# 5-STATE FALL EXTRAVAGANZA LOTTERY

2023  
LOTTERY  
EARNINGS

## \$4,600

Each year \$1,000 will be added to this Lottery & go towards the Fall Extravaganza horses competing in the 5-State Breeders.

July 13–16, 2023 • James Kjerstad Event Center Rapid City, SD • [www.5statebreedersfutures.com](http://www.5statebreedersfutures.com)

Starting in 2019 > **\$800** each year will be added to the Fall Extravaganza Lottery towards this accumulating incentive. It includes prospects starting from the Fall Extravaganza first held in Rapid City in 2017 and are **ONLY** eligible to WIN the accumulated incentive if they are sired by a 5-State Enrolled Stallion during year bred or when of age to compete. The accumulated incentive money is awarded to the Fall Extravaganza Lottery Eligible horse who earns the title of 5-State Breeders Futurity Champion.

**\$100** will be awarded to the Fall Extravaganza Sale Lottery Horse who is the fastest time to place in the average of the 5-State Futurity other than Fall Extravaganza Lottery Futurity Champion.

**\$100** will be awarded to the Fall Extravaganza Sale Lottery Horse who is the fastest time to place in the average of the 5-State Maturity. In the event there are no horses in the Futurity and/or Maturity to win the \$100 then it will be added to the accumulated incentive awarded to the Fall Extravaganza Lottery 5-State Breeders Futurity Champions incentive.

If the winning 5-State Futurity Champion was not a Fall Extravaganza Lottery Eligible horse, the accumulated Lottery incentive will roll into the following year — increasing the accumulated Lottery money every year by either \$800 or potentially the entire \$1000 designated for the Lottery.

When the 5-State Futurity Champion is an eligible Fall Extravaganza Lottery Horse, they will be awarded the **ENTIRE** accumulating pot! Then the following year the total amount will start over and return to \$800 for the 5-State Fall Extravaganza Lottery to build again.

The 5-State Fall Extravaganza Lottery Symbol is placed beside eligible prospects for this Lottery!

Palomino Colt // 4.17.22

A one-time chance at a colt by this blood cross sired by Goose Wood as Ruzsa's only used Goose one season. The Dam Miss Double Leowood never disappoints in her ability to stamp a super versatile prospect. They are incredible under saddle with a natural collection, reining talent and are light on their feet. A large majority of the traits we see in prospects like this are rooted from the great mare Seneca Silk. ## Pie N Da Sky

Buckskin Colt // 6.25.22

This colt has been an incredibly smart quiet learner since day one! He really has been very impressive with how he carries himself and his demeanor to work with and be around. Dam Serendipity Belle in training had a lot of natural talent and reining ability. The trainer advised she would make an excellent working cow horse due to her raw talent and instead we made her into a talented heel horse. Her quick feet and natural ability to get into the ground made her a natural athlete. You can go a lot of different directions here!

## Famous Rebel

Sorrel Filly // 6.22.22

This cross right here is magical!!! A Mare line can say a lot. With Imarealtreasure's proven produce ability and also Mr Illuminator is definitely making himself known as one of the leading broodmare sires in the industry. Mr Illuminator is best known as the sire to TR Dashing Badger, aka Dolly, whose LTE's exceed \$850K, a 4x NFR Qualifier, 2x NFR Average Winner, 2x Reserve World Champion. And now this great mare is making Champions. What I love seeing added to this filly is that Peppy San Badger breeding. The dam is consistently one of our top producers of quick learners who are super soft and willing!

**STALLION PROSPECT!** A heavily Orphan Drift bred colt with a fun mix of Wayward Ike, Leos Question, Sak Em San, and Blue Valentine. We are super proud of how our Sawyer Wood daughters are producing and this right here has made for a fun cross. Not sure where the curiosity and naturally keen disposition comes from as both Goose Wood and My Lady Zara are polite easy horses to be around. ## Reina De La Furia

Bay Filly // 4.23.22

Her name means Queen of Fury! Dam Bianca My Dear ran top of her schooling race down at Remington Park. An injury wouldn't allow her to stay sound to race. She did show us though that she definitely had the speed to run with some of the industries top horses. 2nd Dam Lady Perry Too AAA Race Winner has produced Multiple Race Winners & Stakes Placed Horses to run out \$150K+ on the track, as well as Top 1D Champions to also win ProRodeo's such as the Kansas City American Royal Rodeo. Lady Perry Too has definitely been a huge program builder! The question then becomes do you head to the Track or to the Barrel Pen? Or do you do BOTH!

## Queen Ladylove

Palomino Filly // 4.25.22

The dam was an incredible talent that wasn't started under saddle until she was 4. She was super quick to learn the pattern with Lindsay Schulz and in her 5-yr-old futurity year she placed in her first futurity! The Sawyer Wood/Sun Frost Cross is a top proven cross with Marne Loosenort training Thisaintmyfirstrodeo and then Sawyers Frosted Moon who went on to do big things. And did I mention the 2nd Dam Easily An Heiress is full sibling to 6 horses to all AAA or AAAT and run out 487K and 3rd Dam Easily A Doll was a race winning Stakes Placed horse. There is a lot to this fillies breeding and is an exceptional prospect!

## Lets Talk About Six

Sorrel Colt // 5.02.22

Some of our all time favorite crosses we have done over the years has been Heading Away crossed with Dash Ta Fame. We never did get to cross this mare with Sawyer Wood and I couldn't think of a better way to make the blood cross than with the DTF bottom side of Sawyer Wood. Heading Away has produced AAA race winners, the 2nd dam Sheza First Down a Multiple Graded Stakes Winner & the 3rd Dam, Justincopy was Multiple Stakes Placed. This will be a cross I eagerly away to see perform!

## Dulce Reina

Sorrel Filly // 5.17.22

Dulce Reina meaning Sweet Queen! Her name is incredibly fitting with how confident, calm and sweet she is. Dam Seniorita is an incredible horse under saddle with natural reining ability and is a savvy ranch horse with working cattle. Ruzsa's success with Ima Sun Frost, our founding Stallion, resulted in State Champions, World Champions, and they could be seen at the NFR. He is also becoming a strong broodmare sire. If you look at these Tres Kings horses out of our daughters I would hope you are as impressed as we are!

20

## Goldeelocks

Palomino Filly // 4.19.22

She is JUST RIGHT!!! She comes from 3 generations of Ruzsa Mares known to produce talent from roping to barrels. It all started with Electric Dancer, who was an incredible Barrel, Pole and Reining horse for the Ruzsa's. One of the top winning horses from this mare line includes Cruizen To Win the 2016 IBRA Wisconsin 1D Adult Champion. If you look at all of the Firewater Chasin Pie foals this year and previous years it is evident he is going to leave his mark as a sire! Also something fun is this filly has roan patches on her like she is going to be a palomino roan.

21

## Dinero Tan Facil

Sorrel Colt // 6.02.22

Such Easy Cash translates to Dinero Tan Facil! Possibly could head to the track with this prospect! Tres Kings comes from parents who are both MILLIONAIRE producers. Ahni's Sire, Such Easy Cash, has also sired \$1.3 Million in runners on the track. If you are wanting to head to the arena the 2nd Dam Tuff Time Muffin was a super competitive barrel and pole horse that was also shown in trail, western riding, reining, etc... This mare had the intelligence and raw talent to excel at many levels and the best part she passed it on!

## Surina

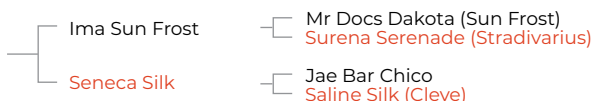

Sorrel Filly // 5.16.22

By far one of the most successful consistent crosses we have ever made! Anyone who owns full-siblings are either running and placing or in training to be the next superstars. All of the owners give me the same feedback on how easy and eager they are to work with. They want to please and love a job! Full-sibling Lady Abigail is a 2021 Kingman, KS KHSRA Champion, 2nd at the Young Guns Rodeo, 2020 3rd 1D Hutchinson, KS Barrel Bash Futurity, etc. Full-brother Leos Teddy ridden by a 12-yr-old is running in the 1D/2D and showing tons of promise as a team. This cross truly will run at any level!

## Firewater And Pie

Sorrel Colt // 4.21.22

If you are looking for a prospect to hold up to being used on the ranch or to the rigors of competition, this colt is a sure bet! PC Frosty Sis is gaining a reputation for making them stout, sure footed, with great trainable dispositions. They also don't lack any natural cow sense. With the genetics, and bred in natural ability to rate, he would be a great fit to go to the barrels or the roping pen or do both. There is a lot of potential for him to be an all-around talent in and out of the arena!

## Blazyn Ta Fame

Brown Colt // 5.20.22

Sooner Glow is a super sweet mare that stamps all of her foals with easy to train dispositions and it is looking like she stamped her size on him as a 16hh mare. She had a super short race career but her maternal line are all race winning horses to have multiple wins with AAA Speed Index's. Then with the paternal dam Imarealtreasure si a AAAT race winner and being backed by black type proven mares makes a prospect like this the kind you want to take home and see what you can all get done! He will be fun! \*sent in a color test on him

## Hey Sixie Lady

Sorrel Filly // 5.30.22

Sugar Glazed Frost is an incredibly athletic mare! She had a ton of talent as a working cow horse and then turned into an amazing Heel Horse. Sugar was so talented she has been seen with NFR caliber ropers roping on her with NO BRIDAL! Her biggest achievements was she won the MN Jr HS State Team Roping Championship and qualified for Jr HS & HS Nationals in Breakaway. We followed this mare close till the day came when we were blessed to be able to buy her back. Kit Johnson has started a full-sibling she was extremely impressed with and we plan to campaign!

## The Laughing Man

Sorrel Colt // 3.21.22

This colt has been friendly since day one! There is a lot of maturity that this colt possesses that comes from both sire and dam. Laughing Man looks like he will have the height of his sire and be a 16hh horse. There have been a lot of success to come out of the early set of crosses made with AP Six Frosted Moons with fastest times and champions. The Dam Shez A Tener si 97 a multiple race winner has a ProRodeo Steer Wrestling Horse win the OK Spring Shootout, a Calgary Semi-Finals qualifier & several wins/placings at ProRodeos. A great opportunity for an-all around family horse!

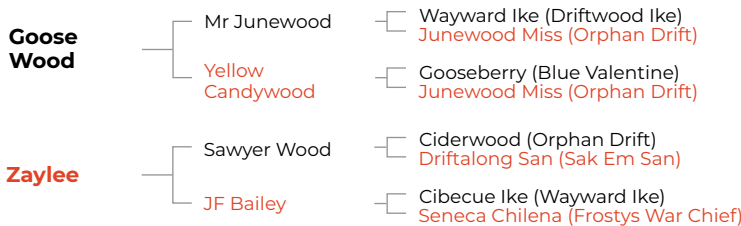

28

## Sawyers Orphan

Buckskin Colt // 5.28.22

Mr Junewood has been noted as siring some top notch rope horses. Sawyer Wood has been an all-around sire of barrel, roping, & even some cutting horses. One of the most successful rope horses to come out of the Ruzsa program was RU Drifting Joe by Frostys War Chief. He was a Heading Horse rode by Brock Hanson to qualify and win rounds at the NFR, tied the World Record in Team Roping and a Turquoise Circuit Champion. No matter what you chose to do with this colt he will be an asset. LAST CHANCE to own a Goose Wood out of this Ruzsa mare!
