

WELCOME GRANT APPLICANTS

The Exchange Club of Charleston AIMS Committee is pleased to announce the release of its 2023 Grant Guidelines for applicants interested in requesting support for programs/projects that align with the Committee's specific Areas of Interest. FUNDS AVAILABLE AND DURATION

The Exchange Club of Charleston AIMS Committee grants will be awarded in June 2023 to fund projects that will take place in FY 2023-24. Due to limited resources, applicants can apply for only one grant per year, and multi-year grant requests will not be considered. Those who are awarded funding in a given year may apply again the following year.

The number of grants and the amounts awarded are tied directly to the Exchange Club of Charleston's fundraising efforts on an annual basis and can vary from year to year. The AIMS Committee will review grant proposals in the spring of each year through an

objective process designed to identify proposals that most closely align with our grant guidelines.

Recommendations are then forwarded to the Board of Directors for review. Approved grants are distributed in June. If your organization is approved for funding, we require that you recognize the Exchange Club of Charleston, SC on your website, social media and/or advertising, to receive your check distribution. We also require that you attend our Community Service Celebration to be recognized.

The Committee will not be able to fund all requests submitted in response to this Request for proposals – only those projects that most strongly meet the identified program goals above will receive support within budgetary limitations.

TYPES OF SUPPORT

The Committee prefers to provide program of service and community project support and does not generally provide core operating or capital grants requests. Exceptions may include this type of support as part of a specific project or program.
