COMPACT CAR RULES

Entry Fee

\$75

Gate Fee

\$3

1. All Cars will be inspected before a flag is given, so all cars need to be at the pit gate by 5:00 p.m. You will not be running in this event if you show up late. Any other scenario will be on a case-by-case basis.
2. Any rear-wheel-drive car with a wheelbase of 107" or less. Any front-wheel-drive car with a wheelbase of 108" or less.
3. The battery and gas tank must be safely mounted inside the car. The gas tank must be made of metal or be a racing-specific style fuel cell.
4. You may have a 4-point cage with a 4" diameter material or less. You may have one down bar on each side of the car from cage to floor. You may have a floating gas tank protector off the seat bar, but must be 4" away from any sheet metal.
5. You may bolt, chain, or weld any single factory-style car bumper on the car. The bumper may be seam welded but not stuffed.
6. Radiators must be mounted in the factory location if used. No Radiobarrels.
7. Any 4 or 6 cylinder engine. No v-8 engines. Transmission cross member must be factory style or 2x2x1/4" square tubing and must have 1/2" hole drilled to verify that it is hollow.
8. Top frame seam only, may be welded from the firewall forward.
9. You may weld, bolt, wire, or chain doors, and trunk shut from outside only. Must have at least 1 window bar in the front windshield area. You may have a window bar in the back window, but must not connect to the cage in any way, and must connect to the front half of the trunk lid.
10. Any 4 or 5 lug rear end may be used as long as it originally came under a compact car. No full-wheel centers. Small centers are okay. All suspensions may use spring spacers or weld suspension without more than 6" of 2" wide steel strap or tubing, per side of the car. Tie-rods may be welded without the use of any extra metal.
11. Pre-ran cars may have a total of eight 6"x6"x1/4" plates per car (4 per side.)
