Quilts - Dept. Qa & Qy

See General Rules for Exhibits

The following are taken into consideration when judging quilts entered into the Kiwanis Coweta County Fair

Appearance: Clean, free of markings, and no loose threads.

Design: The choice of pattern and materials used are considered.

Color and color combination: Are the colors used suited to the quilt? Whether muted or vibrant colors are used, the colors need to play well together, enhance each other, support each other.

Piecing: Seams and corners are checked to see if they meet up where they are supposed to, and that points are not cut off.

Binding: Bindings are checked to see if they are loose. A binding that covers the edge of the quilt properly is full of batting, and preferred. Also considered is if the binding is hand stitched or sewed down by machine.

Overall Quilting: Whether the quilt is loosely or heavily quilted, machine quilted or hand quilted, and if hand quilted, stitches are viewed closely.

Applique: Hand stitches are viewed closely.
