membership meeting*

*Building Tomorrow's  
Leaders Today!*

## SOUTH DAKOTA FARMERS UNION HERD BUILDER AWARD

Since 1915, South Dakota Farmers Union (SDFU) has advocated and supported the family farm and the significance it plays in rural communities across the state. With the struggles and current economy, it is hard for young producers to get Capital to start their own herd. SDFU wants to help and will be awarding 3 young individuals with a Herd Builder Heifer. Three Herd Builder Does will also be awarded to 3 young individuals. These animals will help a young person learn the process of building a herd or growing an existing herd.

## THANK YOU, SUPPORTERS!

The directors of Western Junior Livestock Show would like to thank all of the generous sponsors who donate time, product or equipment to the show. It is great sponsors like you who make the show continue to grow and succeed.
