

HEALTH & SAFETY POLICY

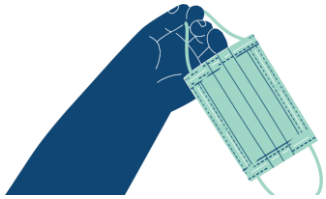

We're excited to welcome you back!

Your **safety** is our #1 priority.

Kindly follow the safety procedures we've implemented to **#StopTheSpread**.

Thank you!

○ PREVENTION MEASURES

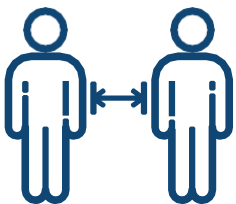

- All full time staff are required to show proof of vaccination or regular negative COVID test.
- All individuals entering the facility are required to self-attest to three health questions before entering a building.
- Any vendor, employee, volunteer, participant, and/or guest who exhibits symptoms will be asked to leave the premise. Individuals with symptoms of the virus will not be allowed into the event unless presenting proof of a negative test to facility management.
- There will be designated food/eating areas outdoors (weather permitting).
- Increased ventilation in buildings will be facilitated as available. (i.e. open rollup doors, pedestrian doors, and ventilation hatches to increase natural air flow.)

○ WEAR PROTECTIVE GEAR

- All individuals in or on the facility will be required to wear a face covering at all times inside the buildings, regardless of vaccination status. Children under two will be exempt.

○ PRACTICE SOCIAL DISTANCING

- Touchless payment options are recommended for any transaction.
- Suggested seating of participants and/or patrons will allow for social distancing of 6 feet in between household groups.

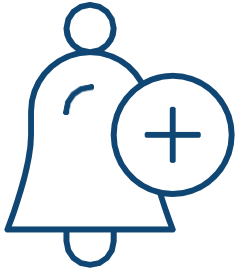

○ USE SANITIZER

- Tables and seats will be cleared and sanitized frequently throughout the day.
- Hand sanitizer stations and wipes will be made available in all dining areas and at every entrance/exit to each show building.
- Trash cans will be washed daily.
- Restrooms will be cleaned nightly with disinfectant.
- All contact points throughout the facility and restroom surfaces will be wiped down with disinfectant frequently throughout the day.

○ ADDITIONAL GUIDELINES FOR GUESTS

- Guests who refuse to follow our rules will be politely reminded of the policy and if necessary escorted off the grounds.
- Signage will be prominently displayed throughout the grounds and at all entry points reminding guests of our policies.
- Per California Department of Public Health, individuals are encouraged to get vaccinated when eligible and sign up for [CA Notify](#) as an added layer of protection to receive alerts when they may have been in close contact with someone who tests positive for COVID-19.

○ RISKS

- Participants, guests, and patrons, understand and acknowledge that attendance at large events may expose them to contact with one or more persons who may have been infected with, and/or exposed to, the Virus and may expose them to contact with surfaces or objects that have been exposed to the Virus and may serve as a means for transmission of the virus to others who attend the event.
- Participants, guests, and patrons understand and acknowledge that participation and/or attendance at large events may expose them, along with others with whom they may come in contact after they leave the Cow Palace facilities, to a risk of infection with the Virus, which may cause significant and serious illness, temporary or permanent disability, and/or death.

You can do your part by **wearing a mask**
and practicing **social distancing**.

STAY AT HOME IF:

- * You are experiencing any flu symptoms, such as headaches, shortness of breath, runny nose, sore throat, cough, or fever.
- * You have a measured temperature greater than or equal to 100.4 degrees Fahrenheit (38 degrees Celsius).
- * You've had known close contact with a person who is lab-confirmed to have COVID-19
