RECORD BOOK SUGGESTIONS & Rules

- **Final book must be handwritten and make it neat.**
- **Read the whole record book through now.**
- The pages of the record book should be placed in numerical order.
- Your story should be about your project from beginning to end. A story that tells about your experiences during the project.
- Picture captions should state what you are learning or doing. The pictures should show all parts of your project from beginning to end.
- Only those sections that cannot be completed at the time of the fair, as indicated in the book, may be left blank. These sections **must** be completed after the fair.
- Write thank you letters to your buyer(s) and turn them in with your project book in an addressed, stamped, sealed envelope. The Fair Association will mail the letters.
- Any Record Books received not complete will result in the 4-H/FFA Exhibitor being fined a \$100.00 penalty from their final check.
- 4-H Members please see page 24 for full Record Book requirements**

HELPFUL TIPS FOR RECORD KEEPING

- Photocopy your record book when you first receive it.
- Use the copy throughout the year to make a rough draft of your record book.
- Tie a pencil to the photocopy of your record book.
- Keep the book handy for you, but out of reach of small children.
- Keep your records up-to-date.

Judge Comments:

ANIMAL HEALTH RECORD

This is to help you and your vet. Expenses should be entered on the EXPENSES form.

DATE	ANIMAL	DESCRIPTION & TREATMENT	BY WHOM
<i>Ex. - 12/2</i>	<i>#209</i>	<i>NoWorm - dewormer 5.0 cc IM</i>	<i>Dr. Smith</i>

ESTIMATED WEIGHT RECORD

This is a very important part of your project, which will help you check your animal’s progress. If your gains are not what you expect or you need to make show requirements, check with your parents, 4-H Leader, or FFA Advisor.

ESTIMATED WEIGHT RECORD

This can be estimated by measuring the heart girth of your steer and calculating his weight. You should have at least **5 entries** during your project period.

Date/Weight	Date/Weight	Number of Days	Weight Gain (lbs)	Average Daily Gain * (lbs)
<i>Ex. - 12/2 800 lbs</i>	<i>1/2 860 lbs</i>	<i>30</i>	<i>45 lbs</i>	<i>2.0 lbs</i>

* Average Daily Gain = Weight Gain ÷ Number of Days

OFFICIAL WEIGHT RECORD

Starting Weight Date/Weight	End of Project Date/Weight	Number of Days	Weight Gain	Average Daily Gain

EXPENSES

Keep a record of everything you spend on your project during the 2023 Fair year. Put down the date you buy something, what you buy, and how much it costs. If someone gives you supplies and/or equipment to go with your project (a show stick, rope, brush, halter, etc.) list it just as if you have to pay for it EXAMPLES: cost of animal, materials for housing, supplies and equipment (including maintenance and show items), feed, vet, bills, health papers, health items/wormings, gas and transportation.

<i>DATE</i>	<i>ITEM BOUGHT OR GIVEN TO YOU</i>	<i>COST/VALUE</i>
<i>Ex. 11/25</i>	<i>Showstick</i>	<i>5.00</i>
	(Enter on page 9) Subtotal	\$

Thinking back on your year in this 4-H project...At the end of your 4-H year, use this form to see what you learned along the way. For example, as a result of your work in this project this year, did you learn how to use your time better? If so, you would indicate this in answer to question #3 below. Follow the instructions below to complete this section

Think back on your past year in this 4-H project. Below are listed some skills that you may have developed as a result of your 4-H involvement. In the columns to the left, rate yourself on these skills at the beginning of the 4-H year, and in the column on the right, rate your skills now (end of the 4-H year).
