How can school classes & clubs exhibit at the Fair?

The Dane County Fair offers an opportunity for school classes and clubs to participate as a whole in the competitive exhibits Department 35 - Educational and School Exhibits at the Fair each year. **Fair entries are open to classes and clubs associated with a grade school, middle school, and high school under adult leadership that has an education program appropriate to that school (art class, shop class, media/audio visual club, computer club, STEM club, etc.).** Teachers of a school class or club need to complete the enclosed form each year for approval by the Fair prior to May 1st of the current Fair year in order for their youth members to exhibit at the Fair.

Department 35 information and terms

Departments: All school class/club entries will be placed in Department 35 - Educational and School Exhibits. The department is further divided into two Classes depending on if the entry was a School Class or School Club.

Premium Book & Entries: The Dane County Fair Premium Book lists all rules and regulations for entering to be an Exhibitor at the Fair for all Departments. It also includes contact information for Chairs & Superintendents in each Department. You may contact Chairs/Superintendents or the Fair if you have any questions on a Department (which department should you enter a project, which class/lot, etc.). The Premium Book is released on the Fair website (www.danecountyfair.com) by March.

The Premium Book is very helpful when submitting entries that open in April and close the first week in June each year. The Fair uses FairEntry as our entries system, and our staff is available to assist with any questions on how to set up an account, submit entries, etc. when the time comes.

Chairs/Superintendents: Volunteers with knowledge in a Department that assist the Fair with rules and regulations for the department as well as on-site project check-in, judge assistance, display layout, and project check-out.

Judging: Department 35 is judged Danish style. Danish Judging for Department 35 will be per Class and the top four classes and clubs in each Class will be placed in order (1st, 2nd, 3rd, and 4th). There is no interaction with the judge. Each student will receive a participation ribbon and the top four school classes/clubs will receive placing ribbons.

Awards & Premiums: The top four school classes and clubs in each Class will be awarded a Premium. Premium money is given by check and can be picked up at project check-out on Sunday of Fair Week or mailed to the school class/club after the Fair.

Entry Fee & Admission Special: There is no entry fee for the school class/club to participate in Department 35. All youth who participate in the school class/club entry will receive one complimentary admission day pass for the Dane County Fair.

STEPS TO EXHIBIT IN DEPARTMENT 35

1. **School Class/Club Approval** - School Class/Club (art class, shop class, STEM club, computer club, etc.) must submit the enclosed **School Class/Club Application** to the Fair Office by May 1 for their class/club to be approved and participate in the Fair.

2. **Offer Education** - Provide educational opportunities to your students to create projects to exhibit at the Fair based on the rules and regulations for Department 35 - Educational and School Exhibits listed in the Dane County Fair Premium Book.

3. **Project Entry Process** - Submit project entries (must be created from August of the year prior to the week of Fair) once entries open in mid-April through the first week in June. The system used for entries is called FairEntry and a link will be posted to the Fair website under the "Youth Exhibitors" tab once it opens in April. Fair staff will send instructions and tips to all school classes/clubs who complete the application on how to enter their class/club projects for the Fair. Each school class/club will need to create an account in FairEntry before submitting their entries. The Fair will offer online Zoom calls with school classes/clubs upon request to review the entry process. Fair staff is also available to call or email with questions. It is recommended to contact the Fair office before entries close if you have any entries questions.

There is NO entry fee for school classes/clubs. All youth who participate in the school class/club will receive a complimentary admission day pass to attend the Fair and see their project displayed within the school class/club display in Department 35.

4. **Entry Packets Pick-up** - School Class/Club entry packets will be available for pick up at the end of June by the school class/club teacher. The packets will include Fair information, entry tags, daily admission passes, and any other items requested by the school class/club. The School Class/Club will be responsible for bringing their entry tag and projects to project check-in on-site during Fair Week.

5. **Project Check-in & Judging** - On-site at the Fair, teachers will bring their class/club projects for check-in and judging on Tuesday between 1:00pm-7:00pm for Department 35. Danish judging is performed on-site after check-in and teachers do not need to be on-site for judging. After judging, all projects are placed on display in Department 35 for attendees to view during the Fair (Thursday-Sunday).

6. **Project Displays** - During the Fair, we encourage ALL school classes/clubs to visit the Fair with their complimentary admission day pass to view their project(s) on display.

7. **Awards Ceremony & Project Pick-up** - On Sunday of Fair Week, project check-out occurs from 4:30pm-6:30pm. At project check-out, teachers will collect their projects and premium checks (if applicable) for Department 35. If projects are not collected at project check-out or other arrangements are not requested prior to the Fair, they will be discarded that evening and the premium checks (if applicable) will be mailed to the school class/club directly after the Fair.

8. **Results** for all departments will be posted to the Fair website as judging concludes.

If you have any questions, contact the Fair Office at info@danecountyfair.com.
