# General Rules

We are looking forward to a great show this year with an updated format and are so excited to welcome exhibitors back to a live show! Please read the following rules carefully. Any exhibitor found to be breaking any of the stated rules may face consequences under management's discretion, which may lead to the disqualification of entries and/or return of all awards/honors and premium money will not be paid. Management is the deciding factor in the interpretation of the following rules. The Cow Palace Grand National Junior Livestock Show is a Jackpot Show and as such will not follow the California State Rules. Any and all complaints will be handled by the livestock office as they see fit. Livestock Management will have the final say on any and all issues presented during and after the Grand National Junior Livestock Show. Livestock Management has the right to adjust premiums pay outs as they see fit based on the number of entries in a division, if there are not more that 10 entries in the division or class premiums will not be paid and divisions may be combined. Premiums may be reduced from what is scheduled in this book if entries money does not meet expectations when these premiums were written. Due to COVID restrictions the show is limited to the divisions in this book, however, the Grand National Junior Livestock Show plans to grow and add more to the show in years to come as we recover from this situation. We thank you for your support as we bring back the show we all know and love.

1. The Grand National Junior Livestock Show is a public event, exhibitors will be required to keep their tack and pen areas clean and presentable for the public at all times.
2. The Grand National Junior Livestock Show is a CJLA Sanctioned show, as such all CJLA rules apply to this show.
3. Ethical treatment of all animals and ethical conduct is expected at all times from all parties including but not limited to exhibitors, parents, leaders, assistants, fitters and family. If a party associated to an exhibitor is caught in violation the associated exhibitor will be dismissed from the Grand National Junior Livestock Show, with the possibility of future disqualification for up to 5 years depending on severity of case.
4. There will be NO refunds of entry money. No exceptions whatsoever.
5. The Grand National Junior Livestock Show Management reserves the right to change classes, show order, stalling and the show schedule at any time to improve the show.
6. First Bedding will not be provided- Shaving will not be for sale on site. Please plan accordingly.
7. All animals must be stalled in the location designated by management. Any discrepancies must be brought to the attention of the individual barn manager or livestock office. We try to accommodate stall requests, however, due to space constraint, requests may not be met. The Grand National Junior Livestock Show will have the following options available for stalling:

1. Working Trailer Spaces (Located on the outside of the Cow Palace Building- exhibitors must specify the size of trailer on their online entries and must reserve a space by paying a \$300 fee.) Spaces are a first come first serve on location exhibitors may not save spaces around them, a space is only reserved with the exhibitor's trailer, no other items or vehicles may be used to save spots. A limited number of spaces will be sold.
2. Pens and tie outs: If an exhibitor does not purchase a working trailer space they will automatically be assigned pens/tie out spaces. The ONLY way to request pens/tie outs to be located next to another exhibitor is during your original online entry under the "Stall Request" field by typing the EXACT same phrase in. For example, if 3 families with different last names would like to be stalled together they should all write "EXAMPLE GROUP" that way when stalling is being assigned we can easily locate those exhibitors who wish to be together, if one family writes "Example" another "Ex group" they will not be stalled together, if you want your pens together please take the time to be sure to enter the exact phrase identically for all parties wanting to be stalled together.
3. Cattle ONLY- Outdoor Stalls will be available for purchase during your online entry for \$150.00. There are 10 of these pens available that are all 24'X28' that will be for purchase, once all are sold, we will close the division online regardless if it is before entries close. Please enter early if you would like one of these outdoor pens.
8. All Personal Generators must be placed on the outside of the Cow Palace building, exhibitors may run extension cords into the building to access their power. All Generators must be accompanied with a permit purchased through the Showwork's Entry Portal.
9. Due to limited space, the Grand National Junior Livestock Show reserves the right to take away excess stalls, if necessary, regardless if the exhibitor entered excessive head to achieve getting this space. Management will assign stalls and areas determined by the number of head the exhibitor brings on grounds.
10. Exhibitors must only exhibit their own animals in all showmanship, breeding and market classes, unless prior arrangements have been made with show management or if the original exhibitor is in another ring on show grounds.
  - If an exhibitor has two animals in the same class, another 2021 Grand National Junior Livestock Show exhibitor may show the second animal.
11. Any animal exhibiting signs of infectious diseases or any unsightly conditions will not be permitted to show at the Grand National Junior Livestock Show as determined by show Management and will be required to be removed from Grand National Junior Livestock Show Pens immediately.
12. Permitted Bedding Includes: Shavings, Wood pelleted shavings, hay, straw, AstroTurf or artificial grass and shade cloth covered shavings. No sawdust as the use of bedding will be permitted on grounds. Exhibitors may bring AstroTurf artificial grass, shade cloth, but

must take these items with them at the end of the livestock show. Leaving on premises following the end of the show or disposing on site is prohibited.

13. Livestock will be released as exhibitors finish their last class not at the end of the show. We kindly ask that you are mindful while loading out and take as little time as possible to pack your belongings and load your animals.
14. All dogs on the fairgrounds must be on a leash and manageable at all times. Management staff reserves the right to ask any dog and/or their owner to leave the grounds if it seems unsafe.
15. Per Fire Marshal code, exhibitors are welcome to utilize tarps and heat lamps. However, the use of both tarps and heat lamps or other sources of heat, will only be permitted if the top of the stall is uncovered and the heat lamp is at least 5 feet from the tarp in all directions. Stalls found to be in violation will be asked to remove one or both items, if exhibitors are not present management reserves the right to correct the problem as they see fit.
16. No intact males will be allowed in any market show.
17. Animals deemed uncontrollable by Management will not be allowed to show.
18. **Unethical fitting:** Animals showing any signs of being unethically fit will be disqualified. Examples of unethical fitting include, but are not limited to, the following
  - Application of paint, dye, or any other substance to any part of the animal's body that attempts to change the color pattern or alter any other aspect of the apparent breed character of an animal;
  - Cosmetically altering the form or function of an animal's foot or feet by the application of resin, epoxy, or other foreign substance.
  - Injection, drenching or application of any substance per the animal's rectum;
  - Draining of fluids by means of needle or syringe;
  - Artificially filling by stomach pumping or airing injections.
  - Additions of hair or hair-like substances will not be permitted on ANY species. This includes naturally occurring hair from the animal being removed, or clipped and attached or glued to another area of their body to alter their appearance.
19. Exhibitors must be entered into Show A to be eligible to show in Show B.
20. CJLA Sanctioned Shows are as follows: Market Hog Show A, Market Hog Show B, Market Hog Showmanship A, Market Hog Showmanship B, Market Lamb Show A, Market Lamb Show B, Wether Dam Show A, Wether Dam Show B, Lamb Showmanship A, Lamb Showmanship B, Market Steer Show A, Market Steer Show B, Heifer Show A, Heifer Show B, Cattle Showmanship A, Cattle Showmanship B.

In an effort to continue COVID friendly practices the livestock office will be fully digital.  
Please scan the below code to see all classes.

## Camping

The Grand National Junior Livestock Show will offer camping through our online portal only. Spaces will be sold until we are sold and will close the divisions when they are full regardless if it is before the entry deadline. Camping spaces are good Thursday October 7<sup>th</sup>- Sunday October 10<sup>th</sup> Campers must be off grounds no later than Midnight October 10<sup>th</sup>. If campers wish to stay Sunday night, they may come to the livestock office and purchase a one night \$50 permit to stay Sunday night.

1. VIP Camping- Spaces located under the sign marque on Genova St. Closest camping to the South Hall side of the Cow Palace building. VIP spaces are \$350.00/Space. Limited to 8 Spaces.
2. Dry Camping Spaces- Spaces are located in the South Lot. \$150.00/ Space Limited to 30 Spaces.

## Parking

Working trailer spaces will be provided one parking permit for their vehicle attached to the trailer for day use parking. No additional purchase needed.

All other vehicles on grounds will need to have a general parking pass on their car, those can be purchased online through the entry portal for \$15 each.

Empty stock trailers that need to be parked while animals are housed in stalls can park free of charge in the South Lot.
