***Additional Concessions Service Needs
September 1 through December 31, 2023***

On May 19, 2023, the 1-A District Agricultural Association (Cow Palace) was notified by Sodexo that the company would be exercising its 90-day separation option on its current contract.

As a result, the winning proposal will be invited to enter into the agreement on September 1, 2023, serving as the concessions provider for the 2023 Grand National Rodeo, select ancillary events (i.e. VIP reception, BBQ dinner and/or Cowgirl Tea, if held), and all other events held at the Cow Palace during that time, with the exception of any events that have pre-negotiated concessions arrangements.

Should the winning proposer choose not to enter into the agreement on September 1st, the other proposers will be invited to present a proposal for the months of September through December 2023.

Please include this exhibit with your selected intention indicated below:

- If selected, we will agree to the September 1, 2023 start date of our agreement.
- If selected, we will agree to the original January 1, 2023 start date.
- If not selected, we would like to present a proposal to provide concessions services from September 1, 2023 through December 31, 2023.
