

## CLEAR BAG POLICY

To provide a safer environment for the public and significantly expedite guest entry into the venue, Exchange Park and the Coastal Carolina Fair will implement a new clear bag policy this year that limits the size and type of bags that may be brought into the fairgrounds for all events.

The clear bag policy affects the type and size of the **bags** permitted onto the grounds — not the **items** (keys, makeup, combs, smartphones, wallets, and credit cards) that you would normally bring to an event. Guests can still carry these items in their pockets. Guests will also be allowed to openly carry a blanket or jacket into the fairgrounds, though they will be subject to search. For the fastest way to enter the fairgrounds, we strongly encourage guests to not bring any type of bags, but if you must, outlined below are the specific types of bags that will be allowed inside the venue:

- Bags that are clear plastic, vinyl or PVC and do not exceed 12” x 6” x 12”
- One-gallon plastic freezer bag (Ziploc bag or similar)
- Small clutch bags, with or without a handle or strap, not to exceed 4.5” x 6.5” – subject to search
- Exceptions will be made for medically necessary items after proper inspection at designated entrance points.
- Diaper bags will be allowed for families with infants and toddlers. Child must be present. One per child.

As previously stated, guests will continue to be able to carry items allowed into the fairgrounds as long as they are in their pockets or a clear bag.

Working personnel, including Credentialed Media and Vendors, will enter the venues through designated entrances where they will be subject to screening and bag inspections.
