All exhibitors in the junior fair division shall be members of 4-H, FFA, FCCLA, Scouting programs, breed groups, or any other recognized youth organization under adult leadership and with an educational program approved by the local fair. (Members of other youth organizations not listed above or previously approved, by the Junior Fair Board must submit an application by March 1 to be considered for approval by the Junior Fair Board at their March meeting. Application materials for recognition as a recognized youth organization can be obtained by calling the CWSF Office or at www.centralwisconsinstatefair.com). Junior fair exhibitors must be affiliated with a Wood County organization. Beginning in 2021 must live in Wood County or an adjoining county and be in grades K-13 and under 20 years of age as of January 1 of the current year. In the junior division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade level in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair. (See ATCP 160.04(2).)

4-H exhibitors or any other recognized youth organization that allows membership transfers from other counties must present to the Wood County Extension Office signed statements from their 4-H agent, or adult leader, at the time of entry that their exhibits are a result of their personal work and not previously exhibited for premium. Starting in 2021 exhibitors must be a member of a recognized organization by March 1. Exceptions to this must be brought to the Jr. Fair Board for approval. Failure to comply with these requirements will prohibit entry and payment of premium money.

Individual fair enrollment forms **will not** be accepted unless these numbers are listed on the youth's fair forms. Families have until July 15th to acquire this number, the date that all junior fair forms are due at the UWEX office.

The Wisconsin Livestock Premises Registration Act requires anyone who keeps, houses, or co-mingles livestock to register their premises. Premises that are not currently licensed by the DATCP are **required to register ASAP.**

How do I register?

If this is not followed, clubs will be marked down on Herdsmanship and the individual may be charged for disposal of the bedding. Any extra feed/hay must be removed or premium for the exhibitor will be

withheld. These rules are being made as the cost of disposal keeps going up and up.

20. Animals (breeding stock) purchased after June 1 of exhibit year may not be exhibited at this year’s fair. Only breeds not listed in classes will show as “any other breed”.
 - All calves and yearlings must be registered or transferred on or before June 1 to be considered as ownership.

The number of years banned will be determined by the severity of each incident.
26. All barns will be cleaned before open class

entries arrive. A \$25.00 barn-cleaning/animal fee will be charged to each exhibitor for failing to clean stalls after animals leave the fairgrounds. Exhibitor's fair premium check will be withheld until fee is paid.

- 27. Manure must be removed and disposed of properly in the proper containers that are provided so barns are clean at all times.
- 28. Animal grooming: Responsibility for grooming animals for show is the responsibility of the exhibitor. In keeping with this fact, the following rules will be observed:

If the Junior Fair exhibitor is not fitting their animal themselves, they must be present when the animal is being fitted and the person doing the fitting must be an immediate family member, a club/chapter leader or another exhibitor of the CWSF. ATCP 160.02 Premium Requirements.

(1) GENERAL.

- (a) The state aid authorized by s. 93.23 (1), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
- (b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.
- (c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.
- (d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.
- (e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.
- (f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

(2) PREMIUM LISTS.

(a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

(3) ENTRY FEES.

(a) A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.

(b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

(4) SPLIT FAIR DATES.

(a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.

A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

- (1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.
- (2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.
- (3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.04 (8).
- (4) State aid may not be paid on exhibits removed from the fair grounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other

special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.
