LIVESTOCK REQUIREMENTS

South Dakota state law requires all animals to have a current health certificate when being exhibited at a fair or livestock exposition.

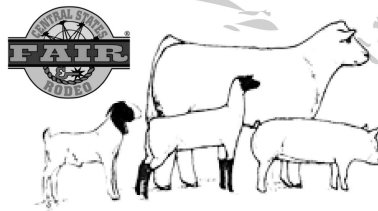

STALLING

Horse Barn 8 is reserved for the Central States Fair livestock shows; with overflow into Barn 7 if need be. When you arrive, you will notice we do not have set stalling. We encourage you to pick a stall(s) and unload your animals. All stalls will be bedded, unlocked, and ready for your arrival. We ask that you just be courteous and pick up after yourself. There are limited swine pens available in the Event Center.

You will also notice that we don't have lengthy barn arrival and release times. We know that many families are coming or going from their state and county fairs. all we ask is that you check in on time and you can be released from the barns at the end of your show.
