17. All Junior Fair Forms must be submitted with individual **"WI Premises ID numbers"**. Individual fair enrollment forms **will not** be accepted unless these numbers are listed on the youth's fair forms. Families have until July 12th to acquire this number.

The Wisconsin Livestock Premises Registration Act requires anyone who keeps, houses, or comingles livestock to register their premises. Premises that are not currently licensed by the DATCP are **required to register ASAP.**

How do I register?

- Register online at www.wiid.org and click on the link for Premise Registration System.
- Registrants may call WLIC at 1-888-808-1910 to request a form.
- Visit your county Farm Service Agency (FSA) office or contact the UWEX office to pick up information and a premises registration form.

"Livestock," as defined by the WI Premises Registration Act Rules includes:

- bovine (bison, cattle)
- equine (horses, donkeys, mules)
- goats
- poultry (chickens, turkeys, geese, ducks, guinea fowl, and squab)

- captive game birds (pheasants, quail, wild turkeys, migratory wildfowl, pigeons, and exotic birds,)
- sheep
- swine (other than wild hogs but including pot belly pigs)

- \$2.50 - Calves, sheep, goats, horses, exotics and swine
- \$0.50 - Rabbits and poultry

19. The Central WI Junior Fair Association will continue to enforce the rules in regards to bedding. 6" bedding pack is suggested with 10" bedding pack maximum. If this is not followed, clubs will be marked down on Herdsmanship and the individual may be charged for disposal of the bedding. Any extra feed/hay must be removed or premium for the exhibitor will be withheld. These rules are being made as the cost of disposal keeps going up and up.

20. Animals (breeding stock) purchased after June 1 of exhibit year may not be exhibited at this year's fair. Only breeds not listed in classes will show as "any other breed".

- All calves and yearlings must be registered or transferred on or before June 1 to be considered as ownership.
- All animals that show as two years old or older and purchased must have been purchased on or before January 1st of the fair year.

21. Grade animals are under the same jurisdiction.

22. All dairy, horse & pony, poultry, exotic, beef, goats, sheep & swine exhibits shall be brought in from 1pm-8pm on Monday. If a problem occurs, arrangements must be made with the superintendent of the department. No purebred animal may be exhibited if papers are not presented for verification at any given time. Registration papers will be checked.

23. Animals will be subject to veterinary inspection. All livestock coming from out of state must be accompanied by a Certificate of Veterinary Inspection **to be presented at the initial weighin and at the final weigh-in. This is effective as of January 1, 2007.**

24. All Junior Fair livestock will be released at 2:00 pm on Thursday to make room for open class exhibits.

25. All livestock (except poultry) must be fed and properly taken care of by the exhibitor at their expense during the total time the animal is on the fairgrounds. If there is proof of an animal welfare issue or animal neglect, the Junior Fair Board reserves the right to ban that exhibitor from future showing or selling at the Central WI State Fair. The number of years banned will be determined by the severity of each incident.

26. All barns will be cleaned before open class entries arrive. A \$25.00 barn-cleaning/animal fee will be charged to each exhibitor for failing to clean stalls after animals leave the fairgrounds. Exhibitor's fair premium check will be withheld until fee is paid.

27. Manure must be removed and disposed of properly in the proper containers that are provided so barns are clean at all times.

28. Animal grooming: Responsibility for grooming animals for show is the responsibility of the exhibitor. In keeping with this fact, the following rules will be observed:

If the Junior Fair exhibitor is not fitting their animal themselves, they must be present when the animal is being fitted and the person doing the fitting must be an immediate family member, a

club/chapter leader or another exhibitor of the CWSF. Violation of the above guidelines is grounds for disqualification and forfeiture of any eligible premium money or ribbons.

29. Water hoses in all areas must have nozzles.

30. No preparation, serving of food, or cooking devices in the barns. All animal changes will be at the discretion of the superintendents.

31. All animal changes will be at the discretion of the superintendents.

32. **Every animal stall, pen, cage, etc. must be labeled with the name of the animal and the name of the exhibitor. The club/chapter name must be part of the display. Failure to do so will result in the exhibitor's premium being withheld and forfeiture of their right to exhibit**

Superintendent: Lori Haffenbredl, 715-321-4478

Jr. Fair Board Representative: Virginia Krause

Check General Rules and Judging Schedule found in the front of the book.

Although the fair tries to keep all plants watered, exhibitors are encouraged to check/water their own plants during the fair.

So that plant material will hold up throughout exhibition period, we suggest cutting flowers in the late afternoon or evening, when leaves contain the greatest amount of sugar. Plunge stems into warm water immediately, and place in a cool dark room overnight. Flowers will take up enough water to overcome any apparent temporary wilting. No plastic or silk flowers or weeds may be used unless specified. All entries shall be raised by exhibitor.

ALL ENTRIES MUST BE IDENTIFIED BY SPECIES AND COMMON NAME ON AN INDEX CARD.

Diseased or bug infested plants will be judged and marked down and sent home.

African violets should not be entered in flowering class. African violets must be only entered in African violet class.

Do not wax leaves; but wipe with water.

Dish gardens are not baskets.

Plastic wrap is not a suitable cover for terrariums.

Cut flowers are to be brought in on entry day.

All plants and flowers in Class A must be grown by the exhibitor, except Lots 27 & 28.
