# OUR *Story*

Hi! We are the Bawcom Family. After playing professional baseball for 10 seasons, Logan decided it was time to hang up his cleats and buy some dirt. Having run a successful hair and makeup company for 7+ years, Jordan had always told Logan how much she wanted to own a wedding venue one day. Having seen almost every wedding venue in the DFW and surrounding areas, Jordan had an idea to create something unique and truly different. She knew Logan was the only one who could bring that vision to life (because he truly is the Chip to her Joanna). The stars aligned and here we are living out our dream of creating UHTx. Our prayer is that this place is where your union begins and then your love goes out and changes the world. Come party at our house.... Union House.

# CHAPEL

## THE CHAPEL

Our 2,300 square ft chapel provides space to comfortably seat 250 of your closest family and friends. The breathtaking 20 ft by 12 ft windows fill the chapel with light and provide scenic nature views. For your convenience, the chapel has built-in surround sound speakers. Close your eyes and imagine those trusses with greenery... all the heart eyes!

## *RECEPTION*

### THE PARTY SPACE

The reception provides 4,200 sq ft of endless possibilities and layouts to create your one-of-a-kind party. You can seat up to 280 guests indoors. Walls of windows allow beautiful natural light to flood in and illuminate the space. The indoor/outdoor serving bar allows the party to flow effortlessly from the outdoors to the indoors. CHEERS!

## RECEPTION

With two sets of 15 foot sliding doors, you can bring the outdoors in. The fireplace creates the most charming and cozy space and is a beautiful backdrop for your head table!

## *OUTDOOR SPACES*

### **THE GREAT OUTDOORS**

Want to have your ceremony outdoors overlooking the pond? No problem! Our back patio is the ideal spot for happy hour or get creative and have your dance floor outside under the stars. There are so many options and we can't wait to see how you use this space for your celebration!

## FOR THE BRIDE + HER GIRLS

Drawing from all of her favorite elements in the best bridal suites across Texas, Jordan created a thoughtfully-designed and truly beautiful space for the Bride and her squad to get glam and make the best memories together. The suite includes a hidden dressing area with lockers, a private restroom, a mimosa station with a sink and fridge, a makeup bar and a dine-in breakfast nook. Bring on the mimosas, Taylor Swift songs and great memories!

# BRIDAL SUITE

# GROOM'S SUITE

## FOR THE GROOM

Kick back and relax in the private groom's suite. The lockers are a nod to all the memories that Logan made in the locker room during his professional baseball days and provide an ideal storage space for the guys. Enjoy a dedicated bar space and a TV to catch the big game or bring your gaming system and play with your buddies before you say "I do". The groom's suite has direct restroom access and a private patio, ideal for a quick game of cornhole with the boys.
