr. Fair livestock facilities remain clean and presentable to the public, Jr. Fair officials will assign barn duty to clubs based on the numbers of entries their club has in each barn. Clubs will be responsible for signing in at the start of their shift in the Jr. Fair Office, and signing out at the end of their shift in the Jr. Fair Office. Failure to sign in and/or keep their assigned barn area cleaned during the club's barn duty will result in their club's premium money being withheld.

8. Animal pens/stalls will be checked at least once daily, if not more, for cleanliness and dryness by the Jr. Fair Coordinator and/or his/her designee(s). If a pen/stall is found to be unsatisfactory, a three strike policy will be followed.
 - (A) The first time a pen/stall is found to be unclean, a warning will be issued. The first warning will be posted via a prominent, fluorescent sign on the exhibitor's pen/stall.
 - (B) The second time a pen/stall is found to be unclean, a warning will be issued. The second warning will be posted via a prominent, fluorescent sign (*larger than the first warning's sign size*) on the exhibitor's pen/stall.
 - (C) The third time a pen/stall is found to be unclean, the exhibitor will be notified that they must remove the animal from the fairgrounds by 9 am the following day. The exception would be all market hogs, which must be taken to slaughter as soon as a slaughter house can take the animal. Additionally, the exhibitor will forfeit their ability to show that species at the Carroll County Jr. Fair for a period of one year.
9. No cleaning of pens between 6:00 – 8:00 am on Sunday, July 23. Market poultry pens may not be cleaned between 4:00 – 8:30 pm on the day of load out.
10. No barn decorations are to be removed until animals are dismissed.
11. Exhibitors are responsible for contacting the veterinarian of their choice to have their animals tested before the fair.
12. **Exhibitors will be assigned barn space by the Jr. Fair officials. These assignments may not be switched. Violators will have club premiums and exhibitor awards forfeited.** When feasible, Jr. Fair officials may assign exhibitor's Jr. Fair livestock to barn areas where their family's open entries are housed, except market livestock. All market livestock must be housed in their assigned Junior Fair area. Only animals to be shown in a Junior Fair class are permitted to be housed in the Junior Fair Barns.
13. No club premium money will be awarded unless all Jr. Fair requirements are met by the club's members. No chapter premiums will be awarded to a FFA chapter if FFA members' project books are not up to date.
14. All exhibits must be from the 4-H, FCCLA, Boy/Girl Scout project, or the FFA member's farming program.
15. Unruly animals that cannot be shown by the owner are not eligible for the market classes or sale.
16. Jr. Fair exhibitors shall not display "For Sale" signs on pens or stalls.
17. Tampering and/or misrepresentation as to breeding, age, ownership, and any other irregularity in showing will be considered fraud and deception. Any trophies, awards, or sale money won by such an exhibitor will be withheld. Any artificial means of removing or remedying the physical characteristics or confirmation of animals, such as lifting and filling, use of string, artificial heels, etc., will be considered fraud and deception. The use of artificial tail head or altering the natural color of any animal shall be considered fraud and deception. No coloring may be used. All animals giving evidence of such treatment shall be dismissed from the competition. Should fraud or deception be discovered after the animal(s) has been shown and prior to the sale, such animal(s) shall not be permitted to sell.
 - (A.) The animals placing next in line shall move up.
 - (B.) Should the violation be discovered after the sale, all sale money shall be returned to the buyer and the animal or carcass returned to the exhibitor. In all animal classes, these regulations will be in full force and effect.
18. If any exhibitors, parents, or other parties suspect or have information about any type of rule infractions or animal mistreatment, it should be brought to the attention of any of the Jr. Fair officials. When such infractions are discovered, they will be investigated, and a ruling will be made by a grievance committee, when appropriate.
19. Individuals and/or families found to violate rules concerning fraud and deception may be barred from showing the species in question, for a period of one year.
20. Animals tagged for identification purposes must arrive at the fair weigh-in with original tags in the ears. The Jr. Fair Coordinator (Lynden Ferguson – 330-627-2300 x205) must be notified immediately if ear tags are lost or become separated from the animal before arrival at the fair.
21. All underweight animals may be shown and not sold only if the fair veterinarian determines they are healthy.
22. The market hog show will be a terminal show, and all market hogs brought onto the fairgrounds must be slaughtered immediately following the fair. This includes underweight hogs and other hogs not sold in the Jr. Fair Livestock Sale. If you have an underweight hog or other hog not

sold in the fair sale, you must sign an affidavit attesting that your particular hog will be sold for slaughter immediately after the fair.

23. Breeding gilts will not be housed on the fairgrounds, and will be judged via a video recording.
24. No common watering tubs/troughs will be permitted.
25. CARROLL COUNTY JR. FAIR PORK CARCASS SHOW RULES

1. While the data is a tool to aid the ranking of carcasses, the judge reserves the right to make official placing based on current industry practices and markets. All decisions made by the judge are final.
2. There will be no minimum or maximum live weight.
3. Hanging carcass weights are 160-225 lbs. Carcasses not meeting weight rules will not be judged. The carcass weight will be factored into the equation.
4. If the heads are not removed during slaughter, a base weight will be determined by the judge and subtracted from all hot carcass weights.
5. Pork carcasses will be assessed on their lean quality and placed into categories (acceptable, marginal, and PSE/unacceptable), and then ranked on % fat-free lean within their respective lean quality category.
6. To meet the minimum quality threshold for acceptable, carcasses must score at least a two (2) in each of the following categories:
 - Visual Color (Scale of 1 to 6)

1 – Pale, pinkish gray to white	4 – Dark reddish pink
2 – Grayish pink	5 – Purplish red
3 – Reddish pink	6 – Dark purplish red
 - Visual Wetness (Scale of 1 to 3)
 - 1 – Exudative with excessive fluid on loin surface
 - 2 – Cut loin surface appears moist, with little or no free water on surface
 - 3 – Cut loin surface exhibits no evidence of free water
 - Visual Firmness (scale of 1 to 3)
 - 1 – Soft: cut loin surface distorts easily and is visibly soft
 - 2 – Firm: cut loin surface tends to hold its shape
 - 3 – Very firm: cut loin surface tends to be very smooth with no distortion of shape
7. If a carcass has a one (1) in one or two of the categories, it will be classified as marginal.
8. If a carcass has a one (1) in all three categories, it will be classified as PSE/unacceptable, and will not be eligible for champion or reserve.
9. Carcasses that meet the quality threshold acceptable will be ranked in order of % fat-free lean followed by carcasses that do not meet the quality threshold and are considered marginal, ranked in order of % fat-free lean. Any carcasses classified as pale, soft, and exudative (PSE/unacceptable) will be ranked accordingly.
10. Determining % Fat Free Lean:
$$\% \text{ Fat-Free Lean} = (\text{lbs. of Fat-Free Lean} / \text{Hot Carcass Weight}) \times 100$$
11. Determining lbs. of Fat Free Lean:
$$\begin{aligned} \text{lbs. of Fat Free Lean} = & 8.588 - 21.896 \times 10\text{th Rib Back Fat Depth (BF)} \\ & + 3.005 \times 10\text{th Rib Loin Muscle Area (LMA)} \\ & + 0.465 \times \text{Hot Carcass Weight} \end{aligned}$$
12. The carcasses disqualified for weight reasons will be listed at the end of the results.
13. All carcasses must have a minimum of 0.5 inches of back fat to be eligible for champion or reserve. All carcasses not meeting the back fat requirement will be placed at the end of their respective quality group.
14. All exhibitors must pay \$2.00/head for every animal delivered to the carcass contest to help cover the cost of a judge. Payment will be collected at carcass drop-off.

 - III. Each project must be completed according to the requirements of the organization the exhibitor is representing (i.e. 4-H members must complete project knowledge judging, etc.)
 - IV. 4-H Projects that ARE eligible to sell include: COP-365, 406, 407, 408, 409, 410, 411, 412, 413, 415, 417, 418, 419, 420, 424, 426, 432M, 491, 494, 497, 498, 499, 540, 527, 528, 529, 556, 557, 558, 559, 560M, 573, 584, 585, 586, 589M, & 592. Any Self-Determined Project that can fit into any of the eligible project areas will also be allowed to sell. If a project is NOT listed, then it is ineligible to sell.
 - V. In addition to the project evaluation required to complete the project, the exhibitor's sale item must be evaluated to determine whether the project meets the quality standards necessary to participate in the Still Project Auction. Each item will be evaluated using a rubric scoring system, which will cover Craftsmanship, Skill, & Consistency, Attractiveness, Durability, and Time & Effort. In order to participate in the Still Project Auction, the sale item must score at least 12 points to qualify for the auction. Rubric scoring is FINAL. The rubric is as follows:

	4	3	2	1
Craftsmanship, Skill, & Consistency	The project was beautifully and patiently done; it was as good as hard work could make it.	With a little more effort, the work could have been outstanding; lacks finishing touches.	The project showed average craftsmanship; adequate, but not as good as it could have been, a bit careless.	The project showed below average craftsmanship; lack of pride in finished work.
Attractiveness	The project shows that the creator took great pride in his/her work. The construction looks carefully planned. The item is neatly presented.	The project shows that the creator took pride in his/her work. The item has a few flaws, but they do not detract from the overall look.	The design and construction were planned. The project has several flaws that detract from the overall look.	The project looks thrown together at the last minute. It appears that little design or planning was done.
Durability	The project was built to last through multiple uses/applications.	Most of the project was sturdy, but there are a couple of pieces that might need extra care when wearing/using it.	The basic structure of the project is sturdy, but many of the details are fragile.	The project is flimsy and falls apart easily. It may not last.
Time & Effort	The project exhibits that much time and effort went into the planning and design of the project. It is clear the exhibitor worked hard on the project.	The exhibitor could have put more time and effort into the project, but it appears that effort was put forth.	The project appears to be rushed and thrown together. Little effort was put forth.	The project is poorly put together with very poor effort on the part of the exhibitor.

- VI. Upon completion of Still Project Knowledge Judging, all potential sale items MUST undergo rubric evaluation. Sale items must undergo rubric evaluation by the conclusion of the Project Knowledge Judging Day. Failure to undergo rubric evaluation for potential sale items will forfeit participant's eligibility to sell. This includes anyone not participating in the 4-H Still Project Judging (i.e. Scouts or FFA). The Jr. Fair will not be held responsible for any item left at Knowledge

Judging. The item to be sold must then be brought to the AEP Speed Barn between 1:00 pm – 4:00 pm on Wednesday, July 19.

- VII. Only two items per eligible exhibitor may be sold each year. The items must be from two separate project numbers (4-H) or project type (Scouts), and appear on the approved sale project list. The items must be the actual ones made by the exhibitor for his/her project for the current year.

CARROLL COUNTY JR. FAIR 2023 ONLINE ENTRY INSTRUCTIONS

Please read prior to using ShoWorks On-Line Entries. On-Line Entries will be accessible May 15 – June 10, 20223

<https://carrol.fairwire.com>

Please note the web address uses 'carrol' and not 'carroll'

Step One: ACCESS WEBSITE

Access our ShoWorks On-Line Entry system at <http://carrol.fairwire.com>

Users must have JavaScript and Cookies enabled. Follow posted instructions.

*** There is no cost for this service!***

Step Two: LOGIN (Login either as an **Exhibitor** or a **Club Leader**.)

- **EXHIBITOR Login:** Exhibitors, please supply the requested personal information. New in 2020 was the ability to create a Passport account. This is highly encouraged, as it will allow you to have the same login info from year to year, see previous year entries, and it allows you the ability to make entries at other shows (that you are eligible for) that utilize Showworks. Passport is available online or via app for iOS or Android.
- **CLUB LEADER/CHAPTER Login:** Clubs/Chapters wanting to enter on-line, please use the 'quick group' option for login. Supply the requested information when prompted.

Step Three: CLASS/EXHIBIT ENTRY

- **YOU MUST ENTER ALL CLASSES YOU WISH TO PARTICIPATE IN!**
 - Each exhibit needs to be entered by Division and then class within that division.
 - Please be sure to fill out all areas completely to insure proper class assignment.
 - You do NOT need to declare which animal you will be using, if you tagged in multiple animals.

PLEASE NOTE THESE DIFFERENCES FOR ON-LINE ENTRIES:

- For still project items, you must select "YES" or "NO" from the drop down menu for the still project auction. This is the equivalent of selecting the "Still Project Auction" sale box on the paper entry form.
- Market animals – if you want to bring **two** market animals, you must make **two** entries.
- Outstanding Market Exhibitor – there will be no Outstanding Market Exhibitor class listed in the online system. Instead, please simply check the box for 'OME' when entering a market class. For example, if you wanted to enter the swine OME contest, please check the 'OME' box when entering the market hog class.

- Dairy beef feeders, market ducks, and market turkeys are listed as their own division. This is just for computer purposes, and they follow all rules as listed in the Jr. Fair Book.
- Horse entries will need to say “Trailer” or “Stall” on the website to indicate housing preference. Please list the horse’s name in the “Tag ID” Box.

Step Four: REVIEW & CONFIRM DATA ENTERED

- ShoWorks uses a two-step process for you to review your entry and to acknowledge compliance with the Jr. Fair rules and regulations. The word **YES** must be entered into the box at the bottom of the second screen before you can complete submission.

Step Five: SUBMIT/PRINT

- When you have completed your entries and confirmed adherence to rules, click on **Submit**. Please use the print option to create a hard copy of your submission! It is also suggested that you have your receipt emailed to you. These documents are your proof that you did indeed register on-line!

Step Six: ENJOYMENT – Sit back and relax!

- If you should have any difficulties/complications/fits of rage, please contact Wes Frew at 234-521-3909 OR send an email to carrollcountyjrfair@gmail.com.

DRUG USE NOTIFICATION FORM (DUNF)

1. Drug Use Notification Forms (DUNF) are only accepted online. Approximately one week prior to the Monday of the fair (or carcass drop off for carcass entries), an email will be sent to the email address used to make entries that will contain the link to the online drug form. **THESE MUST BE PROPERLY FILLED OUT AND SUBMITTED PRIOR TO WEIGH-IN AT THE FAIR!** Failure to fill out and submit the drug forms prior to weigh-in will result in the animal not being weighed, and consequently ineligible for competition.
 - The website address will be www.carrollcountyfairohio.com/dunf
2. A properly completed Drug Use Notification From (DUNF) is required for **EACH** animal (or pen) of the following species, due at the scales at the time of weigh-in:

Market Beef Steer	Market Dairy Steer	Pen of Market Chickens
Carcass Steer	Dairy Beef Feeder	Pen of Market Rabbits
Market Hog	Market Goat	Lactating Dairy Cattle
Carcass Hog	Carcass Goat	Lactating Dairy Goat
Market Lamb	Market Duck	
Carcass Lamb	Market Turkey	
3. To completely and correctly fill out a DUNF, please fully answer every prompt.
4. Market poultry exhibitors – if you do not know your leg/wing band numbers when completing the online form, please leave the ID box blank.
5. **IF AT ANY TIME AFTER SUBMITTING A DRUG FORM A MEDICATION IS GIVEN TO AN ANIMAL, A NEW DRUG FORM MUST BE SUBMITTED.** If during the fair, please see Ray or Wes.
6. If you have any questions about the online drug forms, please contact Lynden Ferguson (330-627-2300 x205), Wes Frew (234-521-3909), or Katrina Nitz (330-627-4310).
