PLEASE BE AWARE AND READ ALL THE POULTRY HEALTH REGULATIONS

A completed Certificate of Veterinary Inspection (CVI), listing individual animal official identification must accompany all animals exhibited at the Central States Fair. The CVI must be issued within 30 days of Fair entry. CVI's written for animals originating from outside the State of South Dakota must have a telephone import permit number listed on the certificate. The consignee must be listed as: Central States Fair, 800 San Francisco St, Rapid City, SD 57701.

Exhibitors must have a separate (CVI) for each species (all poultry, waterfowl, rare birds, and pigeons may be together on one CVI) of animal exhibited. It is the intention of Black Hills Poultry Society (BHPS) to have a licensed veterinarian on site to issue CVI's for poultry at a discounted rate. BHPS will also have an area for pullorum typhoid testing at a discounted rate. (Turkeys older than 4 months must come from NPIP source or be tested prior to fair.)

Animals must be free of signs of communicable and infectious disease at the time of entry onto the Fairgrounds. Any determination of the health status of an animal will be at the discretion of the veterinarian the poultry barn has available at check in. All exhibition poultry must originate from a pullorum typhoid clean source or the equivalent or be officially tested and found free of pullorum typhoid within 90 days prior to exhibition. Test information or source status must be listed on the CVI.

All poultry must have an identifying leg band (name, numbers, letters, or a combination of these). Black Hills Poultry Society will have leg bands available at \$0.50 each at check in.
