## **ANIMAL CATEGORY:**

1. Registered Animals
2. Graded Animals

A member may enter NO more than three (3) animals in the entire show. A member may bring a fourth dairy animal if it is bred by exhibitor, but will not be eligible to compete in class or show.

All dairy show animals must have been owned and under the control of each 4-H or FFA member on his/her premises (land under his/her control) or FFA Agricultural Barn. Registration papers and/or grade identity papers of all animals must be available upon arrival and presented to the Superintendent and must show the member's name as owner for at least sixty (60) days.

ALL animals must be polled or dehorned. Scurs and a small amount of secondary growth of horns may be accepted or determined to be unsafe based upon the animals' behavior and its ability to be handled. This decision will be made by the Livestock Committee.

Due to the high cost of animals, the practice of leasing animals for the show is permitted, but it must be under the exhibitor's direct care for at least 60 days prior to the opening of the Fair. All animals must be owned by the exhibitor or the family of the exhibitor. No "borrowing" from another breeder will be allowed.
