## WHAT'S NEW IN 2024

- On-line entries (refer to the inside front cover and pages 46-47) are the only way to make entries. Creating a Passport account is highly encouraged, as it will allow you to have the same login info from year to year, see previous year entries, and it allows you the ability to make entries at other shows (that you are eligible for) that utilize Showworks. Passport is available online or via app for iOS or Android.
- The possession deadline for all livestock (excluding beef steers, dairy steers, dairy beef feeders, market ducks, market turkeys, and market chickens) is May 11<sup>th</sup> this year.
- To be eligible to participate in the Carroll County Jr. Fair, exhibitors must have their project books completed, as deemed by their respective organization, to be eligible for Knowledge Judging.
- Add art projects to the same size requirement as photographs (10"x12"). The framed and matted art/photo must be ready to hang. Clarify that the actual item must be 10"x12", and does not include matting.
- Merge the recipe card & product label, and list the required items on the rubric.
- Reduce the sampling quantity to 1 dozen for baked goods and 2 dozen to sell, for a total of 3 dozen minimum for still project auction food items.
- Still project exhibitors who have sold at least 3 years and are in good standing can opt out of Quality Assurance with the understanding that if they fail the rubric judging, do not meet deadlines, or dress improperly, they will not be permitted to sell at the auction.
- No decorations on wire of rabbit cages – only on white board below cage.
- Market animals can only show in market classes and breed animals can only show in breed classes.
- Hogs must be farrowed after December 1, 2023.
- Woold fleece contest: fleece must be shorn within the past year and owned by the exhibitor. Lamb fleeces are not acceptable. Each exhibitor may enter up to 5 fleeces.
- Allow dairy steers to compete in the beef steer carcass contest.
- All carcass animals must have cut sheets prior to being allowed to unload.
- Horses must be stalled by 11 AM, and the horse vet check will be at 11:30 AM.
- For horses, there will be a mandatory tack change before each discipline.
- Horses cannot cross enter between western and ranch.
- Add a groom and clean contest, which will follow Ohio 4-H Uniform Horse Rules.
- Horse classes have been updated and modified. Please see Horse Department of details.
- Families are limited to one cattle grooming chute per family. *(Note – this rule change is current as of the printing of this book; however, the Senior Fair Board has discussed modifying their rule change to allow for additional chutes. It is also proposed that chutes will only be permitted Tues-Fri. Please see the Junior Fair Coordinator, Lynden Ferguson, for any updates to this rule change.)*
- ODA has proposed changing the Chapter 901-19: Ohio's Livestock Tampering Exhibition Rules for 2024. If the new rules are enacted prior to the fair (anticipated June 2024), then exhibitors will be expected to adhere to the new rules.

2. All livestock exhibits must be in the Jr. Fair exhibitor's complete possession by the second Saturday in May for all animals, except: beef & dairy steers (fall tag-in) and dairy beef feeders (March 23). Market chickens, ducks, and turkeys must be ordered through the Jr. Fair Sale Committee, and the possession deadline will be the date of delivery of the chicks. Ownership and possession is lost if the animal has been consigned or sold through an auction or other type of transaction, even if the exhibitor "buys back" the animal. If the exhibitor houses the animal away from their home, their advisor should be informed of the whereabouts of the animal.
3. Jr. Fair families (immediate) may tag-in animals as "family" animals. Each family is limited to tagging in four animals per exhibitor, with two being for market and two being for carcass. Dairy beef feeder exhibitors are limited to two calves each. Market animals will be identified to the respective exhibitor at the county fair weigh-in.
4. Registered animals must be registered in the name of the Jr. Fair member, in partnership with a parent, or in the family or farm name.
5. Each exhibitor of livestock is responsible for the care and feeding of their animals and the upkeep of pens at all times. Failure to do so will result in forfeiture of all club premiums and awards.

Following the fair, pens must be cleaned by 12:00 noon on Monday, July 22. Club premiums and exhibitor awards will be forfeited if pens are not cleaned daily or after the fair.
7. To ensure that the common areas of the Jr. Fair livestock facilities remain clean and presentable to the public, Jr. Fair officials will assign barn duty to clubs based on the numbers of entries their club has in each barn. Clubs will be responsible for signing in at the start of their shift in

- the Jr. Fair Office, and signing out at the end of their shift in the Jr. Fair Office. Failure to sign in and/or keep their assigned barn area cleaned during the club's barn duty will result in their club's premium money being withheld.
8. Animal pens/stalls will be checked at least once daily, if not more, for cleanliness and dryness by the Jr. Fair Coordinator and/or his/her designee(s). If a pen/stall is found to be unsatisfactory, a three strike policy will be followed.
    - (A) The first time a pen/stall is found to be unclean, a warning will be issued. The first warning will be posted via a prominent, fluorescent sign on the exhibitor's pen/stall.
    - (B) The second time a pen/stall is found to be unclean, a warning will be issued. The second warning will be posted via a prominent, fluorescent sign (*larger than the first warning's sign size*) on the exhibitor's pen/stall.
    - (C) The third time a pen/stall is found to be unclean, the exhibitor will be notified that they must remove the animal from the fairgrounds by 9 am the following day. The exception would be all market hogs, which must be taken to slaughter as soon as a slaughter house can take the animal. Additionally, the exhibitor will forfeit their ability to show that species at the Carroll County Jr. Fair for a period of one year.
  9. No cleaning of pens between 6:00 – 8:00 am on Sunday, July 21. Market poultry pens may not be cleaned between 4:00 – 8:30 pm on the day of load out.
  10. No barn decorations are to be removed until animals are dismissed.
  11. Exhibitors are responsible for contacting the veterinarian of their choice to have their animals tested before the fair.
  12. **Exhibitors will be assigned barn space by the Jr. Fair officials. These assignments may not be switched. Violators will have club premiums and exhibitor awards forfeited.** When feasible, Jr. Fair officials may assign exhibitor's Jr. Fair livestock to barn areas where their family's open entries are housed, except market livestock. All market livestock must be housed in their assigned Junior Fair area. Only animals to be shown in a Junior Fair class are permitted to be housed in the Junior Fair Barns.
  13. No club premium money will be awarded unless all Jr. Fair requirements are met by the club's members. No chapter premiums will be awarded to a FFA chapter if FFA members' project books are not up to date.
  14. All exhibits must be from the 4-H, FCCLA, Boy/Girl Scout project, or the FFA member's farming program.
  15. Unruly animals that cannot be shown by the owner are not eligible for the market classes or sale.
  16. Jr. Fair exhibitors shall not display "For Sale" signs on pens or stalls.
  17. Tampering and/or misrepresentation as to breeding, age, ownership, and any other irregularity in showing will be considered fraud and deception. Any trophies, awards, or sale money won by such an exhibitor will be withheld. Any artificial means of removing or remedying the physical characteristics or confirmation of animals, such as lifting and filling, use of string, artificial heels, etc., will be considered fraud and deception. The use of artificial tail head or altering the natural color of any animal shall be considered fraud and deception. No coloring may be used. All animals giving evidence of such treatment shall be dismissed from the competition. Should fraud or deception be discovered after the animal(s) has been shown and prior to the sale, such animal(s) shall not be permitted to sell.

## CARROLL COUNTY JR. FAIR PORK CARCASS SHOW RULES

1. While the data is a tool to aid the ranking of carcasses, the judge reserves the right to make official placing based on current industry practices and markets. All decisions made by the judge are final.
2. There will be no minimum or maximum live weight.
3. Hanging carcass weights are 160-225 lbs. Carcasses not meeting weight rules will not be judged. The carcass weight will be factored into the equation.
4. If the heads are not removed during slaughter, a base weight will be determined by the judge and subtracted from all hot carcass weights.
5. Pork carcasses will be assessed on their lean quality and placed into categories (acceptable, marginal, and PSE/unacceptable), and then ranked on % fat-free lean within their respective lean quality category.
6. To meet the minimum quality threshold for acceptable, carcasses must score at least a two (2) in each of the following categories:
  - Visual Color (Scale of 1 to 6)

1 – Pale, pinkish gray to white	4 – Dark reddish pink
2 – Grayish pink	5 – Purplish red
3 – Reddish pink	6 – Dark purplish red
  - Visual Wetness (Scale of 1 to 3)
    - 1 – Exudative with excessive fluid on loin surface
    - 2 – Cut loin surface appears moist, with little or no free water on surface
    - 3 – Cut loin surface exhibits no evidence of free water
  - Visual Firmness (scale of 1 to 3)
    - 1 – Soft: cut loin surface distorts easily and is visibly soft
    - 2 – Firm: cut loin surface tends to hold its shape
    - 3 – Very firm: cut loin surface tends to be very smooth with no distortion of shape
7. If a carcass has a one (1) in one or two of the categories, it will be classified as marginal.
8. If a carcass has a one (1) in all three categories, it will be classified as PSE/unacceptable, and will not be eligible for champion or reserve.
9. Carcasses that meet the quality threshold acceptable will be ranked in order of % fat-free lean followed by carcasses that do not meet the quality threshold and are considered marginal, ranked in order of % fat-free lean. Any carcasses classified as pale, soft, and exudative (PSE/unacceptable) will be ranked accordingly.
10. Determining % Fat Free Lean:  
$$\% \text{ Fat-Free Lean} = (\text{lbs. of Fat-Free Lean} / \text{Hot Carcass Weight}) \times 100$$
11. Determining lbs. of Fat Free Lean:  
$$\text{lbs. of Fat Free Lean} = 8.588 - 21.896 \times 10\text{th Rib Back Fat Depth (BF)} \\ + 3.005 \times 10\text{th Rib Loin Muscle Area (LMA)} \\ + 0.465 \times \text{Hot Carcass Weight}$$
12. The carcasses disqualified for weight reasons will be listed at the end of the results.

In order to participate in the Still Project Auction, the sale item must score at least 12 points to qualify for the auction. Rubric scoring is FINAL. The rubric is as follows:

	4	3	2	1
<b>Craftsmanship, Skill, &amp; Consistency</b>	The project was beautifully and patiently done; it was as good as hard work could make it.	With a little more effort, the work could have been outstanding; lacks finishing touches.	The project showed average craftsmanship; adequate, but not as good as it could have been, a bit careless.	The project showed below average craftsmanship; lack of pride in finished work.
<b>Attractiveness</b>	The project shows that the creator took great pride in his/her work. The construction looks carefully planned. The item is neatly presented.	The project shows that the creator took pride in his/her work. The item has a few flaws, but they do not detract from the overall look.	The design and construction were planned. The project has several flaws that detract from the overall look.	The project looks thrown together at the last minute. It appears that little design or planning was done.
<b>Durability</b>	The project was built to last through multiple uses/applications.	Most of the project was sturdy, but there are a couple of pieces that might need extra care when wearing/using it.	The basic structure of the project is sturdy, but many of the details are fragile.	The project is flimsy and falls apart easily. It may not last.
<b>Time &amp; Effort</b>	The project exhibits that much time and effort went into the planning and design of the project. It is clear the exhibitor worked hard on the project.	The exhibitor could have put more time and effort into the project, but it appears that effort was put forth.	The project appears to be rushed and thrown together. Little effort was put forth.	The project is poorly put together with very poor effort on the part of the exhibitor.

## **CARROLL COUNTY JR. FAIR 2024 ONLINE ENTRY INSTRUCTIONS**

*Please read prior to using ShoWorks On-Line Entries.*

***On-Line Entries will be accessible beginning May 13, 20224. Deadlines are:  
 Entries - June 8; Late Entries (with late fee) - July 6; Picture Upload - July 13***

<https://carrol.fairwire.com>

**\*\*\*Please note the web address uses ‘carrol’ and not ‘carroll’\*\*\***

### **Step One: ACCESS WEBSITE**

Access our ShoWorks On-Line Entry system at <http://carrol.fairwire.com>

Users must have JavaScript and Cookies enabled. Follow posted instructions.

\*\*\* There is no cost for this service!\*\*\*

### **Step Two: LOGIN** (Login either as an **Exhibitor** or a **Club Leader**.)

- **EXHIBITOR Login:** Exhibitors, please supply the requested personal information. New in 2020 was the ability to create a Passport account. This is highly encouraged, as it will allow you to have the same login info from year to year, see previous year entries, and it allows you the ability to make entries at other shows (that you are eligible for) that utilize Showworks. Passport is available online or via app for iOS or Android.
- **CLUB LEADER/CHAPTER Login:** Clubs/Chapters wanting to enter on-line are highly, highly discouraged! This complicates the picture upload process.

### **Step Three: CLASS/EXHIBIT ENTRY**

- **YOU MUST ENTER ALL CLASSES YOU WISH TO PARTICIPATE IN!**
  - Each exhibit needs to be entered by Division and then class within that division.
  - Please be sure to fill out all areas completely to insure proper class assignment.

- You do NOT need to declare which animal you will be using, if you tagged in multiple animals.

**PLEASE NOTE THESE DIFFERENCES FOR ON-LINE ENTRIES:**

- For still project items, you must select “YES” or “NO” from the drop-down menu for the still project auction.
- Market animals – if you want to bring **two** market animals, you must make **two** entries.
- Outstanding Market Exhibitor – there will be no Outstanding Market Exhibitor class listed in the online system. Instead, please simply check the box for ‘OME’ when entering a market class. For example, if you wanted to enter the swine OME contest, please check the ‘OME’ box when entering the market hog class.
- Dairy beef feeders, market ducks, and market turkeys are listed as their own division. This is just for data entry purposes, and they follow all rules as listed in the Jr. Fair Book.
- Horse entries will need to say “Trailer” or “Stall” on the website to indicate housing preference. Please list the horse’s name in the “Tag ID” Box.

**Step Four: REVIEW & CONFIRM DATA ENTERED**

- ShoWorks uses a two-step process for you to review your entry and to acknowledge compliance with the Jr. Fair rules and regulations. The word **YES** must be entered into the box at the bottom of the second screen before you can complete submission.

**Step Five: SUBMIT/PRINT**

- When you have completed your entries and confirmed adherence to rules, click on **Submit**. Please use the print option to create a hard copy of your submission! It is also suggested that you have your receipt emailed to you. These documents are your proof that you did indeed register on-line!

**Step Six: ENJOYMENT** – Sit back and relax!

- If you should have any difficulties/complications/fits of rage, please contact Wes Frew at 234-521-3909 OR send an email to [carrollcountyjrfair@gmail.com](mailto:carrollcountyjrfair@gmail.com).

## DRUG USE NOTIFICATION FORM (DUNF)

1. Drug Use Notification Forms (DUNF) are only accepted online. Approximately one week prior to the Monday of the fair (or carcass drop off for carcass entries), an email will be sent to the email address used to make entries that will contain the link to the online drug form. **THESE MUST BE PROPERLY FILLED OUT AND SUBMITTED *PRIOR* TO WEIGH-IN AT THE FAIR!** Failure to fill out and submit the drug forms prior to weigh-in will result in the animal not being weighed, and consequently ineligible for competition.
  - The website address will be [www.carrollcountyfairhio.com/dunf](http://www.carrollcountyfairhio.com/dunf)
2. A properly completed Drug Use Notification From (DUNF) is required for EACH animal (or pen) of the following species, due at the scales at the time of weigh-in:

Market Beef Steer	Market Dairy Steer	Pen of Market Chickens
Carcass Steer	Dairy Beef Feeder	Pen of Market Rabbits
Market Hog	Market Goat	Lactating Dairy Cattle
Carcass Hog	Carcass Goat	Lactating Dairy Goat
Market Lamb	Market Duck	
Carcass Lamb	Market Turkey	
3. To completely and correctly fill out a DUNF, please fully answer every prompt.
4. Market poultry exhibitors – if you do not know your leg/wing band numbers when completing the online form, please leave the ID box blank.
5. IF AT ANY TIME AFTER SUBMITTING A DRUG FORM A MEDICATION IS GIVEN TO AN ANIMAL, A NEW DRUG FORM MUST BE SUBMITTED. If during the fair, please see Lynden, Reid, or Wes.
6. If you have any questions about the online drug forms, please contact Lynden Ferguson (330-627-2300 x205), Wes Frew (234-521-3909), or Katrina Nitz (330-627-4310).
