Returning home after a flood can be the most trying time. There is a lot to be aware of when getting back into your home, to ensure you are mitigating all potential issues. You can use the resources on this page to help you get back to normal.

Contact your insurance agent to file a claim. Your insurance agent can walk you through your options. Make sure to photograph the flood damage for documentation purposes.

If asked, please complete and submit your SBA loan application. SBA offers low-interest, long-term disaster loans to businesses of all sizes (including landlords), private non-profits (such as churches and charities), homeowners, and renters.

If declined, applicants may be referred back to FEMA, possibly for Other Needs Assistance (ONA), which includes personal property,
