

Livestock Rules & Regulations

General Information

- It is the responsibility of each animal's owner or handler to have the animal ready to show at the scheduled showing time.
- Exhibits must stay for the duration of Fair, unless given written permission from Fair Management.
- Ribbons will be awarded to Grand Champion, Reserve Grand Champion, Champion, Reserve Champion, and Best of Show. Champion ribbons will only be given if more than one class is exhibited in each breed (male and female).
 - *Note: The above ribbons will be awarded by the judge during shows. First, Second, and Third place flat ribbons will be given upon request by the exhibitor during premium payouts in the Fairgrounds Office.*

Entries

- Entries are considered incomplete until payment of the entry fee has been made. Fees are calculated per head. Group entries and Younger Youth are free. Check department details for fee amounts and due dates.
- Registration papers must be available for inspection. Breeding animals must be registered and entered in the name of the owner, but the owner need not be the actual handler.
 - *Exception: "Paper pending" will be accepted for animals under 1 year old, or to conform to species standards as long as proof of eligibility for registration is available.*
 - *Exception: rabbits and poultry.*
- Breeding animals dually shown in Open Class and 4-H/FFA must be entered under the same exhibitor, and must enter by the Open Class deadline and pay the Open Class entry fee. The breeding animal must be registered in the exhibitor's name or family name. All animals exhibited in 4-H or FFA must be housed, groomed, and fitted (by the member) in the 4-H or FFA livestock area even when preparing for Open Class shows.
 - *Note: Conflicting Open Class and FFA/4-H show times will not be changed to accommodate exhibitors.*
 - *Note: 4-H/FFA exhibitors that are also showing in Open Class must check in their animal during Open Class check-in.*
- All sheep and goat exhibitors will be required to show proof of participation in the Scrapie Program. Appropriate Scrapie ID and/or paperwork showing compliance must be available for inspection.
- Exhibitors are limited to 2 entries per class.
- **Animals shown in group, pair, herd or flock classes must be entered and shown in an individual class.**
 - *Exception: cow/calf pairs.*
- Late entries and substitutions will be accepted or denied at the discretion of Fair Management.
- Divisions and/or classes may be split or combined (if needed) at the discretion of Fair Management.

Displays

- Livestock will be placed in assigned stalls and/or pens.
 - *Note: Due to limited space, completed livestock entries will be excepted in the order they are received.*
 - *Note: Nurse cows will be stalled away from the livestock exhibits. Check with Fair Management for space.*
- All animals shall remain tied or penned at all times during Fair unless the animals are being fitted, washed, or shown. Safety ropes or neckties plus halters are required on all cattle.
- All animals must be kept in the barn area. Unauthorized livestock on the grass or in the exhibit building area will be immediately disqualified from future competition and any premiums previously won will be forfeited.
- **Exhibitors are expected to supply their own generators.**

No smoking in the barns. No dogs allowed at Fair.

- Signs offering an animal for sale cannot be displayed on the stalls or pens.
- All exhibitors must furnish feed and care for their animals during fair. Shavings are provided by the Fairgrounds.
- All stalls, pens, and aisles must be cleaned and raked by 9 AM each day.
- Exhibitors are required to take all refuse to the designated dump site. Failure to do so will result in a forfeiture of premiums.
- All livestock (including horses that are not being exhibited) must be stalled. Check with Fair Management for stall space.

Animal Health

- All animals and health documents are subject to inspection while on the Fairgrounds. No animal shall be admitted or allowed to remain on the grounds if they show evidence of infectious or contagious conditions.
- Animals from a herd or flock that is under federal or state surveillance may be exhibited without prior permission from the Oregon state Veterinarian's office.
- Animals of Oregon origin: no permits, health certificates, or tests are required for cattle, sheep, goats, and swine. All poultry (including exhibition, exotic, and game birds -- with the exception of waterfowl, pigeons, and doves) must be from a US Pollorum-Typhoid clean flock or have a negative test within 90 days prior to Fair.
 - *Note: A veterinarian or technician may be on hand to test birds (if needed), at no charge to the exhibitor.*
- Animals with Out-of-State Origin: both a health certificate from a veterinarian in the animal's state of origin AND an entry permit from the Animal Health Division, Oregon Dept. of Agriculture are required. Out-of-state veterinarians should call (503) 986-4689 for the permit number and specific requirements.
 - *Note: Cattle and horses must have a current brand inspection from the animal's state of origin.*
- No exhibitor will be allowed to administer medication to another exhibitor's entry.
 - *Note: If you feel an animal is in need of medication, contact the department superintendent.*
- No animals shall be drugged, tranquilized, or unethically fitted as determined by Fair Management.
- Fair management reserves the right to:
 - reject any animal that appears to be unhealthy.
 - call a veterinarian on behalf of a sick animal in cases where the animal's owner is not available.
 - remove any animals from the fair under a veterinarian's recommendation.

Animal Welfare Policy

Adopted by the Oregon Fairs Association on October 21, 1988.
