*Sponsor of the Coastal Carolina Fair*

ORGANIZED FEBRUARY 27, 1924  
CHARTERED APRIL 15, 1924

March 4, 2022

Dear Grant Applicant,

THE EXCHANGE CLUB OF CHARLESTON is pleased to announce its intention to award community service grants for 2022. These grants are intended to support the efforts of local charitable and community service organizations in their endeavors to provide human service needs to the area's citizens. Outstanding community support of the 2021 Coastal Carolina Fair has provided the funds for these grants.

Once again this year, special and/or one-time needs will be a primary focus of our awards. If your organization qualifies and you have a qualifying need, you are invited to submit a grant request for your project. The submission guidelines and application, as established by The Exchange Club of Charleston's Board of Directors, can be found at: [www.coastalcarolinafair.org/grants](http://www.coastalcarolinafair.org/grants).

In order for your organization's grant request to be considered, your submission must conform to the new guidelines, and all requested information must be provided at submission. **Your complete submission must be received no later than 5:00 pm on Friday, April 8, 2022.** In fairness to other organizations requesting grant funding, **there will be no exceptions to the deadline!**

**If your organization received funding from us in 2021 and have not yet submitted a grant evaluation report, please do so immediately (separately from your proposal) to ensure eligibility for future funding. The preferred format can be found at: [www.coastalcarolinafair.org/grants](http://www.coastalcarolinafair.org/grants).**

We require that you provide our selection committee your proposal electronically (formatted as detailed in the guidelines) to:
