

Columbia County Fair Board Workshop Minutes

April 20th , 2021 6:30 p.m.

**Members in attendance were Julie Pelletier,
Jamie Carr, Ingrid Chamberlain, Greg Voreis, Eva Frost.**

Meeting called to Order at 6:31 P.M.

1. Preparation for the board of commissioners meeting

- The fair board talked about what they can do to make the fairgrounds better financially. They are asking the commissioners for a large amount of money to help improve some of the following: New Mower, Dry Well/Pump, Barn Gutters, Fair Office Roof/Gutters, pavilion Gutters, and Main restroom. The Fair board is looking to plan some events to help fund some of these repairs. They Plan on Auctioning off a F250 Truck the fairgrounds has that is not running, and an old zero turn mower. They have two concerts happening in June, and at least one maybe two happening in august. They have the plant sale and fair for fundraisers, as well as a Tractor pulling event and possibly a Dozer Days event.
- The Fair board is also going to ask the commissioners to pay the budget for the 4 Temp (cardinal workers) at up \$17.50 an hr. It is a rough estimate of \$160,000 per year for two years.

With nothing further to discuss, **meeting adjourned at 8:10 pm.**
