Due to the unknowns associated with COVID-19, ALL information listed in the Dane County Fair Premium Book is subject to change at the Fair Board's discretion.

Regulations:

- Youth planning to show OR sell a small animal at the Dane County Fair will need to attend at least one educational meeting pertaining to the type of animal they intend to show or sell. Youth intending to sell an animal MUST attend a Small Animal Market Sale Meeting. They will then fill out an Educational Card to show they attended these meetings.
 - If an exhibitor plans to sell their animal at the Small Animal Market Sale, they MUST attend a qualifying meeting specifically targeted to those participating in the sale. This meeting is also considered an educational meeting.
- All rabbit exhibitors (breeding and market) must meet YQCA requirements. Youth must complete a training program each year by either attending an in-person session or completing an online course.** Visit <https://fyi.extension.wisc.edu/dane4hyouth/4-h-projects/small-animal/> for more information. Exhibitors must also attend one additional rabbit educational qualifying meeting. A copy of the rabbit education requirement form must be on file with the Extension Office by **June 15. Youth must upload YQCA and Education Requirement Forms online. No mailed forms will be accepted.** Exhibitors who have not met these requirements will be ineligible to exhibit rabbit projects at the Fair.
- All exhibitors must read and adhere to the Youth Animal Exhibitor Code of Practice as stated on page 12.
- This Fair will be judged under the latest show rules of the American Rabbit Breeders Association. Ask any chair/superintendent for information on how to obtain a copy of these rules.
- Showmanship is recommended for all exhibitors. Be sure to enter the appropriate grade category. Judging is individual conference and will be done on a first come basis. A sign up sheet will be posted and judging will start at 9 a.m.
- Up to 15 lots may be entered per exhibitor, excluding Showmanship and Costume.
- All entries must be owned by the exhibitor by April 15 of the exhibit year.
- An exhibitor enrolled in the rabbit project may show two managerial animals. Exhibitors or their family members, showing managerial animals, may not own or show any other rabbits. A

rabbit managerial form is available through the Extension Office and must be filled out and on file at the Extension Office by April 15 of the exhibit year.

- Commercial, Market and Fancy breeds must be purebred. Breed must be included on the Fair entry form.
- Pet rabbits may be crossbreeds.
- If unsure of rabbit's sex or breed, call the department chair. **Try to purchase rabbits with pedigree papers.** This can be important. Junior rabbits must be at least 12 weeks old to exhibit. Any animal(s) of questionable age will be accepted at the discretion of the committee. *Showing animals younger than 12 weeks is very stressful and could stunt future growth.*
- Exhibitors are responsible for the daily feeding and care of entries. Exhibitors are required to provide crocks or bottles for water and feed. Rabbits with improper dishes may be sent home. In addition, exhibitors are responsible for bringing their own bedding, such as wood shavings.
- All exhibitors** are responsible for the general housekeeping and clean-up in their area. Exhibitors must clean-up after their animals and regularly dispose of waste in an appropriate manner. Exhibitors must completely clean out their spaces at release time. Example: clean off boards, fold cages, and stack in a pile. **Please provide your own tools and equipment for clean-up.** Department chairs/superintendents will explain proper procedure for the department.
- Exhibitors must be present for judging. See a superintendent for any judging conflicts.
- All rabbits must be permanently and legibly tattooed. Tattoo number must be listed on the exhibitor's Dane County Fair entry form. All tattoos should be done before the Fair; contact Co-Chair, Mikayla Brey, with any questions and to schedule a tattoo appointment. ****NEW THIS YEAR**** Appointments will be available on Saturday, May 21 (2:30 p.m. - 4:30 p.m.) or Saturday, June 18 (9 a.m. - 11 a.m.) at the Dane County 4-H Extension Office.
- All Market Rabbits must be raised from birth by the exhibitor.
- All Market Rabbits will be weighed on check-in day. This weight will be used for judging. Any animal not making weight or over weight by more than 1/4 lbs. will not be eligible to sell in the Small Animal Market Sale. See further sale requirements under Small Animal Market Sale.
- Any rabbit showing signs of disease and/or colds will be removed from the show and sent home promptly. If one or more entry is showing signs of a highly contagious disease (ear mites, lice, snuffles, etc.), the superintendents have the right to send home all animals in that entry for the protection of the other animals.
- Superintendents have the right to carefully check the tattoo, condition, behavior or welfare of any animal as is necessary and bring any questions to the owner's attention.
- Any rabbit found to have been entered in the wrong class at the time of judging will be dropped a placement and be ineligible for further judging (e.g.: Best of Breed). Rabbit may still be shown in showmanship and costume class, if entered. If an exhibitor has any question on class entry, rabbit color, sex, weight, etc., Superintendents will be happy to assist to enter the rabbit in the proper class on check-in day, if asked.

Recommendations:

- A long sleeve shirt or show coat should be worn when handling or showing your rabbit.**
- Exhibitors are encouraged to enter appropriate lots in Animal & Vet Sciences, Department 10.
- Clubs or individuals are encouraged to decorate their area and cages, display their club signs, and keep their area clean. Please use displays that are informative and educational to the general public. Please remove all decorations at the end of the Fair.
