COUNCIL AGENDA

AGENDA ITEM Discuss, Consider & Possible Action on Resolution #2022-11 Authorizing the Use of Texas Heroes Square Including the Parking Lot for the Gonzales Master Gardener's Annual Spring Plant Sale on April 9, 2022

DATE: February 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

The Gonzales Master Gardeners are preparing for their annual Spring Plant Sale on April 9, 2022. They are requesting the use of Texas Heroes Square, including the parking lot on St. Louis and St. James. They intend on setting up Friday, April 8, 2022 at 1:00 p.m. and will take down at 1:00 p.m. on Saturday, April 9, 2022. The event will be held from 8:30 a.m. until 1:00 p.m. There will be an approximate attendance of 300-400 people and is open to the public.

POLICY CONSIDERATIONS:

This is consistent with current procedures for street closures and use of City owned property.

FISCAL IMPACT:

The fiscal impact to the city would be the labor cost for city staff to deliver the trash receptacles requested and the cost to pick up the cans and the trash after the event concludes. The City has not adopted a fee schedule that includes permit fees at this time, therefore, the city will not charge for the service until those fees are adopted.

STAFF RECOMMENDATION:

Staff respectfully recommends the approval of this resolution.

COUNCIL AGENDA

AGENDA ITEM

Discuss, Consider and Possible Action on Resolution #2022-12 Authorizing the Mayor to Execute an Agreement for Election Services with the Elections Administrator of Gonzales County for the May 7, 2022 General Election

DATE: February 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

Gonzales County has created the positon of Election Administrator for the County which now provides the opportunity for the City to contract annually for all of the City's elections. The County typically does not hold elections on the May Uniform Election Date, however, this year there will be constitutional amendments that will be considered on the ballot. The City of Gonzales will hold an election for the purpose of electing a Mayor on the uniform election date of May 7, 2022. To eliminate confusion regarding the elections, City Staff feels it is in the City's best interest to contract with the County for the May 7, 2022 election, any resulting runoff election, as well as all city elections. Contracting will provide uniformity for all elections across all entities.

FISCAL IMPACT:

The estimated cost to the City of Gonzales varies on the actual cost for the equipment and the amount of time the election workers spend on their required duties (hourly rate of pay for election workers). The City has budgeted \$20,000 within the 2021-2022 fiscal year in Account #100-7-101-501 for the City's elections.

DATE: Feburary 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

On November 18, 2021, Council approved the purchase of a 2022 M2106 Freightliner Truck w / Pro-Patcher bed in the amount of \$173,435.40 in Resolution 2021-106. This equipment had to be pulled by the 95 Ford Truck that is also being replaced. This new truck will be a stand-alone piece of equipment and will not need to be towed be a Dump truck. It has all the equipment needed for patching, including gas power packer for compacting potholes, hydraulic powered jack hammer, for cutting out damage pavement, and heated tac oil. This equipment will be greatly utilized in many day-to-day operations and will greatly improve the pothole patching quality by making smoother patches. The vendor informed the City of Gonzales that it could no longer honor the quote that was given since it would take around a year for this truck to be built. Therefore, City staff requested a revised quote from Freightliner and the financing agreements from Government Capital Corporation in the amount of \$181,246.50 which is an increase of \$7,811.10 from what was approved in November.

POLICY CONSIDERATIONS:

As set forth in the City's Fiscal and Budgetary Policy Statements; All City purchases and contracts over \$50,000 shall conform to a competitive bidding process as set forth in Chapter 252 of the Local Government Code of Texas. The pricing was obtained through a TIPS USA #200206 Purchasing Program which assists local governments in reducing costs through this government-to-government procurement service available nationwide.

FISCAL IMPACT:

This equipment was budgeted in the amount of \$37,000.00 within the 2021-2022 Fiscal Year. The total expenditure for the equipment is \$181,246.50, which will be financed at 3.15% with Government Capital for the annual amount of \$36,871.31 for five years. It has been verified with the Finance Department the availability of these funds in Account #100-7-603-707 Contract Purchase.

Discuss, Consider & Possible Action on Resolution #2022-15 Authorizing an amendment to the Fiscal and Budgetary Policy Statement for the City of Gonzales

DATE: February 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

Council is required to review and approve the Financial Policy each year as part of the budget process. The intent of the Financial Policy otherwise known as the Fiscal and Budgetary Policy Statement is to enable the City to achieve a long-term stable and positive financial condition. On September 9, 2021, City Council adopted Resolution 2021-22 Adopting a budget and renewing the City's Financial Policy for the City of Gonzales. City Staff is currently working with their Grant Writer and Texas General Land Office on documentation required for the CDBG-MIT Grant. In order to move forward with the grant an amendment to the Procurement Policy needs to be made to the Purchasing paragraph in Section V. Expenditure Control to include the following language.

PURCHASING. All City purchases and contracts over \$50,000 shall conform to a competitive bidding process as set forth in Chapter 252 of the Local Government Code of Texas<u>unless</u> otherwise excepted. The City of Gonzales affirms that it will adhere to 2 CFR 200 for all federally funded procurements. The sealed bid requirements established in Chapter 252 of the Local Government Code do not apply to expenditures by a municipality as stated in 252.022, including a municipally owned electric utility in connection with any purchases by the municipally owned utility made in accordance with procurement procedures adopted by a resolution of the body vested with authority for management and operation of the municipally owned utility from any other applicable statute, charter provision, or ordinance. Additionally, procurement of items that are available from only one source because of patents, copyrights, secret processes, or natural monopolies; gas, water, and other utility services; or captive replacement parts or components for equipment.

Recommendations on purchases and contracts over \$50,000 shall be submitted to the Council by the City Manager for Council approval. Upon Council approval, the City shall confirm the bid award to the successful bidder by means of written City purchase order. The purchase of goods or services by the City totaling \$50,000 or more shall be awarded to the successful bidder by the formal bidding process. Telephone quotes are to be obtained for single item purchases over \$1,000 up to \$10,000. Purchases made over \$10,000 but less than \$50,000 shall require three

written quotes or pricing obtained through any interlocal purchasing authority or cooperative. All purchases over \$2,500 are to be pre-approved and pre-authorized by the City Manager. No purchases shall be made from vendors that are not on the approved vendors list as maintained by the Finance Department. Purchase cards are utilized for purchasing of consumable supplies and must comply with the policies and procedures establish for use of purchase cards.

Historically underutilized businesses (minority and women-owned) have an equal opportunity in the contract awards process. City of Gonzales achieves this goal through complying with Texas Local Government Code Section 252.0215.

If there is any conflict between this Policy and a State or Federal law, or a rule adopted under a State or Federal law, the stricter of the conflicting provisions prevails.

Grants should be administered via a written contractual agreement between the City and the party providing the service. Grants administered by the State are governed by Chapter 2261 of the Texas Government Code, which includes grants in the definition of a contract unless certain criteria are met. All purchases made with grant monies will comply with the terms and conditions of the grant, as well as the City's procedures regarding all purchases. In addition, the City will follow the procurement process guidelines set forth in 2 CFR §200.318- §200.326 for grant administration, environmental, and engineering services if using federal funds to pay third-party vendors for those services. These rules and regulations also apply to procurement of construction services.

COUNCIL AGENDA ITEM BRIEFING DATA

AGENDA ITEM

Discuss, Consider & Possible Action on Resolution #2022-17 Accepting the proposals and awarding the contract for the Gonzales Memorial Museum and Amphitheatre Reflecting Pool Recirculating Pump project

DATE: February 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

City staff desires to have a recirculating pump installed for the reflection pool at the museum. This will allow the reflection pool to be maintained all year long with a chlorinating system and will overall improve the appearance of the reflection pool and essentially the Museum. The filtration and circulation pumps will also eliminate stagnant water and create a better circulation of the water to improve the water quality and the overall appearance.

The RFP was posted for a fourth (4) time on Tuesday, January 4, 2022, with proposals due on Thursday, January 27, 2022, at 2:00 P.M. The City of Gonzales received two (2) responses to the RFP, Progressive Commercial Aquatics in the amount of \$145,682.28, and Aquatic Reflections, Inc. in the amount of \$103,395.98. The amount of the proposal from Aquatic Reflections, Inc. with an alternate #A deduct would be \$97,495.98. The alternate #A deduct would reduce the project by \$5,900 and it is to replace a concrete recirculating pump vault with a fiberglass vault. This amount would be \$27,495.98 greater that what is budgeted. Staff feels that if we do not move forward with this project that we will lose the grant from GVEC in the amount of \$20,000 for this project.

POLICY CONSIDERATIONS:

As set forth in the City's Fiscal and Budgetary Policy Statements; All City purchases and contracts over \$50,000 shall conform to a competitive bidding process as set forth in Chapter 252 of the Local Government Code of Texas.

FISCAL IMPACT:

City staff budgeted the following amounts: Hotel/Motel GL account 500-7-811.526 will pay \$20,000, Museum's Restricted Use fund GL account 500-7-812.640 will pay \$25,000 because they received \$20,000 in Power Up Grant and \$5,000 from Spade & Trowell Club that was specifically for the reflection pond. The General Fund GL account 100-7-660.640 will pay \$25,000. This was budgeted in the 19-20 and 20-21 budget but was not completed and thus reallocated within the current 2021-2022 Budget, for a total of \$70,000 towards this project. A budget amendment to the General Fund will be done at a later time in the amount of \$27,495.98.

ATTACHMENTS: Tabulation

STAFF RECOMMENDATION: Staff respectfully recommends City Council award the bid to Aquatic Reflections, Inc.

DATE: February 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

Sesame Study Club would like to donate to the community of Gonzales a 'LITTLE FREE LIBRARY' (i.e., LFL). They have ordered and received the LFL and it is ready to be placed in the ground. Their club will supply the books on a regular basis but we will need help from the city to install the library in an agreed location. Our club will arrange for publicity with the newspaper. The location that they have proposed is at JB Wells Park.

POLICY CONSIDERATIONS:

It is consistent with current policy for City Council to determine if it is in the City's best interest whether to accept the donation of the asset.

FISCAL IMPACT:

The approximate value of the asset is \$400.00 for the **'LITTLE FREE LIBRARY**. The city will have to accept responsibilities for the asset and assume the cost of the installation to be a twoman crew in the sum of approximately \$250.00 for labor. However, in the event that there must be repairs to the LFL, the Sesame Study Club would assume the costs for those repairs.

OUR PROPOSAL TO THE CITY/COUNTY OF GONZALES – Jan 25, 2022

Sesame Study Club would like to give to the community of Gonzales a **'LITTLE FREE LIBRARY' (i.e., LFL)**. We have ordered and received the LFL and it is ready to be placed in the ground. Our club will supply the books on a regular basis but we will need help from the city to install the library in an agreed location. Our club will arrange for publicity with the newspaper.

WHAT IS SESAME STUDY CLUB?

SESAME STUDY CLUB is a local women's club which has been committed to sparking reading and knowledge since 1929. Ninety-three years ago, our club members helped create and support the city library and more recently we've supported "FRIENDS OF THE LIBRARY" monetarily as our main project in Gonzales. Additionally, we are now interested in supporting LITERACY and LEARNING in a broader sense in our community.

OUR THOUGHTS AND RESEARCH -

Knowing there are already two Little Free Library's in our Gonzales community, <u>Sesame would like the</u> <u>placement of our donated LFL to be located at the JB Wells Park for these reasons below:</u>

The JB Wells Park is one of the most visited places in the town, not only by its residents but from other cities. Both adults, teens, and children use the park. We have noticed many of the people attending the events have <u>a lot of time on their hands</u> where they sit and wait for their child, husband, wife, sibling, or friend to perform in their timed event. Also, many of the riders or their parents who help with their horses are busy during the day in their paid jobs or working with their livestock when the city library is open, therefore, they don't frequent a public library.

Sesame Study Club feels the eventers and visitors who come to the arena have time on their hands while at the areana, and might enjoy grabbing a magazine or book to read during their downtime or when they spend the night in their horse trailers or hotels. Additionally, there other special events or camping organizations who rent the grounds that could be served by the LFL. The LFLs are very user-friendly for anyone and everybody, no matter the age. - We feel the LFL at JB Wells will be a good ambassador to the community.

OTHER INFORMATION -

We met with Arena Manager **Amada Garza**, and she showed us locations at the JB Wells Park to considered for the LFL. They are very well illuminated for night-time visibility and safety, and are on roads that are not muddy to approach the area. The Arena Manager was excited to have a LFL as something extra on the grounds to offer people coming to our community especially when we told her guests to the city will be able to find the LFL on their smart phones just by searching for the LFLs of the world.

COUNCIL AGENDA

AGENDA ITEM

Discuss, Consider & Possible Action on Resolution #2022-20 Approving Changes to the Administrative Assistant to President/CEO Job Description and Current Position Classifications for Fiscal Year 2021-2022 within the Economic Development Corporation Department

DATE: February 10, 2022

TYPE AGENDA ITEM:

Resolution

BACKGROUND:

Economic development is a highly administrative intensive endeavor. It requires leadership and organization. To be successful we must have an effective leader and support staff to ensure the organization is able to act quickly while staying in compliance with all applicable laws.

To grow the sales tax income, and tax base, staff must have time to ensure the prospect pipeline (marketing), land development (infrastructure), workforce pipeline, and a million other gears are moving at a brisk pace. While those pipelines are moving, paperwork in the form of agendas, minutes, performance agreements and resolutions must also move forward. You may not realize it, but most action taken at the GEDC meeting must be ratified by City Council which means that after agreements are approved, staff must then provide the City Secretary a Resolution and Cover sheet to appear on the City Council agenda. Then, subsequent productions of the ratified agreements must be executed by the GEDC and the entity with whom the agreement is being made. It's a series of paper trails required to remain in compliance.

Over the past year the GEDC has had many successes.

- Joined Austin Manufacturers Association

- Expanding our marketing efforts through the TexasED Connection Partnership

Each of these successes requires many steps and a significant addition to the paper trail. It has become increasingly clear that we have accomplished a great deal in a short period, and we wish to grow our list of accomplishments. To do this we need your help. You can help by allowing us to add staff. On Monday, January 24, 2022, the GEDC board unanimously approved the attached job description wage rates and voted to recommend to you that we add an Administrative Assistant to the EDC staff. We understand that adding staff can pose a issues with public opinion, but by adding staff we believe we can increase productivity and add even more successes to our list. We simply cannot perform at a higher rate of success without the extra help.

By adding an Administrative Assistant to our team, the director can focus on strategic planning, deal making, marketing, and growing our outreach. The director can be laser focused on increasing the sales tax and property tax income. The income generated through economic development efforts allows the city to have funds for essential services such as police and fire protection and for repairs of deferred infrastructure. With all projects reviewed and/or acted upon by the GEDC, enhancing the sales tax and property tax income is firmly established at the forefront of our decisions because this is what helps our city grow.

Essentially, the GEDC board has decided we want the EDC team to grow and thrive. We realize by doing this it takes an investment of money. As with any good investment, the more we put in the more returns we will see in the form of sales and property taxes. We don't wish to be a burden to Gonzales City Government and, thus, the added expense of this position will be incurred by the GEDC. We hope you will see this addition as the GEDC board does, as an investment in the future of Gonzales. Through your support, we can do this.

POLICY CONSIDERATIONS:

The City of Gonzales and the GEDC are authorized to hire staff to provide for the administration of one or more programs, including programs for making loans, and grants of public money and providing personnel and services of the municipality, to promote state or local economic development to stimulate business and commercial activity in the municipality.

FISCAL IMPACT:

The position is not funded in the current fiscal year budget and will require a budget amendment approved by the GEDC board. GEDC employees are considered City employees, so GEDC does incur the extra cost associated by purchasing insurance and offering a retirement plan. GEDC reimburses the city for all cost through an annual Administrative Services Agreement. All salaries and expenses are paid from dedicated sales tax revenue and do not impact the General Fund.

The EDC board would like flexibility regarding within the ranges provided based on the candidates experience and qualifications. A budget amendment from \$44,335.59 to \$51,769. This is only personnel expenses for salary and does not include anything else. There will also be costs associated with office equipment and furniture, as well as other administrative costs.

This is just personnel expenses for salary and does not include anything else and I used the overtime amounts provided by Jennifer. You would need to get a quote from the phone company to run a phone line to your proposed office and a quote from IT to run the internet and whatever other lines are needed for a computer to be there. IT will not consider this part of the monthly fee the City pays, it will be billed out separately. We do not have any extra phones so you will need to purchase a phone from iPro.

AGENDA ITEM

Discuss, Consider and Possible Action on Ordinance #2022-3 Approving a Budget Amendment to the Operating Budget for the Fiscal Year October 1, 2021 and Ending September 30, 2022; General Fund: \$2,242,163.96 in expenses and \$1,862,678.96 in revenue, Electric Fund: \$40,865.44 in expenses, Water Fund: \$10,367 in expenses, Wastewater Fund: \$228,700 in expenses and Hotel/Motel Fund: \$23,217.15 in expenses

BACKGROUND:

On September 9, 2021 the City Council of the City of Gonzales Approved the Operating Budget for the City of Gonzales for the Fiscal Year Beginning October 1, 2021 and ending September 30, 2022.

The estimated fund balance of the General Fund with JB Wells included as of September 30, 2021 is \$3,017,576.01. The following budget amendments will be taken from the fund balance of the General Fund.

BUDGET AMENDMENT #1

The City Council of the City of Gonzales settled the JB Wells lawsuit for \$1,825,000. The City Council elected to issue a General Obligation Refunding Bond for the funds. The funds were received in the City's bank account on October 5, 2021 and were wired out on October 7, 2021. Staff is asking for a budget amendment to reflect the \$1,825,000 received and same amount paid.

| JB Wells Settlement Funds | 100-4-406.673 | 1,825,000.00 |
|---------------------------|---------------|---------------|
| JB Wells Lawsuit | 100-7-104.416 | -1,825,000.00 |

BUDGET AMENDMENT #2

The City Council of the City of Gonzales adopted a budget that had some capital improvement repairs to the Eggleston House estimated to be around \$50,000. During the budget process, staff budgeted the usual \$3,000 for architect fees for any upcoming projects for the museums. This amount is budgeted each year and is considered a blanket budget. At the time of the budget adoption, staff was unaware of how in depth this project would be because of the structural improvements that were added. Due to this, the architect fees were\$25,985 for the Eggleston House Roof Replacement and Structural Repairs. Staff is asking for a budget amendment to reflect this amount minus the \$3,000 that was already budgeted.

Special Contracts 100-7-660.411 22,985.00

BUDGET AMENDMENT #3

The City Council of the City of Gonzales adopted a budget that had the first annual payment of a 5-year note (\$8,500 per year) for a new Polaris UTV. The Police Department wanted to purchase to allow them the ability to access areas that are not accessible by regular vehicles. The City's Grant Writer was working on a grant to pay 100% of the \$37,678.96 for the new Polaris, but staff didn't find out that the grant was awarded to the City until after the adoption of the budget. Staff is asking for a budget amendment to reflect the grant money to be received and increase the vehicles/equipment budget to reflect the \$37,678.96 minus the \$8,500 that was already budgeted.

| Grants | 100-4-409.912 | \$37,678.96 |
|--------------------|---------------|-------------|
| Vehicles/Equipment | 100-7-501.608 | \$29,178.96 |

BUDGET AMENDMENT #4

The City Council of the City of Gonzales adopted the 2020-2021 budget that consisted of \$365,000 for capital improvements to St. Lawrence Street – Hopkins to Fair. This project did not get completed by September 30, 2021 so the funds went to the fund balance. Staff is asking for a budget amendment to reflect those funds being taken from the fund balance and put in the 2021-2022 budget in order to pay for the rest of the project that is being completed.

| Street Improvements | 100-7-603.640 | \$365,000.00 |
|---------------------|---------------|--------------|
|---------------------|---------------|--------------|

The estimated fund balance of the Electric Fund as of September 30, 2021 is \$3,249,048. The following budget amendments will be taken from the fund balance of the Electric Fund.

BUDGET AMENDMENT #5

The City Council of the City of Gonzales adopted a budget for the electric department based on having a Lineman I for three months out of the twelve-month budget. This was due to ordering an AMI system for electric meters and staff feels that once these meters are installed that the electric department will no longer need to read all of the meters or drive around to pick up the readings on them. This AMI system will allow us to have some meters that can be connected and disconnected from the touch of a button at City Hall and staff will be able to pull the reads from City Hall for all the electric meters. There has been a delay on the shipping of the residential meters, and they will not be delivered until around May. The Lineman I has agreed to stay on several more months until we get the meters installed. For budget purposes staff has calculated payroll expenses through July 22, 2022, but the position may not be needed that long. Staff is asking for a budget amendment to reflect the payroll expenses for those additional months.

***The estimated fund balance of the Water Fund as of September 30, 2021 is \$2,783,931.54. The following budget amendments will be taken from the fund balance of the Water Fund.

BUDGET AMENDMENT #6

The City's IT personnel informed staff that there was a computer that had Windows 7 and/or Server 2008 and Microsoft no longer releases updates (including security updates) or patches. This puts this office at a higher risk of being compromised by viruses and other security vulnerabilities. This computer had scada software that could not be transferred on a new computer. IT directed staff to update the software for the filter control system-filter computer and software upgrade and received a quote for \$10,367. This quote includes the new computer that will be purchased to have the new filter control system-filter software put on it. Staff is asking for a budget amendment to reflect those funds that were not budgeted.

BUDGET AMENDMENT #1

The City Council of the City of Gonzales settled the JB Wells lawsuit for \$1,825,000. The City Council elected to issue a General Obligation Refunding Bond for the funds. The funds were received in the City's bank account on October 5, 2021 and were wired out on October 7, 2021. Staff is asking for a budget amendment to reflect the \$1,825,000 received and same amount paid.

BUDGET AMENDMENT #2

The City Council of the City of Gonzales adopted a budget that had some capital improvement repairs to the Eggleston House estimated to be around \$50,000. During the budget process, staff budgeted the usual \$3,000 for architect fees for any upcoming projects for the museums. This amount is budgeted each year and is considered a blanket budget. At the time of the budget adoption, staff was unaware of how in depth this project would be because of the structural improvements that were added. Due to this, the architect fees were \$25,985 for the Eggleston House Roof Replacement and Structural Repairs. Staff is asking for a budget amendment to reflect this amount minus the \$3,000 that was already budgeted.

BUDGET AMENDMENT #3

The City Council of the City of Gonzales adopted a budget that had the first annual payment of a 5-year note (\$8,500 per year) for a new Polaris UTV. The Police Department wanted to purchase to allow them the ability to access areas that are not accessible by regular vehicles. The City's Grant Writer was working on a grant to pay 100% of the \$37,678.96 for the new Polaris, but staff didn't find out that the grant was awarded to the City until after the adoption of the budget. Staff is asking for a budget amendment to reflect the grant money to be received and increase the vehicles/equipment budget to reflect the \$37,678.96 minus the \$8,500 that was already budgeted.

not get completed by September 30, 2021 so the funds went to the fund balance. Staff is asking for a budget amendment to reflect those funds being taken from the fund balance and put in the 2021-2022 budget in order to pay for the rest of the project that is being completed.

BUDGET AMENDMENT #5

The City Council of the City of Gonzales adopted a budget for the electric department based on having a Lineman I for three months out of the twelve-month budget. This was due to ordering an AMI system for electric meters and staff feels that once these meters are installed that the electric department will no longer need to read all of the meters or drive around to pick up the readings on them. This AMI system will allow us to have some meters that can be connected and disconnected from the touch of a button at City Hall and staff will be able to pull the reads from City Hall for all the electric meters. There has been a delay on the shipping of the residential meters, and they will not be delivered until around May. The Lineman I has agreed to stay on several more months until we get the meters installed. For budget purposes staff has calculated payroll expenses through July 22, 2022, but the position may not be needed that long. Staff is asking for a budget amendment to reflect the payroll expenses for those additional months.

COUNCIL AGENDA ITEM BRIEFING DATA

AGENDA ITEM

Conduct a public hearing, consideration and possible action on amendment to the City of Gonzales Zoning Regulations for the following sections:

A) Garage requirements from Residential Zoning Districts SF-6(Section 14.304.c.2), SF-8 (Section 14.305.c.2), SF-10(Section 14.306.c.2), and SF-A (Section 14.307.c.2)

B) Removal of posted sign notice provisions in Section 14.902 Zoning Text and Map Amendments, 14.903 Public Hearings and Notification Requirements for Zoning Related Applications

C) Removal of variance applicability limitations and addition of existing structure financial hardship provisions in Section 14.1002 Zoning Variance

DATE: February 10, 2022

BACKGROUND:

In February 2021 the City Council approved a new Zoning Ordinance after recommendation from the Planning & Zoning Commission. Since then, staff has been approached by multiple individuals regarding the residential garage requirements and difficulty complying with the mandatory 2 car garage requirement.

In response staff analyzed the residential garage requirement and how it fits into both new and existing neighborhoods. It is the option of staff that the current residential garage requirments are a "one-size fits all" approach that lacks flexibility, especially for in-fill or redevelopment in existing neighborhoods where not every home was built with a garage.

Staff solicited the help of the Planning & Zoning Commission in determining what revisions to residential garage requirements are most appropriate for the community. A spectrum of options was prepared for discussion with the Commission, which included no change, a reduction from 2-car to 1-car, allowance of a carport in-lieu of a garage, alternative compliance proposals, and removal of the garage requirements.

Another amendment that staff feels needs to be made is removing the physical sign posting requirements associated with various public notice applications. This requirement was created with the adoption of the new zoning ordinance in 2021. Staff has not had the opportunity to establish notification sign standards in the City's development manual or coordinate with vendors on who can provide these signs for purchase by the applicant. Staff is recommending removal of this requirement at this time.

Staff also is proposing removing the zoning variance applicability limitations and adding language for the financial hardship findings for structures, to be in line and in compliance with state law. The current zoning variance requirements contain additional variance applicability limitations which are an increased standard above and beyond state law. Specifically, they restrict zoning variances to open space dimensions, lot dimensions, structure height, and impervious area. Due to the high standard of hardship that must be found in granting a zoning variance, the additional variance applicability limitations are not needed. Staff is also proposing to incorporate the additional variance hardship criteria that was approved by the Texas Legislature in 2021 with H.B. 1475. The additional hardship criteria specifically applies to structures. Full text of the

amendments is attached for review.

A notice was published in the newspaper for three consecutive weeks, posted on the City's website, and at City Hall beginning on December 30, 2021. As of preparation of this staff report, no written comments have been received.

PLANNING & ZONING COMMISSION RECOMMENDATION:

The Planning and Zoning Commission held a public hearing on January 18, 2022, where they made a recommendation of approval of the proposed ordinance with a vote of 4 in favor and 1 opposed.

During the public hearing several residents spoke requesting relief from the City's residential garage requirements and supporting the removal of the required 2-car garage. Other public comments included the extra costs associated with building a required garage, the space a garage takes up on a smaller lot, and that residents should be able to choose if they want a garage or not.

Staff provided various options for consideration by the Commission for revising the residential garage requirements including:

- 1. Removal of the garage requirements
- 2. Allowing carports and porte cocheres in-lieu of a garage
- 3. Reducing the required size from 2-car to 1 car
- 4. Allowing the Planning & Zoning Commission to approve alternative compliance proposals in accordance with Sec.14.904 *Alternative Compliance*.

Staff recommended a combination of options to allow carports and porte cocheres in-lieu of a garage, reduce the required size from 2-car to 1-car, and allow for the Planning and Zoning commission to approve alternative compliance proposals in accordance with Sec.14.904 *Alternative Compliance*.

The Commission discussed the options and the various combinations that Staff provided. There was discussion by the Commission on the public comments. Concerns were expressed about the cars being parked in lawns and not having adequate off-street parking, as well as neighborhood aesthetics if homes are built without garages.

There was little discission from the Commission on the other proposed amendments; removal of posted sign notice and updates to variance applicability and hardship criteria.

The Commission approved a motion to provide a recommendation of a combination of the options to allow carports and porte cocheres in-lieu of a garage, reduce the required size from 2-car to 1-car, and allow for the Planning and Zoning commission to approve alternative compliance proposals in accordance with Sec.14.904 *Alternative Compliance*. Additionally, the Commission offered s recommendation of approval for the other proposed amendments as they were presented by staff.

STAFF RECOMMENDATION:

Staff respectfully recommends approval of the proposed ordinance.

In considering a variance as applied to a structure, the Zoning Board of Adjustment may consider the following as grounds to determine whether an unnecessary hardship would result from compliance with the ordinance:

(A) the financial cost of compliance is greater than 50 percent of the appraised value of the structure as shown on the most recent appraisal roll certified to the assessor for the municipality under Section 26.01, Tax Code;

- (B) compliance would result in a loss to the lot on which the structure is located of at least 25 percent of the area on which development may physically occur;
- (C) compliance would result in the structure not being in compliance with a requirement of a municipal ordinance, building code, or other requirement;
- (D) compliance would result in the unreasonable encroachment on an adjacent property or easement; or
- (E) the municipality considers the structure to be a nonconforming structure.

COUNCIL AGENDA ITEM BRIEFING DATA

DATE: Februay 10, 2022

TYPE AGENDA ITEM:

Other Business

BACKGROUND:

AGENDA ITEM

Discuss, Consider and Possible Action regarding policy recommendations from the Roger M. Dreyer Memorial Airport Advisory Board regarding authorizing the use of specific portions of the Roger M. Dreyer Memorial Airport for private or public events if allowed by current grant assurance and hangar lease provision, and setting any terms, conditions, and associated fees as applicable

The City of Gonzales has received a request from an individual that requested the use of portions of the Roger M. Dreyer Memorial Airport. It was suggested that an item be presented to the Advisory Board for their consideration and recommendation to City Council regarding an overall policy regarding aviation and non-aviation uses at the airport. The policy would be recommended to address fees, insurance requirements, liability concerns and appropriate uses of airport property. The board engaged in deliberation regarding a general policy for the possible use of the airport. The board voted unanimously to recommend to City Council to not create a policy at this time for non-aviation uses due to airport's lack of space and ability to adequately facilitate parking for any type of event.
